## **Midland’s Legacy Scholarship Program - Volunteer Requirements**

- ✓ Students must complete at least forty (40) hours of community service per academic year.
- ✓ Students can begin to accumulate their volunteer hours after completion of their junior year in high school (beginning in the summer after their junior year).
- ✓ Students must perform their volunteer hours at an approved Legacy Volunteer Service Agency. You will find the approved agencies listed on the Midland College website at <http://www.midland.edu/legacy/agencies.php> . Only those agencies listed on the Midland College website are eligible locations for approved volunteer work for the Legacy Scholarship.
- ✓ Volunteer hours worked for probation requirements will not be accepted towards fulfilling the Legacy Scholarship requirements.
- ✓ Any volunteer hours worked at an agency which is not listed as a Legacy Volunteer Service Agency on the Midland College website will not count towards the Legacy Scholarship and will be denied.
- ✓ **CAUTION:** Because the Legacy Volunteer Service Agencies list is continually updated, all Legacy Scholarship applicants must refer directly to the Midland College website for the most current list of approved agencies.
- ✓ **CAUTION:** The Legacy Scholarship Program and the Texas Scholars Program are not related and use separate volunteer agency lists. Any questions you may have about the Texas Scholars Program may be directed to the Camp Fire offices at (432) 570-4144.
