The Department of Music is a member of the Texas Association of Schools of Music and offers courses corresponding to its recommended curriculum.

Music courses are open to all students. See Tuition and Fees section of this catalog for voice/instrument instruction charges.

Students planning to transfer to a particular university should arrange their programs to meet the requirements of the college to which they plan to transfer.

The courses listed below are suggested for students who wish to receive an associate degree at Midland College and transfer to a four-year college. An official degree plan should be filed the semester before graduation; please contact the Dean whose name is listed above.

The following is the suggested sequence of courses for this degree. A + indicates courses with a prerequisite or a co-requisite. However, courses that do not have a prerequisite do not have to be taken in order. For example, HIST 1301 does not have to be taken before HIST 1302 since 1301 is not a prerequisite for 1302. Nevertheless, the general sequence should still be followed. Part-time students may require more than four semesters to complete their degree or certificate.
