Filling Children’s Hearts…

The members of Midland College Students in Philanthropy will fill your child’s heart with the spirit of Christmas with a very special and personalized letter from Santa! Your children, grandchildren, nieces, nephews and loved ones will enjoy receiving a letter from Santa as he tells them how very special they are!

Please fill out the attached form for each individual child and send your completed “Santa” form, and $10 per letter donation to: Chelsea Burch, SSC 234, Midland College, 3600 N. Garfield, Midland, Texas 79705 by December 2, 2016.

Please call Chelsea Burch at 432.685.4528 or e-mail at cburch@midland.edu if you need additional information!

The Students in Philanthropy program is sponsored by the Abell-Hanger Foundation. A key goal of SIP is to raise funds and then redistribute them to deserving non-profit organizations in Midland. The students learn about “sharing and caring” for others by personally creating each “Santa Letter” for your loved ones. Thank you!

…with the Spirit of Christmas!
