What if I want to report something, but I know I broke a rule under the student code of conduct?

Use of alcohol and drugs significantly increases the likelihood of sexual assault. **BUT IS NOT** the cause of sexual assault.

Midland College encourages the reporting of sexual assault whenever it occurs. Sometimes victims or bystanders are reluctant to report to college officials for fear of being charged with policy violations, such as underage drinking or consumption of illegal drugs at the time of the incident.

To encourage reporting of sexual assault, Midland College offers victims of sexual violence immunity from being charged with policy violations related to the particular incident.

And for bystanders/witnesses, Midland College may offer immunity from additional policy violation charges related to the particular incident.

What should I do if I am sexually assaulted or know someone who has been sexually assaulted?

- Get to a safe place
- Contact someone who can help you—a friend, 911 or Midland Rape Crisis 432-682-7273 (an advocate can meet you at the hospital to bypass ER registration)
- Do not shower, drink/eat, douche or change your clothes
- Get medical attention
- Write down everything that you remember happening in as much detail as possible
- Contact the Title IX Coordinator to help you with your immediate needs regarding your rights as a student and help you with supportive measures while receiving your education.
