Notice: Students MUST actively participate by completing an academic assignment required by the instructor by the official census date. Students who do not actively participate in an academically-related activity may be reported as never attended and dropped from the course.

Course Description:
This course is designed to develop and review the algebra skills of students. This course will permit students to become more proficient in the areas of fundamental algebraic operations, exponents, simple factoring, solving linear and quadratic equations, graphing linear equations and functions, word problems, polynomial factoring, rational expressions, rational exponents, radicals, complex numbers, quadratics.

Text, References and Supplies:
Materials will be provided in class.

Student Learning Outcomes:
After successful completion of this course students will be able to:
• Use the language of algebra.
• Simplify algebraic expressions.
• Solve and graph linear equations and inequalities.
• Solve quadratic equations.
• Create mathematical models.
• Use appropriate algebra terminology.
• Work problems related to: relations and functions, inequalities and equations, factoring polynomials, rational expressions, quadratics, complex numbers, graph linear and nonlinear equations, and inequalities.
• Create and solve mathematical models.

Student Contributions, Responsibilities and Class Policies:
Students are expected to arrive punctually and participate in class. Students should behave in an appropriate manner so as not to interfere with learning. (Determined by the instructor) Cell Phones and pagers should be silenced and put away throughout class time. DO NOT leave them out on your desk. If an emergency is anticipated, please let me know before class. Students should NOT leave class to take phone calls and texts. Students will have cell phones taken up or asked to leave class if inappropriate behavior continues.
**Attendance Policy:**
It is the responsibility of the students to know the policies and procedures associated with absences. These policies are set by instructors. Excused absences may include, but are not limited to, illness, severe weather, and death in the family. Instructors will determine whether or not an absence is excused. Please visit the [Midland College Catalog](https://midlandcollegecatalog.com).

**Withdrawal Policy:**
Students who have enrolled in a Texas public institution of higher education as a first-time freshman in fall 2007 or later are permitted to drop no more than six courses during the entire undergraduate career. This limit includes all transfer work taken at a Texas institution of higher education and to second baccalaureate degrees. This statute was enacted by the State of Texas in spring 2007 (Texas Education Code 51.907). Any course that a student drops after Census Day is counted toward the six-course limit if “(1) the student was able to drop the course without receiving a grade or incurring an academic penalty; (2) the student’s transcript indicates or will indicate that the student was enrolled in the course; and (3) the student is not dropping the course in order to withdraw from the institution.” Please visit the [Midland College Catalog](https://midlandcollegecatalog.com).

**Scholastic Dishonesty:**
Midland College does not tolerate scholastic dishonesty or academic misconduct in any form. Please read the MC Student Handbook on this subject. Please visit the [Midland College Catalog](https://midlandcollegecatalog.com).

**Evaluation of Students:**
This course is a 16-week support course co-requisite to Math 1314 for students who have completed Math0481. It includes materials that will be taught prior to beginning the MATH1314 as well as just in time teaching throughout the semester.

**Intellectual Competencies:**
1. Reading - Understanding the material incorporated in the text used in this course will require the student to analyze and interpret various mathematical concepts.
2. Listening - The primary teaching methods used in this course are discussion and lecture. Understanding the oral presentation of material will require the student to analyze and interpret various mathematical concepts.
3. Critical Thinking - Critical thinking, as exemplified by problem solving, is inherent in the study of any scientific discipline. Mathematical problems will be considered, discussed, and analyzed in this course.

**Course Schedule:**
This course will cover additional curriculum from the Math 1314 textbook.

**Course of Study:**

<table>
<thead>
<tr>
<th>Lesson 1</th>
<th>Real Numbers</th>
</tr>
</thead>
<tbody>
<tr>
<td>Lesson 2</td>
<td>Algebra Essentials</td>
</tr>
</tbody>
</table>
Lesson 3  Geometry Essentials
Lesson 4  Polynomials
Lesson 5  Factoring Polynomials
Lesson 6  Synthetic Division
Lesson 7  nth roots; Rational Exponents
Lesson 8  Linear Equations
Lesson 9  Solving Inequalities
Lesson 11  Problem Solving: Interest, Mixture, Uniform Motion
Lesson 12  Lines; Slope, Equations
Lesson 13  Multiplication and Division of Fractions

ADA Statement:
Midland College provides services for students with disabilities through Student Services. In order to receive accommodations, students must place documentation on file with the Counselor/Disability Specialist. Students with disabilities should notify Midland College prior to the beginning of each semester. Student Services will provide each student with a letter outlining any reasonable accommodations. The student must present the letter to the instructor at the beginning of the semester.

Midland College does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs and activities. The following individuals have been designated to handle inquiries regarding the non-discrimination policies:
**Tana Baker, Title IX Coordinator/Compliance Officer, 3600 N. Garfield, SSC 242, Midland, TX 79705, (432) 685-4781, tbaker@midland.edu; Natasha Morgan, Director Human Resources/Payroll, 3600 N. Garfield, PAD 104, Midland, TX 79705, (432) 685-4534, nmorgan@midland.edu.** For further information on notice of non-discrimination, visit [http://wdcrobp01.ed.gov/CFAPPS/OCR/contactus.cfm](http://wdcrobp01.ed.gov/CFAPPS/OCR/contactus.cfm) or call 1 (800) 421-3481.

Spanish

Midland College no discrimina por motivos de raza, color, nacionalidad, sexo, discapacidad, o edad en sus programas o actividades. Las siguientes personas han sido designadas para responder a cualquier pregunta o duda sobre estas políticas no discriminatorias: Tana Baker, Title IX Coordinator/Compliance Officer, 3600 N. Garfield, SSC 242, Midland, TX 79705, (432) 685-4781, [tbaker@midland.edu](mailto:tbaker@midland.edu); Natasha Morgan, Director Human Resources/Payroll, 3600 N. Garfield, PAD 104, Midland, TX 79705, (432) 685-4534, [nmorgan@midland.edu](mailto:nmorgan@midland.edu). Para más información sobre estas políticas no discriminatorias, visite [http://wdcrobp01.ed.gov/CFAPPS/OCR/contactus.cfm](http://wdcrobp01.ed.gov/CFAPPS/OCR/contactus.cfm) o llame al 1 (800) 421-3481.
Math/Science Division Information:
Division Dean: Dr. Margaret Wade 125 AHSF 432-685-4615
Dept. Chair: Mrs. Gena Nicholson 119 MHAB 432-685-6803
Division Secretary: Ms. Sarah Anderson 124 AHSF 432-685-6896
Division Clerk:
