Midland College is an Equal Opportunity Employer/Educator

January 14, 2010	8:30 am - 4:30 pm	
Thursday	Midland College PPDC	\$195
Course # Pending	Entrance: 105 W. Illinois, Midland	\$220 Out of State

To register, go to the PPDC Website: <http://www.midland.edu/~ppdc/pgtc-spring2010-listing.html#bottom> or call 432-683-2832.

This workshop will address all operating costs; well servicing, electrical power, chemical usage, water handling/injection/disposal, remote surveillance, tubular costs, and in general wellbore management. Each representative will address what they think is the most important role "they play" in minimizing operating costs. This workshop is "a joint effort" of different company's perspectives in controlling operating costs.
