Student Learning Outcomes:
Upon satisfactory completion of this course, the student will be able to:

1. Explain the workings of the systems in the human body particularly those systems which are likely affected in emergency care.
2. Recognize and meet the needs of emergency situations including (but not limited to) first aid care, emergency assistance, life support skills, EMS protocols, CPR, and AED.

3. Justify layperson and professional roles and responsibilities in emergency situations including but not limited legal ramifications, barriers to action, requirements for action, and psychological responses.

4. Explain and demonstrate skills for treating victims (but not limited to) musculoskeletal injuries, bleeding, choking, and environmental emergencies.

5. Explain and demonstrate skills for respiratory distress including (but not limited to) CPR, rescue breathing, obstructed airway, and usage of an AED device.

6. Promote safety and preventative educational methods that reduce the risk of injury, accidents, and life-style related diseases.

**Student Contributions, Responsibilities and Class Policies:**

- Students will be expected to comply with the policies outlined in the Midland College Catalog. Instructor policies concerning attendance and academic behavior are consistent with the policies in the catalog. Regular attendance is required to do well in this class.

- Students will be evaluated based on the results of assignments and examinations given throughout the semester. Your instructor will inform you on the first day of class as to the tentative dates and content for each exam and the expected content of the notebook. The last day for withdrawal is published in the catalog and the current course schedule. To drop a course, the student must complete an official withdrawal form with Student Services.

- No late work will be accepted. Students are expected to complete each exam, quiz, lab assignment by the due date given by the instructor.

**Attendance Policy:**
It is the responsibility of the students to know the policies and procedures associated with absences. These policies are set by instructors. Excused absences may include, but are not limited to, illness, severe weather, and death in the family. Instructors will determine whether or not an absence is excused. Please visit the [Midland College Catalog](#).

**Withdrawal Policy:**
Students who have enrolled in a Texas public institution of higher education as a first-time freshman in fall 2007 or later are permitted to drop no more than six courses during the entire undergraduate career. This limit includes all transfer work taken at a Texas institution of higher education and to second baccalaureate degrees. This statute was enacted by the State of Texas in spring 2007 (Texas Education Code 51.907). Any course that a student drops after Census Day is counted toward the six-course limit if “(1) the student was able to drop the course without receiving a grade or incurring an academic penalty; (2) the student’s transcript indicates or will indicate that the student was enrolled in the course; and (3) the student is not dropping the course in order to withdraw from the institution.” Please visit the [Midland College Catalog](#).

**Scholastic Dishonesty:**
Midland College does not tolerate scholastic dishonesty or academic misconduct in any form. Please read the Student Rights & Responsibilities section in the [Midland College Catalog](#) for more information.

**ADA Statement:**
Midland College provides services for students with disabilities through Student Services. In order to receive accommodations, students must place documentation on file with the Counselor/Disability Specialist. Students with disabilities should notify Midland College prior to the beginning of each semester.

Student Services will provide each student with a letter outlining any reasonable accommodations. The student must present the letter to the instructor at the beginning of the semester. Please visit [Midland College Disabilities Services](#).
