Policy DC

Faculty or classified employees who terminate employment, and are later re-hired, may be placed on the appropriate salary schedule at Step 10 or below; however, the step may not exceed the step the employee held at the time of termination. The President must approve the step placement.

Contract and Noncontract Employment

Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact the Human Resources/Payroll department if you have any questions regarding reverification of employment authorization.

**Searches and Alcohol and Drug Testing**

*Policy CR, DHB, See Appendix B*

Noninvestigatory searches in the workplace including accessing an employee’s desk, file cabinets, work area, or College-owned technology to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the College reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The College may search the employee, the employee’s personal items, and work areas including College-owned technology resources, lockers, and private vehicles parked on College premises or work sites or used in College business.

This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Faculty, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists and at random. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty. Testing may be conducted following accidents. **Workload and Work Schedules**  
*Policies DEA, DJ*

**Professional Employees.** Faculty, administrators, and other professionals are exempt from overtime pay and are employed according to the work schedules set by the College. Notice of work schedules including start and end dates and scheduled holidays will be distributed each academic year.

**Support and Auxiliary Employees.** Support employees and some part-time professionals are considered nonexempt workers and receive notification of the required work schedule, hours of work, and holidays for their position on an annual basis. Nonexempt employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. See *Overtime Compensation* for additional information.
Work Hours
Policy DEA

The workweek for full-time employees is Monday through Friday, eight hours per day generally from 8 a.m. to 5 p.m. unless another schedule has been approved with a one-hour lunch break. The summer workweek changes to a nine-hour workday Monday through Thursday generally from 7:30 a.m. to 5:30 p.m. unless another schedule has been approved with a one-hour lunch break. A lunch break is not compensated. Each full-time employee is allowed a morning and afternoon break, not to exceed 20 minutes.

Travel – Determining Compensable Time for Nonexempt Employees
DEA, See Appendix C

Employees in positions classified as nonexempt (overtime eligible) under the Fair Labor Standards Act may be eligible for compensation for the time they spend traveling. The compensation that an employee receives depends on the kind of travel and whether the travel time takes place within normal work hours. See [Appendix C] for additional information.

Breaks for Expression of Breast Milk
Policies DG

The College supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

Outside Employment
Policy DBD, DBF, See Appendix D – Outside Employment Form

Employees shall disclose in writing on the Notification of Outside Employment Form (Form) any outside employment. This form shall be submitted to the employee’s supervisor prior to engagement in outside employment and annually each September thereafter. Form should be submitted up the chain of command to the appropriate Administrative Council Member. Executed Form should be submitted to the Human Resources/Payroll department for inclusion in employee’s personnel file.

The outside employment must not in any way create a potential conflict of interest with the proper discharge of assigned duties and responsibilities or with the best interest of the College.
Performance Evaluation  
*Policy DL series, See Appendix E*

Evaluation of an employee’s job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee’s assigned job duties and other job-related criteria including end-of-course evaluation of faculty. All full-time employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the College. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Promotion  
*Policy DLC*

An employee who applies and is selected to a position at a higher skill level than his/her present position will be placed on the new skill level at the employee’s current step.

However, no employee will be placed at a higher step on the new skill level than his/her current step.

Demotion  
*Policy DLC*

An employee may be transferred to a job at a lower skill level than his/her present position. The employee will retain his/her salary until a step is reached for the new position where the salary would increase.
Compensation and Benefits

Salaries, Wages, and Stipends

*Policies DE, DEA*

Employees are paid in accordance with administrative guidelines and an established pay structure. The College’s pay plans are reviewed by the administration each year and adjusted as needed. All College positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See [Overtime Compensation](#).)

Faculty who teach courses in addition to a regular course load and exempt employees who perform supplemental duties may be paid a stipend in addition to their salary according to the College’s stipend schedule.

Employees should contact the Human Resources/Payroll department for more information about the College’s pay schedules or their own pay.

Salary Progression

*Policy DEA*

**Classified Personnel.** A new employee of the College will normally be placed on Step 1 at the appropriate level on the classified salary schedule. The employee will progress one step at the beginning of the fiscal year unless it is the employee’s first year and he/she was hired in June, July, or August.

During times of financial exigency, step progression may be suspended.

An employee may be placed on Step 2 when prior experience is considered of direct benefit to the College. Such experience must be documented in writing by the hiring supervisor, the experience must be directly related to the job for which they are being hired, and must be justified in light of the experience of all other employees in like jobs.

When an employee reaches the maximum salary step, annual salary increases cease unless an exception is granted by the President.

**Pre-K Teachers.** For purposes of initial placement on the salary schedule, step placement is determined by the creditable years of service as defined by the Texas Administrative Code §153.1021 and education level. The maximum placement on the salary schedule is step 10. The employee will progress one step at the beginning of the fiscal year unless it is the employee’s first year and he/she was hired in June, July, or August.

During times of financial exigency, step progression may be suspended.
Newly employed teachers will have 60 days from the date of hire to submit teacher service records to be considered for step placement on the salary schedule.

When an employee reaches the maximum salary step, annual salary increases cease unless an exception is granted by the President.

**Annualized Salary**
*Policy DEA*

All salaried employees shall be paid over 12 months, regardless of the number of months employed during the academic year.

Employees who are hired after January 1 and have less than a 12-month appointment may elect to have the pay prorated over the remaining portion of the fiscal year or for the period of appointment only. This election will only be given the first fiscal year and if reappointed the employee will be paid over a 12-month period starting the next fiscal year.

If a salaried employee terminates employment, the employee shall receive the balance of the unpaid salary earned on the regularly-scheduled payday corresponding with the approved effective date of resignation.

**Salary-Grant Personnel**
*Policy DEA*

Grant personnel will be paid according to College salary schedules and professional ranges.

**Reclassification**
*Policy DEA*

When duties and responsibilities of a job change significantly, the Human Resources/Payroll Director shall, during budget development, review the position for possible reclassification. Justification is required. This procedure may result in a classification of a higher or a lower level.

When the job is reclassified to a higher level, the incumbent will retain his/her step on the new level. If the reclassification results in a lower skill level, the incumbent’s salary will not be adjusted. However, his/her step and salary will remain unchanged until the salary schedule is adjusted where an increase in salary would occur at that step. Subsequently, annual step increments resume.

**Paychecks**

All professional, salaried, adjunct faculty, and hourly employees are paid monthly. Classified employees and game-management employees are paid semi-monthly. Paychecks will not be released to any person other than the College employee named on the check without the employee’s written authorization.
An employee’s payroll statement contains detailed information including deductions and withholding information. Copies of payroll statements and schedule of pay dates are available on Payroll Advisor https://mymcportal.midland.edu/ics.

**Direct Deposit**

Employees can have their paychecks electronically deposited into a designated account or to multiple accounts. Contact the Human Resources/Payroll department for more information about direct deposit.

**Payroll Deductions**

*Policy CDDA*

The College is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS), optional retirement program (ORP), or a FICA-alternative plan (PTSA) selected by the College
- Federal income tax
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance, if applicable
- Delinquent federal education loan payments, if applicable
- English proficiency course costs, if applicable
- Garnishments required by state or federal law (i.e. bankruptcy, tax levy), if applicable

- Employee’s share of premiums for health, dental, life, vision insurance, or other insurance coverages for which the College offers
- Annuities
- United Way
- Midland College Foundation
- Midland College programs

- 403(b) Loans obtained prior to 8/25/2016

Salary deductions are automatically made for unauthorized or unpaid leave.

**Overtime Compensation**

*Policies DEA, DEC*

The College compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees or hourly employees are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action.
Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee’s regular work schedule. Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours. For the purpose of calculating overtime, a workweek begins at 12:00 a.m. Monday and ends at 11:59 Sunday.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 240 hours of comp time. Once the limit has been reached, the employee may be required to use the comp time or may receive overtime pay for additional hours.
- Use of comp time may be at the employee’s request with supervisor approval, as workload permits, or at the supervisor’s direction.
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

### Travel Expense Reimbursement

*Policy DEE*

Before any travel expenses are incurred by an employee, the employee’s supervisor must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the College. Travel expenditures paid by a federal or state grant will be limited to the allowable amount as specified by the specific program. Employees must submit receipts to be reimbursed for allowable expenses other than mileage. Expenses for meals associated with authorized travel not related to a state or federal grant will be paid on a per diem basis. No receipts are required for expenses paid on a per diem basis.

