The provisions and information set forth in this brochure are intended for informational purposes only and are subject to modification without notice. For additional information see the college catalog, schedule of courses offered, and/or the Midland College website.

Midland College is an equal opportunity employer/educator.

Midland College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award certificates and associate and baccalaureate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4501 for questions about the status of Midland College.
The Cosmetology program prepares students for careers as licensed cosmetologists. Midland College is certified by the Texas Department of Licensing and Regulation as a cosmetology training provider, and the curriculum is designed to prepare students for successful completion of the Texas Cosmetology Operator and Cosmetology Instructor licensure examinations. Students receive hands-on training in an instructional salon environment under the supervision of licensed Cosmetology instructors. Specific areas of training include hair design, hair care, nail technology, skin care/facials, hair coloring, chemical reformation, and salon development. Instruction also includes supervised field trips and demonstrations by professional cosmetologists. The Cosmetology Operator program is a full-time program with limited enrollment; students must attend class from 8:00 a.m. to 5:00 p.m., Monday through Thursday.

The Operator Certificate consists of 42 semester credit hours and takes one year (12 months) to complete. Financial aid is available for tuition assistance.

Students who enroll in the Cosmetology program at Midland College and who already possess a current Texas Cosmetology Operator Certificate are eligible to receive automatic college credit for courses in the Operator Certificate.

To obtain additional program and financial aid information, please contact the program advisor at 686-4812. Interested program applicants will need to complete a Midland College Application for Admission, submit high school and/or college transcripts, and pass a reading comprehension exam which can be arranged through the program advisor.
