1.) What classes (educational topics) would benefit your company that are not currently being offered by the Midland College PPDC?

2.) The PPDC has Distance Learning / Video Conferencing Equipment available for broadcasting educational events in from other locations and for broadcasting out.

What educational events or courses held outside of Midland would you like our Center to bring in via our interactive video conferencing equipment?

Is there an opportunity with your company for our Center to broadcast out educational events to field offices for those personnel that cannot travel to Midland (you would need to have video conferencing capability at a remote site)?

3.) Have you had any negative feedback on any of the programs/classes that your employees have attended at the PPDC? If so, please explain.

4.) Does your company offer internships to high school or community college level students?

5.) Would your company be willing to donate any equipment, cut-outs, or any additional educational materials for use in PPDC training classes?

If not, would your company be willing to donate dollars to our Center to acquire oilfield equipment to be used in hands-on training for lease operators, instrumentation technicians, etc.?

6.) What technology topics would be timely for your company when our Center is considering new forums, symposiums, or workshops?

7.) What software training is most important for your personnel at this time?

8.) Do you have any other suggestions to make our Center more compatible with your training and educational needs?

9.) Does our frequency of emailing upcoming courses meet your needs?

Would you prefer a telephone call as well? If so, please list a contact person.

Please list any suggestions you have to help us improve our marketing efforts to your company for upcoming classes.