### Full-Time Employee Benefits

*Policy DE*

Full-time employees who customarily work at least 40 hours per week, shall have the option to receive the following employer-paid benefits upon meeting eligibility requirements of the Texas Employees Group Benefits Program (GBP), if applicable:

Health, Dental, and Life Insurance
Policy CKD, See Appendix F – PTOB Form

Group health insurance coverage is provided to regular full-time employees through the Employee Retirement System (ERS), Texas Employee Group Benefits Program (GBP). The College contributes the full employee insurance premium and half the premiums applicable to the employee’s dependents. Tobacco users are subject to additional premiums that are not covered by the College.

Qualifying adjunct faculty may participate in the program, but the College will not contribute to the employee premiums. Adjunct faculty members must meet several criteria to be eligible for GBP benefits. They must:

• Receive compensation for services rendered to the institution;
• Have taught at the College in the preceding academic year and;
• Have taught at least one course in the regular fall and spring semesters during the preceding academic year.

Qualifying part-time employees and adjunct faculty may participate in the program, and the College will contribute a portion to the employee and dependent insurance premium. See Appendix F for Guidelines and Request for Approval of Part-Time Employee Working Over 19 Hours Per Week (PTOB Form) for eligibility criteria and amount of employer contributions to premiums.

The GBP includes medical, dental, term and accidental life, and short- and long-term disability, vision insurance as well as prescription drug coverage. The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or within the first 31 days of the event when they experience a qualifying event (e.g., marriage, birth, divorce). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are located in the ERS Employee Benefits guide located on the College website https://www.midland.edu/audiences/faculty-staff/hr/benefits.php. Employees should contact the Human Resources/Payroll department for more information.
Supplemental Insurance Benefits
Policy CKD

At their own expense, employees may enroll in supplemental insurance programs for AFLAC cancer, critical illness and hospital insurance. Premiums for these programs can be paid by payroll deduction. Employees should contact the Human Resources/Payroll department for more information.

Cafeteria Plan Benefits (Section 125)
Policy CDDA

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., health, tobacco user premium, accidental death and dismemberment, dental, vision, HCRA, DCRA, HSA and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Workers’ Compensation Insurance
Policy CKE

The College, in accordance with state law, provides workers’ compensation benefits to employees who suffer a work-related illness or are injured on the job. The College has workers’ compensation coverage from the Texas Association of School Boards (TASB), effective 9/1/2005.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the Human Resources/Payroll department. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See Workers’ Compensation Benefits, for information on use of paid leave for such absences.

Unemployment Compensation Insurance
Policy CKF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year, including the summer break, if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Human Resources/Payroll department.
Retirement

*Policy DF*

All College employees shall be required to participate in a retirement program.

All personnel employed on a regular, half-time or more basis for at least four and one-half months or work for more than one full semester shall be members of the Teacher Retirement System of Texas (TRS), unless excepted by law.

Full-time faculty may choose to opt out of TRS and enroll in an optional retirement program (ORP). The option to enroll in the ORP must be made no later than the 90th calendar day of the first day of employment. Failure to elect the ORP during the 90-day election period shall be a default election into TRS.

An employee who is eligible to elect the ORP shall only have one opportunity during his or her lifetime, including any future periods of employment in Texas public higher education, to elect the ORP in lieu of TRS. The election may never be revoked. Therefore, new employees are urged to make this decision carefully.

Part-time employees who are not members of TRS or an optional retirement program shall be required to participate in a FICA-alternative plan (PTSA) selected by the College.

Employees who plan to retire should notify the Human Resources/Payroll department as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov).

Optional Retirement Program Supplemental Rate

*Policy DF*

The ORP participant and College make mandatory monthly contributions using percentages of salary that are established by the state legislature and subject to change. The College may provide a supplement to the state base rate under the following conditions:

**Amount of Supplemental Rate.** The supplemental rate may be any amount that, when added to the state base rate does not exceed the maximum employer rate established in the ORP statute.

**Grandfathered.** Each participant whose first date to participate in ORP in lieu of TRS at any Texas ORP employer, is prior to 9/1/1995, shall receive the same supplemental rate as other participants in this group, regardless of any break in service. This group of participants shall be referred to as the grandfathered group.

**Non-Grandfathered.** Each participant whose first date to participate in ORP in lieu of TRS at any Texas ORP employer is on or after 9/1/1995, shall receive the same supplemental rate as other participants in this group, regardless of any break in service. This group of participants shall be referred to as the non-grandfathered group.
Annual Determination. The amount of the supplemental rate shall be determined annually and approved by the College President to be effective for the entire year. There will be two different supplemental rates, one for the grandfathered group and one for the non-grandfathered group.

Leaves and Absences

Policies DEC series, DAAA, DECA, DECB, CKD, See Appendices I and J – Weekly Leave Request Form
See Appendix S for General Guidance and FAQ’s for Employees and Supervisors related to COVID-19

The College offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than three days should call the Human Resources/Payroll department for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the College.

Employees must follow College and department procedures to report or request any leave of absence and complete the appropriate form or certification.

Medical Certification. An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than three consecutive workdays because of personal illness or injury or illness or injury in the immediate family. If the employee is absent because of illness or injury in the immediate family, the medical certification shall certify the necessity for the employee to care for the individual and the individual’s expected length of recovery;

2. The College requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor;

3. The employee requests leave that would qualify for FMLA leave for the employee’s serious health condition or that of a spouse, parent, or child; or

4. The employee requests leave that would qualify for FMLA leave for military caregiver purposes.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

The College shall not approve the use of sick leave for an employee refusing to comply with a requirement to provide medical certification, and any resulting absences will be considered unapproved. In such case, employee shall be required to use an alternate form of paid leave, if available.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. Genetic information, as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
Continuation of Health Insurance. Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid or supplemented by the College as they were prior to the leave.

Employees on an approved unpaid leave of absence, other than family and medical leave, may continue their insurance benefits at their own expense. Otherwise, the College does not pay any portion of insurance premiums for employees who are on unpaid leave. This includes absences due to a work-related injury or illness.

Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, Employee Rights and Responsibilities Under the Family and Medical Leave Act. Specific information that the College has adopted to implement the FMLA follows this general notice.

Leave Entitlements. Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

• The birth of a child or placement of a child for adoption or foster care;
• To bond with a child (leave must be taken within 1 year of the child’s birth or placement);
• To care for the employee’s spouse, child, or parent who has a qualifying serious health condition;
For the employee’s own qualifying serious health condition that makes the employee unable to perform the employee’s job;

For qualifying exigencies related to the foreign deployment of a military member who is the employee’s spouse, child, or parent.

An eligible employee who is a covered service member’s spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the service member with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer’s normal paid leave policies.

**Benefits and Protections.** While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave. Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual’s FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

**Eligibility Requirements.** An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave; * and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee’s worksite.

**Requesting Leave.** Generally, employees must give 30-days’ advance notice of the need for FMLA leave. If it is not possible to give 30-days’ notice, an employee must notify the employer as soon as possible and, generally, follow the employer’s usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection.

Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.
Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

**Employer Responsibilities.** Once an employer becomes aware that an employee’s need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

**Enforcement.** Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

For additional information:

www.dol.gov/whd

**Local Family and Medical Leave Provisions**

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured backward from the date an employee uses FMLA leave.

**Use of Paid Leave.** FMLA leave runs concurrently with accrued paid leave, including compensatory time and personal leave, and absences due to a work-related illness or injury. The College will designate the leave as FMLA leave, if applicable, and notify the employee that accumulated leave will run concurrently.

**Combined Leave for Spouses.** Spouses who are employed by the College are limited to a combined total of 12 weeks of FMLA leave to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

**Intermittent Leave.** When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The College does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

**Fitness for Duty.** An employee that takes FMLA leave due to the employee’s own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. If certification of the employee’s ability to perform essential job functions is required, the
College shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider.

**Reinstatement.** On return from FMLA leave, an employee is entitled to be returned to the same position the employee held when leave began, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An employee is entitled to reinstatement even if the employee has been replaced or his or her position has been restructured to accommodate the employee's absence. However, an employee has no greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the FMLA leave period.

