

The Equity in Athletics Disclosure Act (EADA) was designed to make prospective students and prospective student-athletes aware of an institution of higher education's commitment to providing equitable athletic opportunities for its men and women students. The EADA requires the disclosure of information about varsity teams and the financial resources and personnel that the school dedicates to those teams. Any co-educational institution of higher education that participates in a federal student aid program must prepare an EADA report.

Institutions must also report data to the U.S. Department of Education via this online survey. This is a mandatory survey. Data collected in this survey is published by the Office of Postsecondary Education on the Equity in Athletics Data Analysis website located at <https://ope.ed.gov/athletics/#/>. In addition, the data collected in this survey is provided by institutions in accordance with the EADA and may not be the same as data used for determining compliance with other Federal or state laws, including Title IX of the Education Amendments of 1972.

Academic Year 2020 - 2021

Midland College Athletics

Midland College has six sports teams, baseball, softball, volleyball, men's golf, men's basketball, and women's basketball, participating in the NJCAC, Division I, Western Junior College Athletic Conference. Each year more than half of MC sports programs earn spots in postseason play, and graduation rates for student-athletes are higher than cohort averages.

Fall 2020 Enrollment Numbers (IPEDS)

Midland College had a total enrollment of 4737 (61% female and 39% male).

Athletically-Related Student Aid

Athletically related student aid is any scholarship, grant, or other form of financial assistance, offered by an institution, the terms of which require the recipient to participate in a program of intercollegiate athletics at the institution. Other student aid, of which a student-athlete simply happens to be the recipient, is not athletically related student aid.
