

McCormick Gallery Presents Caricatures by Dr. Stan Jacobs

This summer's exhibit at McCormick Gallery, located in the Allison Fine Arts Building on the Midland College campus, will feature caricatures by Associate Vice President of Instruction Dr. Stan Jacobs.

Over the years, Dr. Jacobs has had the pleasure of drawing caricatures of various people in the Midland community. If you have been one of the fortunate people who are in possession of a Stan Jacobs caricature and would be willing to have it displayed on the walls of McCormick Gallery this summer, please contact Gallery Director J. Don Wallace (685-4770, jwallace@midland.edu). A copy of the caricature will be made for display purposes, and you can retain the original one.

Dr. Jacobs will be retiring in August after 41 years of service to MC. The light-hearted caricature exhibit will allow the community a chance to smile once again as we reflect upon the career of MC's first art instructor, a cherished MC administrator and a Midland legend.