**Status Reports.** An employee on FMLA leave must contact the Benefits Coordinator via telephone or email on the 1st and 15th day of each month (or the first workday following the 1st and 15th, if those days fall on a weekend or holiday) to report on the status for the reason for the leave, the employee’s intent to return to work, and the expected date of return.

**College Contact.** Employees that require FMLA or have questions should contact the Human Resources/Payroll department for details on eligibility, requirements, and limitations.

**Workers’ Compensation Benefits**  
*Policy DEC*

An employee, absent from duty because of a job-related illness or injury, may be eligible for workers’ compensation weekly income benefits, if the absence exceeds seven calendar days.

An employee receiving workers’ compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers’ compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers’ compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage. During the workers’ compensation absence, the employee is not eligible for the College’s contribution to health insurance premiums and is responsible for paying the entire amount.

**Jury Duty**  
*Policy DEC*

Absences due to compliance with a valid subpoena or for jury duty shall be fully compensated by the College and shall not be deducted from the employee’s pay or leave balance. Employees may keep any compensation the court provides.

An employee should report a summons for jury duty to the supervisor as soon as it is received and may be required to provide the College a copy of the summons to document the need for leave.

Employees are required to return to work when released by the Court if there are at least two hours remaining in the employee’s shift.
Compliance with a Subpoena

*Policy DEC*

Absences due to compliance with a valid subpoena or for jury duty shall be fully compensated by the College and shall not be deducted from the employee’s pay or leave balance.

Truancy Court Appearances

*Policy DEC*

An employee, who is a parent or guardian of a child and any court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing, may use vacation leave, personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

*Policy DEC*

An employee may request to be absent for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the College. The employee may use any accumulated vacation leave, personal leave or compensatory time for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

**Faculty Members.** Faculty members are required to provide written notice of a list of religious holy days to be observed during the semester to the division dean. The notice may be delivered personally or by certified mail return receipt requested. Faculty are also required to provide advance notice to all students whose class would be canceled.

Unpaid Leave

*Policy DEC*

Upon approval by the College President an employee may request and be granted an unpaid leave of absence not to exceed six months. Leave may be approved for:

1. An illness or injury of an employee who is not eligible for FMLA leave or whose FMLA eligibility has expired.
2. Educational purposes.
3. Justifiable personal reasons.

Such leave shall not be counted as a break in service; however, the leave period shall not be counted in total years of service to the College District for purposes such as retirement benefits, vacation leave, salary, and the like.

An employee on an unpaid leave of absence shall not be entitled to state appropriations for benefits, after the 12 weeks of FMLA leave is used if unpaid FMLA leave. An employee may continue such coverage providing satisfactory arrangements are made in advance for payment of existing coverage in accordance with administrative regulations.
An employee who does not return to duty or is unable to return to duty after the exhaustion of all approved leave time is subject to termination. Before a decision is made to terminate, the College District shall consider the employee’s eligibility for reasonable accommodation of a disability under the Americans with Disabilities Act. [See DAA]

**Leave for Staff Development**

*Policy DK*

Professional development for staff which enhances the effectiveness of Midland College may be accomplished through a program of release time and payment of fees for approved course work.

**Guidelines:**

- For purposes of this policy, the designation of staff includes secretarial, maintenance and administrative personnel not primarily engaged in the instruction of students. The designation of staff also includes lab instructors.
- Fees will be paid for participation in Midland College courses only.
- In order to receive release time and/or payment of fees to participate in course work, a staff member must receive written approval from his/her immediate supervisor. Such approval should be copied to the Human Resources/Payroll department.
- Release time and/or payment of fees will only be granted for course work which is directly related to the staff member’s work responsibilities.
- Release time and/or payment of fees will only be granted for participation in one course at any given time. An employee may receive approval to participate in more than one course provided arrangements are made for equitable work-time compensation for the time taken for the additional course(s). Such arrangements should be in writing, signed by both supervisor and staff member, and submitted to the Human Resources/Payroll department.
- A staff member may not take the same course more than two times utilizing the benefits of release time and/or payment of fees.

**Employee Professional Development**

*Policy DK, See Appendix N – Professional Development Transcript Form*

Professional development is an important and essential component of institutional effectiveness at Midland College. All full-time employees are expected to annually upgrade their professional skills. This may be done in a variety of methods, formats, and locations. Part-time employees are also encouraged to engage in professional development and will be supported by Midland College in this endeavor to the extent possible. The College will annually provide a variety of on-campus opportunities for professional development.

There is a clear expectation that all full-time employees will engage in documentable professional development each year which will become a part of the employees’ annual evaluation assessment. A record of professional development should be maintained and provided to their supervisor each year and will be included as part of the employee’s performance evaluation. Professional development experiences provided by the College have approval in advance for all appropriate groups. All other professional development experiences must be directly related to the employee’s
duties and receive prior supervisor approval. These may be held on campus, in town, or out of town if funds are available.

Possible Examples of Professional Development:

- Seminars
- Workshops
- Conventions
- College courses - traditional classroom or online courses
- Web-Casts
- Independent study

Paid military leave is limited to 15 days each fiscal year.

**Reemployment after Military Leave.** Employees who leave the College to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the College will be reemployed provided they can be qualified to perform the required duties. **Complaints**

In this policy, the terms “complaint” and “grievance” shall have the same meaning.

**General Provisions**

**Filing**

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including e-mail and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

**Scheduling Conferences**

The College District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If the employee fails to appear at a scheduled conference, the College District may hold the conference and issue a decision in the employee’s absence.

**Response**

At Levels One, Two, and Three, “response” shall mean a written communication to the employee from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the employee’s e-mail address of record, or sent by U.S. Mail to the employee’s
mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

**Days**

“Days” shall mean College District business days, unless otherwise noted. In calculating time lines under this policy, the day a document is filed is “day zero.” The following business day is “day one.”

**Representative**

“Representative” means any person who or an organization that does not claim the right to strike and is designated by the employee to represent him or her in the complaint process.

The employee may designate a representative through written notice to the College District at any level of this process. If the employee designates a representative with fewer than three days’ notice to the College District before a scheduled conference or hearing, the College District may reschedule the conference or hearing to a later date, if desired, in order to include the College District’s counsel. The College District may be represented by counsel at any level of the process.

**Consolidating Complaints**

Complaints arising out of an event or a series of related events shall be addressed in one complaint. Employees shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

When two or more complaints are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, the College District may consolidate the complaints.

**Untimely Filings**

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the employee, at any point during the complaint process. The employee may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

**Costs Incurred**

Each party shall pay its own costs incurred in the course of the complaint.

**Complaint and Appeal Forms**

Complaints and appeals under this policy shall be submitted in writing on a form provided by the College District.

Copies of any documents that support the complaint should be attached to the complaint form. If the employee does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the employee unless the employee did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.

**Level One**

Complaint forms must be filed:
1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and

2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees shall file Level One complaints with their immediate supervisor. If the only administrator who has authority to remedy the alleged problem is the Level Two or Level Three administrator, the complaint may begin at Level Two or Level Three, respectively, following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the employee within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the appropriate Administrative Council member or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the College District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.
The Level Two administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents presented by the employee at Level One and identified in the Level Two appeal notice. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Level Two administrator may set reasonable time limits for the conference.

The Level Two administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Two administrator may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Level Two administrator believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may request a conference with the College President or designee to appeal the Level Two decision.

The appeal notice must be filed in writing, on a form provided by the College District, within ten days after receipt of a response or, if no response was received, within ten days of the response deadline at Level Two.

After receiving notice of the appeal, the Level Two administrator shall prepare and forward a record of the Level Two complaint to the Level Three administrator. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.

2. The written response issued at Level Two and any attachments.

3. All other documents relied upon by the Level Two administrator in reaching the Level Two decision.

The Level Three administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level Two. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level Two decision. The Level Three administrator or designee may set reasonable time limits for the conference.

The Level Three administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Three administrator may consider the Level One and Level Two records, information provided at the Level Three conference, and any other relevant
documents or information the Level Three administrator believes will help resolve the complaint.

Recordings of the Level One, Level Two, and Level Three conferences, if any, shall be maintained with the Level One, Level Two, and Level Three records.

