Student Contributions and Class Policies:
The Helen L. Greathouse Children’s Center, located at Midland College, is designated as the primary lab site for the completion of lab observations and assignments as specified by the instructor. The Midland College Child Care Center located at Manor Park, Inc., or other sites may be used upon instructor’s approval prior to the completion of lab experiences.

The student is assigned a faculty advisor who will guide the external experiences. The student is expected to participate in general training and experiences in the workplace. This may be for pay or no pay. The student, employer and course faculty advisor will evaluate goals and objectives. A completed notebook of course assignments will be submitted at the end of the class as well as a one page write up about the experience.

Notice Statement for Online Students:
Students enrolled in online courses MUST log in and actively participate by completing academic assignments required by the instructor by the official census date. Students who log in but do not actively participate in an academically-related activity will be reported as Never Attended and dropped from the course.

If you have questions or need assistance with addressing these requirements, please contact sgray@midland.edu.
