Course Description:
Students work in teams on instructor-approved industry-specific projects; teams will formulate an implementation plan using technology management skills to identify problems and formulate solutions. Prerequisite(s): Senior classification or approval of program director.

Students Learning Outcomes and Core Competencies:
This course is an upper division course for students that have met the admission requirements for upper division courses. This course covers:
The understand the challenges involved in managing organizations within cultural, political, legal, technological, and economic forces and its impact on the future growth of the organization.

Promote the ability to work as a team member through guidance, coordination and contribution towards team goals.

This course is an upper division course for students that have met the admission requirements for upper division courses. This course is designed to investigate the broad spectrum of organizational design and management issues that managers face today and will face in the future.

The basic principles and concepts of organizational design and management and will be presented in the lectures, class discussions, through the select readings and research. This course uses the case analysis skills as the focus of learning. Case analysis is the basis of student exercises that involve the student in the thought process for business and life.

This course will transfer to other community colleges and most four-year institutions in Texas. Prerequisite: None

Text, References, and Supplies:
*To be determined by the Instructor of record

Course Schedule:
This is a hybrid BAT class and will meet as agreed upon by the class and instructor. Assignments will be posted on the internet within the Discussion Board area for this course. This is NOT a flexible time course.

Required Participation:
For Online/Hybrid classes, students MUST actively participate by completing an academic assignment by the official census date. Students who do not do so, will be dropped from the course.

Attendance Policy:
Students MUST actively participate by completing an academic assignment required by the instructor by the official census date. Students who do not actively participate in an academically-related activity will be reported as never attended and dropped from the course.

Withdrawal Policy:
Requests for withdrawal must be made using the College's accepted withdrawal methods. Students must complete an official withdrawal form either in person in the Student Services office, online or by written request. Midland College reserves the right to decline approval of a withdrawal request for any reason. Such reasons may include, but are not limited to: submitting incomplete information on the request, not submitting current contact information for the student, not resolving any questions concerning the authenticity of the document, disciplinary actions, outstanding debts, TSI liability, etc.

Students who withdraw and have outstanding debts in any area of the College will not be given clearance to re-enroll until these debts are paid. Students who receive warning notices concerning non-attendance may complete the withdrawal request portion of the notice and return it to Student Services. TSI Liable students must meet with Dean of Adult or Developmental Education before withdrawing from TSI classes.
The last day for withdrawal for each registration period is published in the catalog and the current course schedule. Online withdrawal requests must be made on or prior to the dates listed.

**Scholastic Dishonesty & Academic Misconduct**

Academic dishonesty includes cheating, fabrication, plagiarism, and facilitating academic dishonesty. Disciplinary options include, but are not limited to, suspension and dismissal. (See the Midland College Student Handbook for a complete explanation of college policy).