If the employee did not receive the relief requested at Level Three or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the College District, within ten days after receipt of a response or, if no response was received, within ten days of the Level Three response deadline.

The College President or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The College President or designee shall provide the Board with a record of the Level Three complaint. The employee may request a copy of the Level Three record.

The Level Three record shall include:

1. The Level One record.
2. The Level Two record.
3. The written response issued at Level Three and any attachments.
4. All other documents relied upon by the Level Three administrator in reaching the Level Three decision.

The appeal shall be limited to the issues and documents considered at Level Three, except that if at the Level Four hearing the administration intends to rely on evidence not included in the Level Three record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The College District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BD]

The presiding officer may set reasonable time limits and guidelines for the presentation including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Four presentation. The Level Four presentation, including the presentation by the employee or the employee’s representative, any presentation from the administration, and
questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Three.

Discrimination, Harassment, and Retaliation
Policies DAA, DAAA, DH, DHC, DIAA, DIAB, FA, FFDA, FFDB

Employees shall not engage in prohibited discrimination, harassment, or retaliation, including sexual harassment and sexual violence, against other employees, prospective employees, former employees, unpaid interns or students. Employees also may not engage in prohibited discrimination, harassment, or retaliation against other persons including Board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action, including termination.

Report of Action Targeting Employees. An employee who believes he or she or another employee has been discriminated or retaliated against or harassed is encouraged to promptly report such incidents to the employee’s supervisor, the Title IX coordinator, Natasha Morgan, Director of Human Resources/Payroll, 3600 N. Garfield, PAD 140, Midland, TX 79705, nmorgan@midland.edu, (432) 685-4534, or the College President. An employee is not required to report prohibited conduct to the person alleged to have committed it. If the supervisor or College official is the subject of a complaint, the complaint may be directed to the College President or designee. A complaint against the College President, as appropriate, may be made directly to the Board.

Allegations of prohibited discrimination, harassment, retaliation, including sexual harassment, may also be reported electronically through the College’s website at https://www.midland.edu/about/public-info/discrimination-form.php. An electronic report may be submitted anonymously.

The College’s policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is reprinted below:

POLICY DIAA(LOCAL)
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION
SEX AND SEXUAL VIOLENCE

Note: This policy addresses employee complaints of sex and gender discrimination, sexual harassment, sexual violence, and retaliation. For legally referenced material relating to this subject matter, see DAA(LEGAL). For sex discrimination, sexual harassment, sexual violence, and retaliation targeting students, see FFDA.
Solely for purposes of this policy, the term “employee” includes former employees, applicants for employment, and unpaid interns.

The College District prohibits discrimination, including harassment, against any employee on the basis of sex or gender. Retaliation against anyone involved in the complaint process is a violation of College District policy.

Discrimination against an employee is defined as conduct directed at an employee on the basis of sex or gender that adversely affects the employee’s employment.

Sexual harassment is a form of sex discrimination defined as unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. Submission to the conduct is either explicitly or implicitly a condition of an employee’s employment, or when submission to or rejection of the conduct is the basis for an employment action affecting the employee; or
2. The conduct is so severe, persistent, or pervasive that it has the purpose or effect of unreasonably interfering with the employee’s work performance or creates an intimidating, threatening, hostile, or offensive work environment.

Sexual violence is a form of sexual harassment. Sexual violence includes physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent due to the victim’s use of drugs or alcohol or due to an intellectual or other disability.

Examples of sexual harassment may include sexual advances; touching intimate body parts; coercing or forcing a sexual act on another; jokes or conversations of a sexual nature; offensive or derogatory language directed at another person’s gender identity; and other sexually motivated conduct, communication, or contact.

The College District prohibits retaliation against an employee who makes a claim alleging to have experienced discrimination or harassment, or another employee who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.

Examples of retaliation may include termination, refusal to hire, demotion, and denial of promotion. Retaliation may also include threats, unjustified negative evaluations, unjustified negative references, or increased surveillance.

In this policy, the term “prohibited conduct” includes discrimination, harassment, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.
An employee who believes that he or she has experienced prohibited conduct or believes that another employee has experienced prohibited conduct should immediately report the alleged acts. The employee may report the alleged acts to his or her immediate supervisor.

Alternatively, the employee may report the alleged acts to one of the College District officials below or electronically through the College District’s website.

For the purposes of this policy, College District officials are the Title IX coordinator and the College President.

Reports of discrimination based on sex, including sexual harassment, may be directed to the Title IX coordinator. The College District designates the following person to coordinate its efforts to comply with Title IX of the Education Amendments of 1972, as amended:

Name: Natasha Morgan  
Position: Director of Human Resources/Payroll  
Address: 3600 N. Garfield  
PAD 104, Midland, TX 79705  
nmorgan@midland.edu  
Telephone: (432) 685-4534

The College President or designee shall serve as coordinator for purposes of College District compliance with all other antidiscrimination laws.

An employee shall not be required to report prohibited conduct to the person alleged to have committed it. Reports concerning prohibited conduct, including reports against the Title IX coordinator, may be directed to the College President or designee.

A report against the College President may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the College District’s ability to investigate and address the prohibited conduct.

Any College District supervisor who receives a report of prohibited conduct shall immediately notify the appropriate College District official listed above and take any other steps required by this policy.

The College District may request, but shall not insist upon, a written report. If a report is made orally, the College District official shall reduce the report to written form.

Upon receipt or notice of a report, the College District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the College District official shall immediately authorize or undertake an investigation, regardless of whether
a criminal or regulatory investigation regarding the same or similar allegations is pending.

If the College District official determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy but may constitute a violation of other College District rules or regulations, the College District official shall refer the complaint for consideration under the appropriate policy.

If appropriate, the College District shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation.

The investigation may be conducted by the College District official or a designee or by a third party designated by the College District, such as an attorney. When appropriate, the supervisor shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

**Concluding the Investigation**

Absent extenuating circumstances, the investigation should be completed within ten College District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the College District official overseeing the investigation.

**College District Action**

If the results of an investigation indicate that prohibited conduct occurred, the College District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct.

The College District may take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.

**Confidentiality**

To the greatest extent possible, the College District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

**Appeal**

A party who is dissatisfied with the outcome of the investigation may appeal through the applicable grievance policy beginning at the appropriate level. [See DGBA(LOCAL) for employees, FLD(LOCAL) for students, and GB(LOCAL) for community members]

The party may have a right to file a complaint with appropriate state or federal agencies.
Records Retention

Retention of records shall be in accordance with the College District’s records retention procedures. [See CIA]

The investigation may also include analysis of other information or documents related to the allegations. |
| **Concluding the Investigation** | Absent extenuating circumstances, the investigation should be completed within ten College District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation. The investigator shall prepare a written report of the investigation. The report shall be filed with the College District official overseeing the investigation. |
| **College District Action** | If the results of an investigation indicate that prohibited conduct occurred, the College District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct. |
The College District may take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.

Confidentiality

To the greatest extent possible, the College District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal

A party who is dissatisfied with the outcome of the investigation may appeal through the applicable grievance policy beginning at the appropriate level. [See DGBA(LOCAL) for employees, FLD(LOCAL) for students, and GB(LOCAL) for community members]

The party may have a right to file a complaint with appropriate state or federal agencies.

Records Retention

Retention of records shall be in accordance with the College District’s records retention procedures. [See CIA]

Gender-Based Harassment

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student’s gender, the student’s expression of characteristics perceived as stereotypical for the student’s gender, or the student’s failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct limits or denies a student’s ability to participate in or benefit from the College District’s educational program.

Examples

Examples of gender-based harassment directed against a student, regardless of the student’s or the harasser’s actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

Retaliation

The College District prohibits retaliation by a student or College District employee against a student alleged to have experienced discrimination or harassment or another student who, in good faith, makes a report of harassment or discrimination, serves as a witness, or otherwise participates in an investigation.

Examples

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claims

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a College District investigation regarding discrimination or harassment shall be subject to appropriate disciplinary action.

Prohibited Conduct

In this policy, the term “prohibited conduct” includes discrimination, harassment, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

Reporting Procedures

For purposes of this policy, a “responsible employee” is an employee:

1. Who has the authority to remedy prohibited conduct;
2. Who has been given the duty of reporting incidents of prohibited conduct; or
3. Whom a student reasonably believes has the authority to remedy prohibited conduct or has been given the duty of reporting incidents of prohibited conduct.

