COURSE DESCRIPTION
The class is designed to remediate students in 16 hours to transition to the next level of developmental English/reading. Classes are offered at all levels of developmental reading/writing placement. STUDENT LAB POLICIES

1. Attendance: The student will be responsible for attending the Language Hub each evaluation period. Reading/Writing lab is required for all students enrolled in developmental reading and writing class.
2. Evaluation Grading Period: There are four evaluations over the semester. The grading period for the lab evaluation is approximately every week in IRWD 0381 and every third week in IRWD 0380. It involves attendance in the Language Hub as well as time monitored through online work. It is measured by time spent in the lab and by grades made on the completed assignments.
3. Cheating: If a student is caught cheating, the student will receive a zero and be asked to leave the lab. Additional steps according to the Midland College cheating policy will then be taken.
4. Late work: No late work accepted. Lab assignments may be made up IF arrangements are made in advance by the student. Assignments more than one week late will not be accepted.
5. Any behavior that disrupts the order of the lab will be reported to the Dean of Students for necessary action. Respect for yourself and your classmates and personal responsibility are the two guidelines. There is no food or drink allowed in the lab. Also, there are no cell phones, pagers, music devices...
(iPods/mp3s), electronic games or personal headphones allowed. No picture, voice, or video recording is allowed without permission of the lab coordinator. NO vulgar language or disrespect will be tolerated. The student may be removed from the lab for not following the rules, resulting in loss of credit for attendance.

2. Appropriate work on assignments as directed by lab instructor.

Academic Dishonesty
Midland College, as well as the instructor, has strict guidelines for cheating, plagiarism, and computer usage. Plagiarism will result in a failing grade on that assignment. A second offense may result in a failing grade for the course. The Student Handbook ("Scholastic Dishonesty and Academic Misconduct") defines and discusses academic dishonesty; please refer to it for additional information.

INSTITUTIONAL ACCESSIBILITY STATEMENT

ADA Statement— The Americans With Disabilities Act (ADA) and Section 504 of the Rehabilitation Act require that no otherwise qualified person with a disability be denied access to, or the benefits of, or be subjected to discrimination by any program or activity provided by an institution or entity receiving federal financial assistance. It is this Section 504 mandate that has promoted the development of disability support service programs in colleges and universities across the country. Subpart E of Section 504 deals specifically with this mandate for institutions of higher education. While it does not require that special educational programming be developed for students with disabilities, it does require that an institution (public or private) be prepared to make appropriate academic adjustments and reasonable accommodations in order to allow the full participation of students with disabilities in the same programs and activities available to nondisabled students.

Midland College provides services for students with disabilities through Student Services. In order to receive accommodations, students must place documentation on file with the Counselor/Disability Specialist. Students with disabilities should notify Midland College prior to the beginning of each semester. Student Services will provide each student with a letter outlining any reasonable accommodations. The student must present the letter to the instructor at the beginning of the semester.
