Certificate I/II	241	213	211	144	175
Bachelor of Applied Technology	21	12	25	20	19
Texas Core Curriculum Complete	341	300	400	357	315
Total Completions	1048	902	1099	962	960

Goal: Maintain or increase completion

3, 4, and 6 Year-Graduation Rates

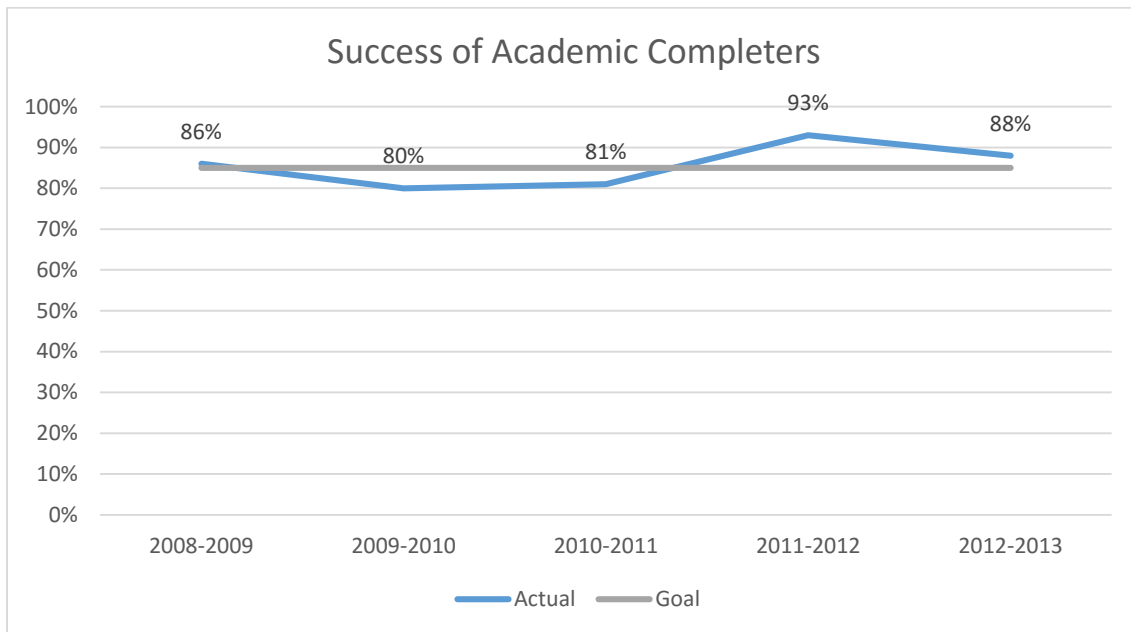

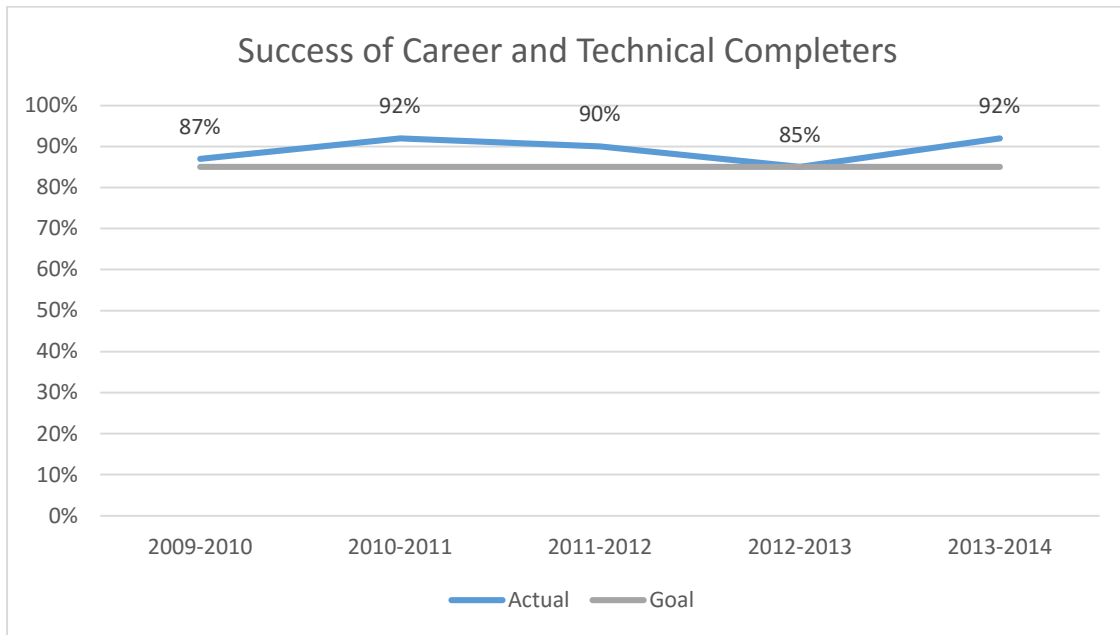

The rates below refer to first-time, full-time degree seeking students that began in the cohort year listed.

Goal: Exceed state graduation rates.

Graduate Success (Placement)

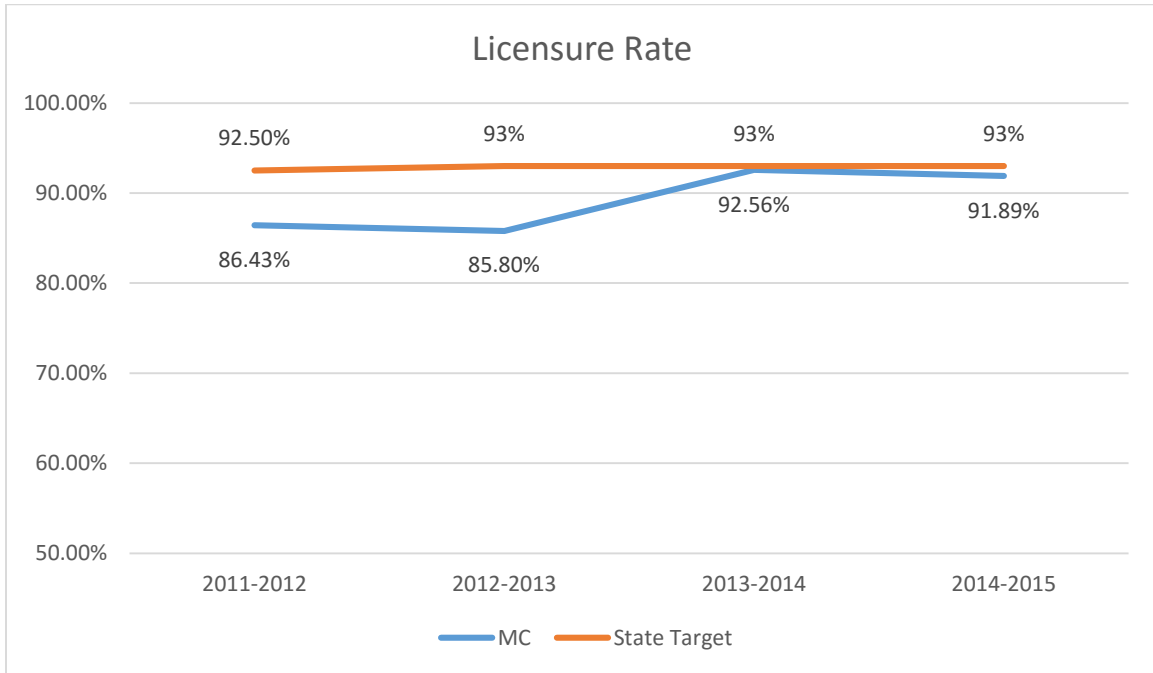

The charts below reflect students who became employed in a field related to their major and/or transferred to another institution.

Goal: 85%

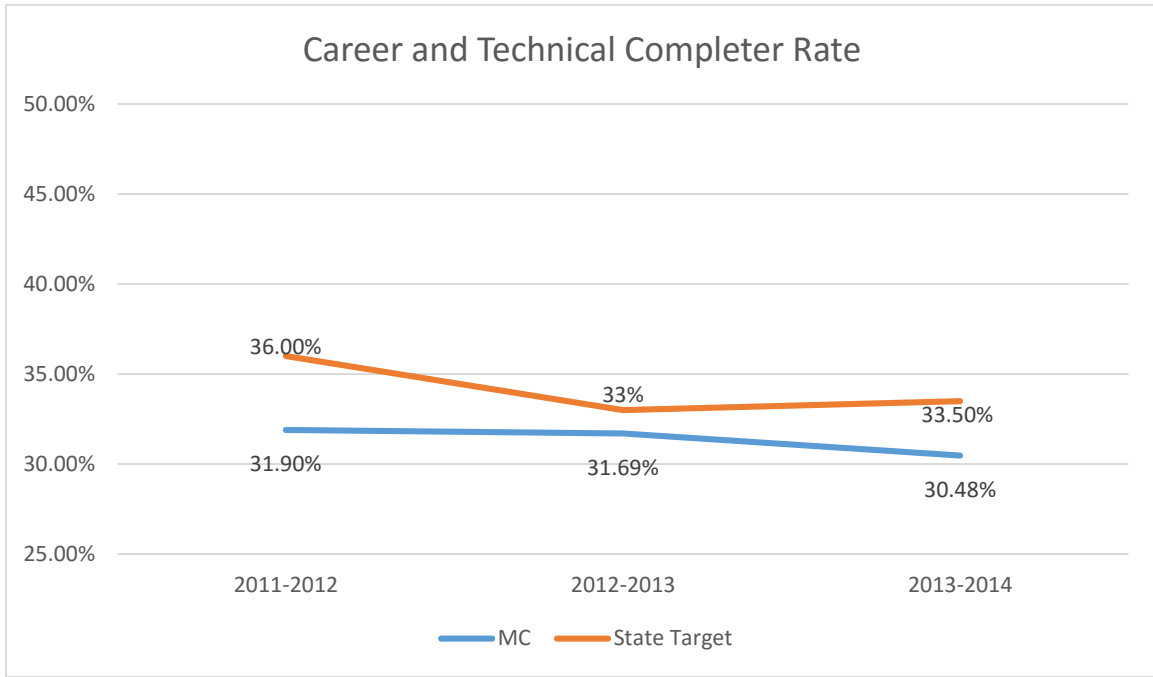

State Licensure (Career and Technical Majors)

The chart below reflects CTE students who passed technical skill assessments that are aligned with industry-recognized standards, if available and appropriate, during the reporting year.

Goal is based on the State Target, set by THECB in Perkins Data Resources.

Career and Technical Completer Rate

Goal is based on the State Target, set by THECB in Perkins Data Resources.