The College District designates the following persons as responsible employees: any instructor, any administrator, or any College District official defined below.

Student Report

Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to a responsible employee or submit the report electronically through the College District’s
website. The submission of an anonymous electronic report may impair the College District’s ability to investigate and address the prohibited conduct.

**Employee Report**

Any College District employee who suspects and any responsible employee who receives notice that a student or group of students has or may have experienced prohibited conduct shall immediately notify the appropriate College District official listed in this policy and shall take any other steps required by this policy. An employee who does not meet the description of a responsible employee in accordance with this policy may alternatively submit the report electronically via the College District’s website.

**Exceptions**

A person who holds a professional license requiring confidentiality, such as a counselor, or who is supervised by such a person shall not be required to disclose a report of prohibited conduct without the student’s consent.

A person who is a nonprofessional counselor or advocate designated in administrative procedures as a confidential source shall not be required to disclose information regarding an incident of prohibited conduct that constitutes personally identifiable information about a student or other information that would indicate the student’s identity without the student’s consent, unless the person is disclosing information as required for inclusion in the College District’s annual security report under the Clery Act [see GCC].

**Definition of College District Officials**

For the purposes of this policy, College District officials are the Title IX coordinator and the College President.

**Title IX Coordinator**

Reports of discrimination based on sex, including sexual harassment or gender-based harassment, may be directed to the Title IX coordinator. The College District designates the following person to coordinate its efforts to comply with Title IX of the Education Amendments of 1972, as amended:

Name: Tana Baker  
Position: Title IX Coordinator/504 Coordinator/Compliance Officer  
Address: 3600 N. Garfield, Scharbauer Student Center, Room 129  
Midland, TX 79705  
Telephone: (432) 685-4781

**Other Anti-discrimination Laws**

The College President or designee shall serve as coordinator for purposes of College District compliance with all other antidiscrimination laws.

**Alternative Reporting Procedures**

A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX coordinator, may be directed to the College President.

A report against the College President may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

**Timely Reporting**

Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the College District’s ability to investigate and address the prohibited conduct.
Investigation of the Report

The College District may request, but shall not require, a written report. If a report is made orally, the College District official shall reduce the report to written form.

Initial Assessment

Upon receipt or notice of a report, the College District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the College District official shall immediately notify the parties to the complaint of the allegations and the formal and informal options for resolution of the complaint.

If the College District official determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy but may constitute a violation of other College District rules or regulations, the College District official shall refer the complaint for consideration under the appropriate policy.

Informal Resolution

If the parties voluntarily agree to participate in informal resolution of the complaint, the College District official shall determine if informal resolution is appropriate for the complaint. If the official determines that informal resolution is appropriate, then the official may facilitate that resolution. If the official does not determine informal resolution to be appropriate, then the complaint will be subject to the formal resolution process.

Formal Resolution

If any of the parties decline to participate in informal resolution of the complaint or the College District official finds informal resolution of the complaint to be inappropriate, the College District official shall authorize or undertake an investigation, except as provided below at Criminal Investigation.

Interim Action

If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the College District shall promptly take interim action calculated to address prohibited conduct prior to the completion of the College District’s investigation.

College District Investigation

The investigation may be conducted by the College District official or a designee or by a third party designated by the College District, such as an attorney. The investigator shall have received appropriate training regarding the issues related to the complaint and the relevant College District’s policy and procedures.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

Criminal Investigation

If a law enforcement or regulatory agency notifies the College District that a criminal or regulatory investigation has been initiated, the College District shall confer with the agency to determine if the College District’s investigation would impede the criminal or regulatory investigation. The College District shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has completed gathering its evidence, the College District shall promptly resume its investigation.
Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for the College District to delay its investigation, the investigation should be completed within ten College District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the College District official overseeing the investigation.

The College District shall provide written notice of the outcome, within the extent permitted by the Family Educational Rights and Privacy Act (FERPA) or other law, to the victim and the person against whom the complaint is filed. The parties shall be given the opportunity to respond to the report.

The College District shall determine, based on the results of the investigation, whether each individual allegation of misconduct occurred using a preponderance of the evidence standard. If the results of an investigation indicate that prohibited conduct occurred, the College District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct, in accordance with College District policy and procedures. [See FM and FMA]

Examples of corrective action may include:

- Providing a training program for those involved in the complaint;
- Providing a comprehensive education program for the College District community;
- Providing counseling for the victim and the student who engaged in prohibited conduct;
- Permitting the victim or student engaged in the prohibited conduct to drop a course in which they both are enrolled without penalty;
- Conducting follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred;
- Involving students in efforts to identify problems and improve the College District climate;
- Increasing staff monitoring of areas where prohibited conduct has occurred; and
- Reaffirming the College District’s policy against discrimination and harassment.

The College District shall minimize attempts to require a student who complains of sexual harassment to resolve the problem directly with the person who engaged in the harassment; however, if that is the most appropriate resolution method, the College District shall be involved in an appropriate manner.

If the investigation reveals improper conduct that did not rise to the level of prohibited conduct, the College District may take disciplinary action in accordance with College District policy and procedures or other corrective action reasonably calculated to address the conduct.

To the greatest extent possible, the College District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses.
Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

**Appeal**
A party who is dissatisfied with the outcome of the investigation may appeal through the applicable grievance policy beginning at the appropriate level. [See DGBA(LOCAL) for employees, FLD(LOCAL) for students, and GB(LOCAL) for community members] A party shall be informed of his or her right to file a complaint with the U.S. Department of Education Office for Civil Rights.

**Records Retention**
Retention of records shall be in accordance with the College District’s records retention procedures. [See CIA]

**Access to Policy, Procedures, and Related Materials**
Information regarding this policy and any accompanying procedures, as well as relevant educational and resource materials concerning the topics discussed in this policy, shall be distributed annually to College District employees and students in compliance with law and in a manner calculated to provide easy access and wide distribution, such as through electronic distribution and inclusion in the employee and student handbooks and other major College District publications. Information regarding the policy, procedures, and related materials shall also be prominently published on the College District’s website, taking into account applicable legal requirements. Copies of the policy and procedures shall be readily available at the College District’s administrative offices and shall be distributed to a student who makes a report.

Copies of the policy and procedures shall be readily available at the College District’s administrative offices and shall be distributed to a student who makes a report.

**Reporting Suspected Child Abuse**

*Policies DH, DHC*

All employees are required by state law to report any suspected child abuse or neglect, as defined by Texas Family Code §26.001, to a local or state law enforcement agency, Department of Family and Protective Services, or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility in which the abuse occurred) within 48 hours of the event that led to the suspicion.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the
information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to the Department of Family and Protective Services can be made to the Texas Abuse Hotline at 800-252-5400 or, if not urgent, on the web at https://www.txabusehotline.org. An employee’s failure to make the required report may result in prosecution as a Class A misdemeanor. An employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the College is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

Employees who suspect that a child has been or may be abused or neglected should also report their concerns to Tana Baker, Title IX Coordinator/504 Coordinator/Compliance Officer, Scharbauer Student Center, Room 129, Midland, TX 79705, tbaker@midland.edu, (432) 685-4781. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to Tana Baker, the Title IX Coordinator/504 Coordinator/Compliance Officer before making a report to the appropriate agency.

Reporting the concern to Tana Baker, the Title IX Coordinator/504 Coordinator/Compliance Officer does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation is prohibited.

The College has established a plan for addressing sexual abuse and other maltreatment of children, which may be reported electronically via Midland College’s website https://www.midland.edu/about/public-info/discrimination-form.php. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child’s mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Family and Protective Services.

Employees are required to follow the procedures described above.

**Reporting Crime**

*Policy DG*

The Texas Whistleblower Act protects College employees who make good faith reports of violations of law by the College to an appropriate law enforcement authority. The College is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. An appropriate law enforcement authority is part of a federal, state, or local governmental entity that the employee in good faith
believes is authorized to regulate under or enforce the law alleged to be violated or to investigate or prosecute a crime.

**Technology Resources**

*Policy CR*

The College’s technology resources, including its networks, computer systems, e-mail accounts, devices connected to its networks, and all College-owned devices used on or off College property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the College.
- Does not unduly burden the College’s computer or network resources.
- Has no adverse effect on job performance or on a student’s academic performance.

