If you have a conviction of a crime other than a minor traffic violation, physical or mental disability/illness, hospitalization/treatment for chemical dependency within the past five years, current intemperate use of drugs or alcohol or a previous denial of a licensure or action by a licensing authority, you will need to contact the specific regulatory body ([http://www.dshs.texas.gov/lcdc/lcdc\\_rules.shtm](http://www.dshs.texas.gov/lcdc/lcdc_rules.shtm)) for an individual ruling. Some programs require a criminal background check and urine and drug screen.

**Confidentiality:**

These classes prepare you for a career in counseling. Some class discussions will deal with confidential material. Privileged information that is shared in class may under NO CIRCUMSTANCES be repeated or shared outside of the classroom (Canvas is considered a classroom in this case). In regards to written materials, your OWN feelings, opinions, and/or insights may be shared. You are training to be professionals, act as a professional and use professional **ethics**! If you question whether classroom information should be shared, **do not** share.

Discussions “glorifying” substance abuse will not be tolerated. After the first warning, the instructor may remove the student from the class for such behavior.

**Attendance Policy:**

It is the responsibility of the students to know the policies and procedures associated with absences. These policies are set by instructors. Excused absences may include, but are not limited to, illness, severe weather, and death in the family. Instructors will determine whether or not an absence is excused. Please visit the [Midland College Catalog](#)

**Withdrawal Policy:**

Students who have enrolled in a Texas public institution of higher education as a first-time freshman in fall 2007 or later are permitted to drop no more than six courses during the entire undergraduate career. This limit includes all transfer work taken at a Texas institution of higher education and to second baccalaureate degrees. This statute was enacted by the State of Texas in spring 2007 (Texas Education Code 51.907). Any course that a student drops after Census Day is counted toward the six-course limit if “(1) the student was able to drop the course without receiving a grade or incurring an academic penalty; (2) the student’s transcript indicates or will indicate that the student was enrolled in the course; and (3) the student is not dropping the course in order to withdraw from the institution.” Please visit the [Midland College Catalog](#)

**Scholastic Dishonesty:**

Midland College does not tolerate scholastic dishonesty or academic misconduct in any form. Please read the MC Student Handbook on this subject. Please visit the [Midland College Catalog](#)

**Course Schedule:**

See attached.

**Evaluation of Students:**

The student is ultimately responsible for his/her own learning and professional growth, what you put into it is what you will get out of it! It is your responsibility to conduct a realistic self-appraisal of what you personally need to master and how you can best attain it. Challenge yourself to grow as an

individual and a professional. Please respect the confidentiality of the classroom and discussions that are held.

The course will be graded in the following format:
