Midland College
Syllabus
POFT 2431
Administrative Project Solutions

Course Description:
Students will use advanced concepts of project management and office procedures integrating software applications, critical thinking, and problem-solving skills. Prerequisites: ITSW 1301, ITSW 1404, ITSW 1407, ITSW 1410 and instructor permission.

Required Participation:
Students MUST actively participate by completing an academic assignment required by the instructor by the official census date. Students who do not actively participate in an academically-related activity will be reported as never attended and dropped from the course.

Text, References, and Supplies:
1. Integrated Computer Projects by Lloyd D. Brooks. EMC Paradigm. ISBN:0763818992. Should you choose to purchase your textbooks somewhere other than the college bookstore you should always check with the instructor first to make sure that there has not been a change in books and that you are purchasing the complete package used for the course.
2. USB Flash drive for saving your work.

Students Learning Outcomes and Core Competencies:
1. Students will manage business projects using technology.
2. Students will use critical thinking.
3. Students will use problem-solving skills.

Student Contributions, Responsibilities and Class Policies:
Students will be expected to comply with the policies outlined in the Midland College Catalog. Instructor policies concerning attendance and academic behavior are consistent with the policies in the student handbook. Regular attendance is required to do well in this class. Students will be evaluated based on the results of examinations given throughout the semester.

Students are expected to participate in class regularly. It is the student’s responsibility to log into Canvas. All due dates can be found on the course schedule posted in Canvas. Students are expected to behave in a manner that will not interfere with the learning process.

The last day for withdrawal is published in the Midland College catalog and the current course schedule. To drop a course, the student must complete an official withdrawal form with Student Services.

Midland College does not tolerate scholastic dishonesty or academic misconduct in any form. Please read the Midland College Catalog.
**Cell Phones:** Students should silence or turn off cell phones during class time. If you receive a call you must take, step out of the classroom to answer. Texting, social networking, gaming or any other type of cell phone activity is not permitted during class time. **Students should not use their cell phones at all while completing exams.**

**Communication is important!** If you have a problem that is interfering with your successful completion of this course, please contact the instructor. Students are encouraged to contact the instructor at any time; however, making an appointment will guarantee the instructor’s availability at a specific time.

**Evaluation of Students:**
Upon completion, your performance objective scores will be translated to percentages and the percentages to grades. Assignments will be evaluated and a score assigned. The score will be expressed as a percentage of possible points earned. Percentages are converted to grades and will be assigned as follows:

\[<70\% = F, \; 70\% - 79\% = C, \; 80\% - 89\% = B \; \text{and} \; 90\% - 100\% = A\]

<table>

**Assignments:**
All assignments have a due date. No late submissions will be accepted. Feedback will be given through Canvas within a week of the due date of the assignment.

**Course Schedule:**
This class meets for an equivalent of 3 contact hours per week. For a tentative schedule of the class material and specific due dates of assignments to be covered, please refer to the schedule provided under Schedule and Syllabus Module in Canvas.

**Canvas:**
It is important for you to log into Canvas every day.

**Americans with Disabilities ACT (ADA):**
Any student who, because of a disabling condition, may require some special arrangements in order to meet course requirements should contact Shep Grinnan as soon as possible. Mr. Grinnan’s office is located in the Scharbauer Student Center Building. These conditions may include documented physical or educational disabilities. Please be aware that services or accommodations are not automatic. Each student must request them and secure the proper authorizations/documentation.

**Division Information:** Applied Technology
Division Dean: Curt Pervier 143 TC (432) 685-4677
Program Chair: Sylvia Brown 124 TC (432) 685-4717
Division Secretary: Lisa Tanner 143 TC (432) 685-4676