Electronic mail transmissions and other use of College technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management can contact the Information Technology department.

**Personal Use of Electronic Media**

*Policy CR, DH*

Electronic media includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.

Employees are responsible for their public conduct even when they are not acting as College employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee’s use of electronic media interferes with the employee’s ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee’s page, including content added by the employee, the employee’s friends, or members of the public who can access the employee’s page, and for web links on the employee’s page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic media for personal purposes shall observe the following:

- The employee may not set up or update the employee’s personal social network page(s) using the College’s computers, network, or equipment.
• The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct College business.

• The employee shall not use the College’s logo or other copyrighted material of the College without express, written consent.

• An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on College business unless the employee first obtains written approval from the employee’s immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.

• The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Community College Teachers Association Code of Professional Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus.

These restrictions include:
  o Confidentiality of student records [See Policy FJ]
  o Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law [See Policy DBA]
  o Confidentiality of College records, including private e-mail addresses. [See Policy GCA]
  o Intellectual property [See Policy CT]
  o Prohibition on the disclosure of information or rumor which might damage or embarrass or violate the privacy of any other person. [See Policy DH (EXHIBIT)]

**Web Presence**

*Policy CR*

External websites and new domains and sub-domains must be approved by the appropriate Administrative Council member and the Vice-President of Information Technology. All domains must be registered through the Information Technology department and maintained by the Webmaster.

New social media accounts must be approved by the Director of Marketing and Communications before they are created. A designated Marketing and Communications representative must have access to all accounts.

**Records Retention**

*Policy CIA*

Employees must retain local government records for the appropriate retention period, which varies depending on the category of record (i.e., the content contained in that individual e-mail message) described in the College’s records retention schedule. *Local government record* means
any document, paper, letter, book, map, photograph, sound or video recording, microfilm, magnetic tape, electronic medium, or other information recording medium, regardless of physical form or characteristic and regardless of whether public access to it is open or restricted under the laws of the state, created or received by a local government or any of its officers or employees pursuant to law, including an ordinance, or in the transaction of public business. The College may require alcohol and/or drug testing for the reasons included, but not limited to those in Midland College Policy DHB (Local).

Reasonable Suspicion:
College employees will be required to report any suspicious behavior or signs of drug/alcohol use by any employee or volunteer to the Director of Human Resources/Payroll for review and coordination. The individual(s) who made the observations should submit a signed written summary to the Director of Human Resources/Payroll and should include the specific facts, observations and circumstances observed about the employee’s behavior. Such observations must take place just preceding, or during the workday. The Director of Human Resources/Payroll, or designee, will review the individual circumstances and recommend appropriate action.

If alcohol and/or drug testing is required, the College will arrange for transportation to the drug testing facility and to the employee’s home. Under no condition should the employee be allowed to drive when intoxication or drug use is suspected.

If an employee is tested for alcohol and/or drugs, and the results indicate a violation of College Policy, the employee may be subject to disciplinary action, up to and including termination.
The purpose of this regulation is to outline pay rules that apply to non-exempt employees while traveling on College business. Employees in positions classified as nonexempt (overtime eligible) under the Fair Labor Standards Act may be eligible for compensation for the time they spend traveling. The compensation an employee receives depends on the kind of travel and whether the travel time takes place within normal work hours.

“Normal work hours,” for the purposes of this regulation are defined as an employee’s regularly scheduled work hours (e.g. 8:00 am to 5:00 pm during the regular schedule and 7:30 am to 5:30 pm during the summer schedule). This definition applies to normal workdays (Monday through Friday) and to weekends (Saturday and Sunday). Employees with variable work hours will have their normal work hours defined by Human Resources/Payroll prior to travel, based on a review of time records over the previous month.

Calculating and Reporting Travel Time
“Travel time” is defined according to the type of travel involved in the travel categories listed below. Employees are responsible for accurately tracking, calculating and reporting travel time on their time sheets in accordance with this policy.

Meal periods should be deducted from all travel time.

The performance evaluation is intended to stimulate work effectiveness, because it formally recognizes efficient performance as well as unsatisfactory performance. Effective management requires meaningful communication between the supervisor and the employee.

The key objectives of the evaluation process are as follows:

1. Performance standards are clarified in conjunction with the current position descriptions to ensure that employees understand all that is expected of them in their job.
2. Employees understand the supervisor’s assessment of their effectiveness in carrying out the assigned duties and responsibilities.
3. Employees know where improvement is either possible or required, and agreement has been reached on how that improvement can be achieved.

Performance evaluations will be conducted for all full-time employees, with the exception of faculty and classified staff, no sooner than November and no later than January. Faculty evaluations will be done in February as stated in Faculty Evaluation and Re-Employment Recommendation. Performance evaluations will be conducted in the month of April each year for classified employees with a Performance Evaluation Report Form. Performance evaluations for part-time employees will be conducted as needed, as determined by the employee’s supervisor and/or immediate department head. Evaluations may be given on a more frequent schedule when supervisors believe it to be useful. The performance evaluation shall be carried out by the employee’s supervisor and/or immediate department head. Supervisor’s signature should be affixed prior to a review of the evaluation with the employee.

In conjunction with this evaluation, the position description should be reviewed with the employee. Where the description is not current, a modification will need to be submitted to the Human Resources/Payroll department for approval. Once approved, a copy should be given to the employee and the position description should be reviewed with the employee. A copy of the position description containing the employee’s initials and date should be submitted to the Human Resources/Payroll department to become part of the employee’s personnel file. Professional development activities undertaken by the employee during the previous year, as well as opportunities for such in the upcoming year, should be discussed and documented at this time.

If the employee disagrees with any part of the rating, the employee may respond on a separate sheet and attach it to the performance evaluation form. The area of disagreement should be described specifically.

A copy of the performance evaluation form is to be sent to the Human Resources/Payroll department to become part of the employee’s personnel file.

MIDLAND COLLEGE ADMINISTRATIVE REGULATION

POLICY REFERENCE: DEC Compensation and Benefits

SUBJECT: Leaves and Absences

Leave records shall be maintained by the Human Resources/Payroll office.

UNAPPROVED ABSENCES
Unauthorized absence by an employee for more than three consecutive days may be considered as voluntary termination of employment.

USE OF PAID LEAVE OR COMPENSATORY TIME
Employees and supervisor are responsible for scheduling and approving time off as to not interfere with the operation of the department and so that each staff member receives their annual benefit of vacation each year, if they so desire. Vacations and other requests for time off must be scheduled around the work requirements of the department. Reasonable efforts should be made to accommodate the staff member’s request.

Paid leave may only be used for absences on scheduled work days, totaling a maximum of 40 hours per week. Consequently, paid leave may not be used for absences on non-scheduled work days. Full-time faculty members are considered as part-time employees outside of the period of appointment thus ineligible to accrue paid sick leave or use paid sick leave outside of the period of appointment.

Supervisors and employees are responsible for ensuring that all absences are accurately reported.

ACCRUAL OF PAID LEAVE
Leave accrual is based on the employee’s full-time hire date or adjusted full-time date of employment when considering prior years of full-time service for rehired employees. No service with another agency will be considered for the accrual. No leave will be accepted from another agency.

Accruals are posted effective the end of the day on the 15th of each month. An employee shall not earn any form of paid leave when he or she is in unpaid status.

RECORDING OF LEAVE

Guidelines for Professional Development Transcript

Professional development is an important and essential component of institutional effectiveness at Midland College. All full-time employees are expected to annually upgrade their professional skills. This may be done in a variety of methods, formats, and locations including seminars, workshops, conventions, WFCE and college courses, webcasts, and independent study. Part-time employees are also encouraged to engage in professional development and will be supported by Midland College in this endeavor to the extent possible. The College will annually provide a variety of on-campus opportunities for professional development.

Full-time employees will engage in documentable professional development each year which will become a part of the employees’ annual evaluation assessment. A record of professional development should be maintained by employees and provided to their supervisor each year. Professional development experiences should be approved in advance by the supervisor and must be directly related to the employee’s duties.

1. Employee will identify or be notified by a supervisor of a professional development activity. A leave form along with information on the activity will be submitted by the employee to the supervisor for approval.

