STUDENT CONTRIBUTIONS AND COURSE POLICIES

Class activities and assignments: The first few sessions will cover the basics of how to use a camera, develop film and print photographs. Students will bring three photographs to each class critique, and participate in a teacher directed peer review. Students receive credit for photographs and participation. A portfolio of ten mounted prints will be due as the final exam.

Attendance is important in this class. All absences are considered unexcused with the exception of the following situations: illness with a doctor's note, school sponsored activity with a written note, or death in the immediate family. Three consecutive absences or six total absences may result in failure of the course; the student's grade

will suffer due to unexcused absences. Please talk to the instructor if you have difficulty attending class.

Assignments are due at the beginning of class on the due date. Prints turned in late will receive only partial credit. If you miss a critique you lose credit for participation also, however, late work is better than no work.

Please turn off your cell phones and pagers during class.

EVALUATION OF STUDENTS

Each *critique* is included in determining your grade. Critiques are worth 10% of your total grade, the midterm is 10% and the portfolio is worth 40% for a potential of 100%. Students who accumulate a total of 90 or above will receive an A; 80-89 is a B; 70-79 is a C; 60-69 is a D; and below 60 is an F.

Projects will be evaluated by the following criteria:

Content - what is the objective; does the photograph communicate your intent?

Technique - how well is the image exposed, developed and printed?

Creativity - does the print show originality and an aesthetic quality?

You can receive full credit if the assignment is **completed correctly, on time**, and you participate in the **critique discussion**. If you wish to earn a grade of:

A: Attend class & complete assignments on time. Show integrity in your work. Excel.

B: Good results from assignments. Work is on time. Participation in critiques.

C: Average work and attendance. No extra effort evident.

D: Poor attendance and products. No real progress noticeable.

F: Come to class late, leave early, and don't turn in assignments.
