2. Students will be expected to attend class on time and to be prepared with weekly content that is assigned and will be reviewed in class.

    •   Refer to course calendar for course content and weekly assignments.
    •   If a student is late for class, the student will be required to stay outside the class until there is a break which are offered periodically throughout the class time.
    •   If an absence is unavoidable, the student is responsible for obtaining covered material from another student.

3. Students will be expected to bring their required textbook(s) and additional material as requested.

4. Students can expect class time will be used primarily for lectures, application exercises such as case studies, test taking strategies, concept maps, poster boards, role-playing, group activities, simulation, independent study, non-proctored quizzes, proctored testing, and guest speakers.

    •   Class participation is crucial for successful completion of course.
    •   Students are expected to be accountable for their own learning.
    •   The student is responsible for any material covered through lecture, audio-visual media, class presentations, independent study, required readings and assignments, and guest speakers.
    •   Students are expected to determine what they need to study and to solicit assistance from the instructor as needed. Students may contact the instructor by preferred method during campus hours M-F 0800-1700, scheduled office hours, and by appointment.

5. Students will be expected to utilize the online environment primarily through Canvas and Assessment Technology Institute (ATI) online learning system nursing products. In addition, other online learning environments may be utilized by the instructor.

   • If a student has access issues with off-campus connections, the student is responsible to contact the online entity to resolve the issue.
   • If a student has computer issues on their personal computer, the student is responsible for resolving the issue and must be prepared to have a back-up plan.

6. Students are expected to exhibit honesty and integrity.

   • Students are to work on assignments and submit work without any assistance from family, other students, or friends unless the instructor has authorized collaboration or group work.
   • Students are not to share, copy, or take a picture of assignments and/or share with other students. If it is discovered and confirmed the above was violated, disciplinary action will be taken up to and including program dismissal.

7. All assigned course work must be complete with submission on or before the due date as posted on the course calendar.

   • No assignment is optional.
   • If an assignment is late, the student will receive a "0" points in the grade book for the assignment.
   • Submission of every assignment must be complete before the end of the semester except for extenuating circumstances where the student receives a grade of Incomplete "I."

8. Students are expected to submit assignments electronically or manually with correct grammar, spelling, and punctuation.

   • If an assignment is submitted manually it must be neat and clean, without creases, stains, or smell of tobacco or perfume.

9. While in class, students must not make or receive phone calls, receive or send text messages, or participate in any way with media communication except as requested by the instructor. There will be no recording of the instructor at any time. Internet use is for course assignments and research only.

   • Refer to the Midland College Associate Degree Nursing Student Handbook policies: Electronic Communication Equipment and Professional Conduct.

Note: Virtual ATI points to be awarded after completion of 4 weeks of review at the 50% stage.

Points/Late Policy is the same as above.
Refer to Canvas course calendar and ATI Virtual calendar for assignment due dates. Students will be strongly encouraged to continue with the review to increase their chances of NCLEX success, but not required to complete Virtual-ATI in the weeks after course completion.

- **Texas State Board of Nursing Juris Prudence exam: 5 points.** The student will take the nursing Juris Prudence examination (NJE). This is a 50-question exam and the student must correctly answer 75% of the questions to pass the NJE. The student will have two (2) hours to complete the NJE. The NJE must be completed in one sitting. If the student has already successfully passed the Juris Prudence exam (i.e., LVN), the instructor will require another assignment in place of the Juris Prudence. Points/Late Policy is the same as above.

- **ATI Critical Thinking Exit Exam: 0 points.** The student prior to graduation will take the ATI Critical Thinking Exit Exam. There is no grade assigned to the exam, however, the student will complete the exam.

- **Attend and successfully complete the ATI 3 Day Virtual NCLEX review: 0 points.** As scheduled per course calendar, no absences will be allowed during the NCLEX review. The student must fully participate in the NCLEX review and be attentive to only NCLEX review. No other studying will be allowed. Only materials requested/required by NCLEX review will be allowed at the NCLEX review.

Attendance Policy

Refer to the Midland College Student Handbook.
Covid-19 addendum: Refer to Midland College Student Handbook.

Withdrawal Policy

Students who have enrolled in a Texas public institution of higher education as a first-time freshman in Fall 2007 or later are permitted to drop no more than six (6) courses during the entire undergraduate career. This limit includes all transfer work taken at a Texas institution of higher education and to second baccalaureate degrees. This statute was enacted by the State of Texas in Spring 2007 (Texas Education Code 51.907). Any course that a student drops after Census Day is counted toward the six-course limit if "(1) the student was able to drop the course without receiving a grade or incurring an academic penalty (2) the student's transfer

indicates or will indicate that the student was enrolled in the course; and (3) the student is not dropping the course in order to withdraw from the institution." Refer to Midland College Student Handbook

Scholastic Dishonesty:

Midland College does not tolerate scholastic dishonesty or academic misconduct in any form. Please read the Midland College Student Handbook on this subject.

Course Schedule:

A detailed course schedule will be provided to students at the start of the class. This class meets two hours per week each fall and spring semester. The exception is the 3 Day ATI Live Review Monday-Wednesday from 0900-1600.

Americans with Disabilities Act (ADA) Statement:

Midland College provides services for students with disabilities through Student Services. In order to receive accommodations, students must visit www.midland.edu/accommodation and complete the Application for Accommodation Services located under the Apply for Accommodations tab. Services or accommodations are not automatic, each student must apply and be approved to receive them. All documentation submitted will be reviewed and a "Notice of Accommodations" letter will be sent to instructors outlining any reasonable accommodations.

Continuity of Instruction Statement:

In the event that on campus activities are suspended due to extenuating circumstances, such as weather or quarantine, the instructor will continue instruction in a manner that best supports the course content and student engagement. In this event, your instructor will notify students of the change via canvas. At that time, they will provide details how instruction and communication will continue, how academic integrity will be ensured, and what students may expect during the time that on campus activities are suspended. If a student becomes unable to continue class participation due to extenuating circumstances, (e.g., health and safety, loss of power, etc.) the student should contact their instructor and advisor for guidance. Resources are available to students via the SOS program. Information can be found at https://www.midland.edu/services-resources/student-services/sos.php.

Grievances or complaints:

Concerns should be expressed as soon as possible to allow for early resolution. Midland College encourages students to discuss their concerns with their instructor first. If you feel uncomfortable discussing your situation with your instructor, students should discuss their concerns with the Chair of the appropriate department (Associate Degree Nursing Chair - Dian White 432-685-4594), then the Dean of Health Sciences and Math and Science - Dr. Miranda Poage (432-685-6745). If a resolution is still not possible, students may proceed with the formal complaint process.

Licensure Eligibility Notification:

Completion of Midland College degrees and/or certificates does not guarantee eligibility to take a certification/registry/licensure examination. The eligibility of each person is determined on an individual basis by the regulatory body of the specific discipline. If you have a conviction of a crime other than a minor traffic violation, physical or mental disability/illness, hospitalization/ treatment for chemical dependency within the past five years, current intemperate use of drugs or alcohol or a previous denial of a licensure or action by a licensing authority, you will need to contact the specific regulatory body for an individual ruling. Some programs require a criminal background check and urine and drug screen.

Inclement Weather:

Refer to Midland College Inclement Weather Policy.

Non-Discrimination Statement:

Midland College does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs and activities. The following individual has been designated to handle inquiries regarding the non-discrimination policies:

Wendy Kane
Title IX Coordinator/Compliance Officer