2. If approved, arrangements will be made to attend the activity by the employee. Travel arrangements will be made by personnel responsible for travel arrangements within the department if travel is required.

3. Employee will keep a record of actual hours for the activity and record it on the transcript upon return from the activity. Hours should be labeled as clock hours or credit hours. At this time there is no specific amount of hours of professional development needed per year.

4. Transcript will be updated throughout the year and submitted by the employee to the supervisor as part of the employee’s performance evaluation.

Fundraising efforts on behalf of Midland College must

- Ensure maximum effectiveness in the total fundraising program of the College by assuring that college-wide strategic priorities are featured;
- Reduce or eliminate multiplicity of contacts with common fundraising prospects, thereby avoiding over-solicitation of individuals, businesses, foundations and organizations by college units;
- Utilize the resources of the Midland College Foundation and the Office of Institutional Advancement to assist in the successful execution of approved fundraising programs; and
- Ensure that Midland College Foundation, Inc. and Midland College policies are followed.

Approval for Solicitation
The Executive Director of Institutional Advancement/Midland College Foundation, Inc. and other staff in the Office of Institutional Advancement are available to consult with College departments and individual employees that wish to approach potential funding sources. The Executive Director of Institutional Advancement/Midland College Foundation, Inc., in consultation with the College President, will assess the appropriateness and timing of each solicitation in light of institutional priorities and any known financial commitments by those considered to be potential donors.

Student and employee deaths, retirements, anniversaries or significant dates and other events are often the impetus for a special appeal for funds to mark the occasion. These appeals may focus on establishing a scholarship in the individual’s honor or memory or funding some other form of tribute or commemoration. While the amounts sought through such special appeals are normally limited to friends and colleagues, these special appeals must be discussed and coordinated through the Office of Institutional Advancement prior to their initiation.

Fundraising activities for specific students and employees due to financial, health or other hardships must be approved by the Midland College President. Since these appeals are strictly to benefit the employee/students, approval and coordination of these activities is not handled through Midland College Foundation, Inc. nor the Midland College Office of Institutional Advancement.

Coordination with Midland College Foundation, Inc. and Office of Institutional Advancement
Individuals, corporations and other organizations often initiate contact with Midland College faculty and staff regarding funding opportunities. While individual staff and faculty members may answer questions and discuss gift opportunities with potential donors, these inquiries must be reported promptly, within 72 hours, to the Executive Director, Institutional Advancement/Midland College Foundation, Inc. Any complex questions such as those involving possible tax liabilities, testamentary gifts, asset valuation, trust arrangements or gifts of real property and mineral
interests are best referred to the Executive Director, Institutional Advancement/Midland College Foundation, Inc.

Private donors, individual or corporate, should be directed to make all gift checks payable to the Midland College Foundation and to mark the check for the intended use/restricted fund. All gifts and pledges to a Midland College program/department, whether solicited or unsolicited, that are sent directly to an employee or to the program/department must be promptly delivered with copies of any accompanying documentation (e.g., a letter, card or note) to the Midland College Foundation/Office of Institutional Advancement. Employees should report all non-cash gifts on the appropriate Midland College non-cash gift form, which can be obtained from the Office of Institutional Advancement.

Cash and non-cash gifts transmitted should include the following information:

- Name and full mailing address of donor(s)
- Purpose of the gift
- Fund/account in which the gift is to be placed, if known
- Original or photocopy of any correspondence accompanying the gift

**Recording and Acknowledgement of Gifts**

Staff in the Office of Institutional Advancement record, deposit and acknowledge all gifts to Midland College and the Midland College Foundation. This includes pledges of support as well as gifts of cash, securities, insurance policies, real estate, mineral interests and other non-cash gifts. All gifts are acknowledged in one or more ways depending on the size and type of gift and its designated purpose.

**Confidentiality**

Information obtained pertaining to any constituent of the College (personal/profile information, financial records, etc.) must be considered property of the Midland College Foundation, Inc., and, therefore, private and confidential. Anyone from the College engaged in the cultivation or solicitation process of any potential donor must keep any and all records private and in strict confidence. Staff in the Office of Institutional Advancement maintain all constituent profiles, ensure security of profiles and maintain confidentiality.

**Midland College Student Guidelines and Procedures**

Recognized Midland College clubs/organizations who meet specified registration criteria as outlined by the Midland College Office of Student Activities are permitted one fundraiser per calendar month.

All student fundraising requests must be approved by the Midland College Executive Director of Institutional Advancement and submitted to the Office of Student Activities 15 working days prior to the intended fundraiser date.

MIDLAND COLLEGE ADMINISTRATIVE REGULATION

POLICY REFERENCE: DC Employment Practices

SUBJECT: Criminal History Background Checks

The Director of Human Resources/Payroll or designee will conduct a criminal history background check on a final candidate prior to employment, and annually once employed in accordance with applicable law and at any time during employment. Effective June 2019, incumbent employees will be subject to annual criminal history background checks. All offers of employment are contingent upon completion of a satisfactory criminal history background investigation. The information obtained in a criminal history background check is confidential and will only be shared with individuals with an essential business need to know. The following factors will be considered for final candidates or employees with a criminal history, and will be reviewed by the Director of Human Resources/Payroll or designee:

- The nature of the crime and its relationship to the position;
- The time since the conviction;
- The number (if more than one) of convictions;
- Whether hiring, or continued employment would pose an unreasonable risk to the business, its employees or its students or vendors.

The following additional background searches will be required if applicable to the position:

- **Driver Record Checks:** An individual’s three-year driving history record will be obtained when driving is an essential requirement of the position or if the employee will be driving a personal or College vehicle (owned, leased or rented) when performing duties on behalf of the College. The Director of Human Resources/Payroll or designee will review driver records and decide as to drivers’ status for applicants and employees in accordance with administrative regulations. Subsequent driver record checks will be required annually or upon expiration of the employee’s driver license.
- **Consumer Reports Background Investigation:** will be performed on an applicant or employee who has lived or worked outside of the State of Texas within the past seven years.
- **Other Background Searches:** Since the College has a charter school, a daycare, and employs Police Officers, the College is required to comply with applicable laws that apply to each. These laws require the use of different methods and standards than the College requires when reviewing the criminal history background checks of other employees.

A final candidate for employment or an existing employee is required to consent to a criminal history background check, on form(s) provided for that purpose. An authorized volunteer must consent to a criminal history background check in the same manner as an employee. Background check release forms will be submitted to and retained by the Human Resources/Payroll Office.

Criminal History Background Checks and Driver Record Checks will be conducted by the Director of Human Resources/Payroll or designee, a reputable third party consumer reporting agency or other agency as required by law. Background checks will include sex and violent offender registry checks.

The College shall not contract with an independent contractor that permits any of its employees to have regular contact with minors as a result of the contractor’s business relationship with the College if the employee has been convicted of any felony, or misdemeanor involving sexual contact with a child or abuse of a child that includes, but is not limited to, indecency with a child, injury to a child, or endangerment of a child.

If a person has been convicted of an offense under this policy, the College may consider employment if the offense is a misdemeanor that is minor in nature, or the conviction occurred at least ten years ago and the person’s background is otherwise clear. In this policy, a conviction includes deferred adjudication.
All Midland College positions are designated as security-sensitive positions. Note: All Midland College employees have access to a computer terminal. Groundskeepers have access to a computer terminal located in the catalog room in the Maintenance Warehouse Facility.

All criminal history record information shall be destroyed by the Chief of Police as soon as practicable after the information is used for its authorized purpose.

The Director of Human Resources/Payroll or designee should be contacted for the applicable procedure for the type of background search performed for disputing inaccurate or incomplete information found in the background search.

When consumer credit reports are obtained, the affected person shall be required to authorize the obtaining of the report by the College for employment purposes. Before taking adverse action based on the information in the consumer report, a copy of the report and a description of the person’s rights under the Fair Credit Reporting Act shall be provided to the person by the College.
Authorization and Acknowledgement for Driver Record Check

(an additional form is required for out of state driver record checks)

A valid driver license must be presented along with this form to the Human Resources/Payroll office. Photocopies will not be accepted.

05/2029
As we return to campus over the summer and in the fall, the health and safety of all our Chaps (students, faculty, staff, and visitors), especially of vulnerable individuals, is of paramount importance. Thank you for your vital role in adhering to this policy during these unusual times. Take care of each other and those who are most vulnerable!

