Specific learning objectives directly related to a technical discipline guide the student through the paid work experience. This course will transfer to other community colleges but will not transfer to most 4-year schools. This course may be used as an elective towards completion of the AAS - Law Enforcement degree only; this course cannot be used to fulfill requirements for the AS – Criminal Justice degree at Midland College.

NOTE: Enrollment in this course requires that you be employed by a law enforcement agency, a probation or parole office, a correctional facility, a prosecutor's office, or a county or district clerk's office. Employment must be for a minimum of 20 hours per week; it may be a paid or unpaid position with that employer.

TEXT: There is no text for this course.

COURSE GOALS/ OBJECTIVES:

Upon successful completion of this course, the student will:

- develop work-related goals;
- prepare and submit required documentation of work in a timely manner;
- analyze and discuss employee-related work and ethical issues;
- learn to work in a team to accomplish a goal or task;

PARTICIPATION STATEMENT

Students must dedicate themselves to learning while in college. You should follow the syllabus, read each chapter before it is discussed in class, and use effective study techniques (e.g. note taking, outlining the text, flash cards; study groups) to improve chances for success. Additional time is required for preparing for examinations and completing assignments. Attendance is important in all classes; a grade is given for attendance and participation. Students are encouraged to ask questions and, if necessary, meet with the instructor during office hours for additional help.

Portable cellular phones, beepers, and similar devices are disruptive to the class, and you are encouraged NOT to bring them into the classroom. If you do bring them to class, please make sure they are turned off. Should they become a nuisance, you will be asked to remove them from the classroom. You may bring beverages into the classroom, but may not eat during class or wear hats in the classroom. You are expected to be on time, and remain in class until the end. Coming

late and leaving early will affect your participation grade.

Students missing a major examination must make up the examination before the next class. Make-up examinations may be the same as, or different from, the examination given in class. Make-up examinations will cover the same material as the scheduled examination. Failure to make up an examination within the specified time will result in a grade of zero for the missed exam. Students missing class are responsible for finding out what was missed and getting the notes from another student. The instructor reserves the right to give quizzes, announced or unannounced, at any time. There is no opportunity to make up quizzes that are missed. Final exams are not given early or late.

For Online courses, students **MUST** actively participate by completing an academic assignment by the official census date. Students who do not do so, will be dropped from the course.

Notice: The instructor cannot drop students who stop attending or have an excessive number of absences. Missed work will be graded as zero and averaged into the final grade. It is your responsibility to drop a class if you no longer plan to attend and complete the semester. Check the Midland College catalog for last day to drop.