While the majority of College employees have transitioned to working remotely due to COVID-19, it is important to acknowledge that many College employees continue to perform their duties on-site to sustain critical functions. We recognize and thank them for their significant efforts to support our College.

We will begin to resume campus activities in a phased approach. As we move forward, we must remember that there are still many uncertainties about COVID-19, and we may need to adjust our plans according to emerging public health updates. Even though dealing with the pandemic will require some new and different protocols, our values and traditions will continue to bring us together, whether it is in person or virtually.

**Return to Campus Work – Phases**

**Return to Campus – Target Dates**
- Phase 1 – June 15, 2020
- Phase 2 – June 29, 2020
- Phase 3 – July 13, 2020
- Phase 4 – August 17, 2020

**Phase 1: June 15, 2020**
Current mode of operations remains in effect for the majority of employees. In this phase, the Pre-K Academy and the Helen L. Greathouse Childcare Center locations open. In addition, a small number of employees may be asked to return to campus based on the department’s operational needs and managerial discretion. Supervisors must provide advanced notice to employees outlining when an employee is expected to return (minimum of 2 business days of notice is recommended).

**Phase 2: June 29, 2020**
In this phase, Student Services employees will return to campus and will work with students virtually. Additional employees may be asked to return to campus based on the department’s operational needs and managerial discretion. Remote work protocols continue in other areas, where feasible. Supervisors must provide advanced notice to employees outlining when an employee is expected to return (minimum of 2 business days of notice is recommended).

**Phase 3: July 13, 2020**
In this phase, some faculty members will return to campus to work with students to remove incomplete grades from the spring semester. Other employees may be asked to return to work based on operational needs and managerial discretion in preparation for the fall semester. Supervisors must provide advance notice to employees specifying when an employee is expected to return (minimum of 2 business days of notice is recommended).
Phase 4: August 17, 2020
In this phase, a full return to work on campus is planned.

Social Distancing is required, effective 6/29/2020
- Social distancing, also called “physical distancing” means keeping space between yourself and other people outside your home. To practice social or physical distancing:
  - Stay at least 6 feet from other people.
  - Do not gather in groups.
  - Stay out of crowded places and avoid mass gatherings.
- Meetings should be conducted virtually whenever possible. If a meeting virtually is not possible, meeting settings should accommodate appropriate distance between participants.

Face Coverings are required, effective 6/29/2020
- Face coverings (cloth face covering, surgical mask, etc.) must be worn by all individuals (faculty, staff, students and visitors) on all Midland College sites as follows:
  - Inside all College buildings (unless alone in private office with the door closed).
  - Outdoor spaces where six feet or more of physical distancing is difficult to reliably maintain.
  - When traveling on College business where social distancing cannot be maintained or there is more than one person present in the vehicle or airplane.
- Persons younger than ten years old are exempt from wearing a face covering.
- A face covering is a cloth, bandana, or other type of material that covers an individual’s mouth and nose. The CDC lists five criteria for “cloth face coverings,” which should:
  - Fit snugly but comfortably against the side of the face.
  - Be secured with ties or ear loops.
  - Include multiple layers of fabric.
  - Allow for breathing without restriction.
  - Face coverings with exhalation valves or vents should NOT be worn to help prevent the person wearing the face covering from spreading COVID-19 to others.
- N95 or surgical masks may also be used as a face covering.
- We recommend individuals have at least three face coverings available to use throughout the week in order to begin each day with a new or clean covering;
- Face coverings must be worn properly:
  - Wash your hands or use hand sanitizer before putting on your face covering.
  - Face coverings should fully cover your nose and mouth and should not slip down below the nose.
  - Face coverings should be held in place firmly with straps.
  - Face coverings cannot have holes or tears in the fabric.
  - Avoid touching your face when putting on your face covering.
- Most face coverings are not respiratory protection and must not be substituted for the proper respiratory protection that may be required while performing tasks requiring respiratory protect

Who should provide face coverings to faculty and staff? To students? To visitors or contractors?
- It is the responsibility of the individual to provide their own face covering. However, each department may keep a small amount of disposable face coverings on hand when needed.

Who reviews exemption requests to the face covering requirement?
- Exceptions to the face covering requirement will be evaluated on a case by case basis.
• Please consult the Director of Human Resources/Payroll if you have a request for an accommodation due to the face covering requirement related to a pre-existing medical condition or other disability or a religious concern.
• Please consult the appropriate Administrative Council member if you are unable to wear a face covering because it would create a risk related to work.

How should I raise a concern about someone not adhering to the face covering requirement?
• If the person is an employee, please contact the employee’s supervisor to ascertain whether the person has an exemption. If not, the supervisor should politely direct the person to wear a face covering.
• If the person is not an employee, politely direct the person to wear a face covering or vacate the public space.
  o If the person refuses to wear a face covering, please contact Campus Police at (432) 685-4734. If this person is a student, please follow up with a notification of the incident to the Dean of Student Life and Vice President of Student Services.

Can I wear a face shield instead of a face covering?
Staff Members
• No, only those who are approved through an accommodation request or who have an exemption from their respective Administrative Council member due to a risk related to work may wear a face shield.

Faculty Members- while lecturing
• Yes, faculty members can wear a face shield while lecturing only and if at least 6 feet of physical distance can reliably be maintained from the nearest member of your class. You should still wear a face covering when entering exiting the classroom since face coverings provide more protection than a face shield.

Do I wear a face covering while eating or drinking?
• No, you do not need to wear a face covering while eating or drinking as long as you are able to maintain appropriate social distancing. After your meal is complete, wash your hands or clean your hands with hand sanitizer, and replace your face covering.

If I have already had COVID-19, do I have to wear a face covering?
• Yes, scientific understanding of COVID-19 is still evolving, and currently it is not known if those who have had the disease can be re-infected and become contagious again.

Flexible Work Schedules for Full-Time Employees
Supervisors are encouraged to allow flexible work schedules for employees to respond to the needs of employees during the COVID-19 pandemic. A flexible work schedule permits an employee to work a predetermined and approved variation of the employee’s standard work schedule.
• Please refer to Appendix T of the Employee Handbook for additional details regarding the guidelines and approval process for temporary remote work. An approval to work a flexible work schedule does not necessarily mean that an employee is approved for temporary remote work.
• Flexible work schedules may be modified, or discontinued at the discretion of the immediate supervisor and applicable Administrative Council member due to operational concerns.
• Employees are expected to complete no less than the required number of hours in a workweek upon their department’s return to on-campus work.
• Employees and supervisors should agree upon the hours that are to be worked by the employee in advance. Flexible work schedules do not permit employees to work random schedules to accomplish the required number of hours worked.
• Paid and/or unpaid leave must be applied to an employee’s time sheet in correlation with the flexible work schedule if the employee misses work while a flexible work schedule is authorized.
Temporary Remote Work Guidelines – COVID-19  

See Appendix T

Midland College is committed to safely and effectively meeting the public health challenge presented by COVID-19. This Administrative Regulation establishes guidelines for temporary remote work effective through the end of the fall 2020 semester.

Remote work may be allowed as an infection-control or prevention strategy based on the feasibility of the employee being able to work from home. Please see Appendix T of the Employee Handbook for additional details.

General Guidance and FAQ’s for Employees and Supervisors

What are the symptoms of COVID-19?

- People with COVID-19 have reported a wide range of symptoms – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:
  - Fever or chills
  - Cough
  - Shortness of breath or difficulty breathing
  - Fatigue
  - Muscle or body aches
  - Headache
  - New loss of taste or smell
  - Sore throat
  - Congestion or runny nose
  - Nausea or vomiting
  - Diarrhea

What does it mean to self-isolate?

- Isolation separates people who are infected with the virus away from people who are not infected.

What does it mean to self-quarantine?

- Quarantine keeps someone who might have been exposed to the virus away from others.

What is close contact or potential exposure for COVID-19?

- CDC defines close contact as being within 6 feet of a lab-confirmed COVID-19 case for a period greater than 15 minutes, starting from 48 hours before illness onset.

An employee, when notified that they are being required to return to on-campus work, objects, stating that they are uncomfortable returning to work due to personal concerns associated with COVID-19.

- The employee may use eligible, accrued paid leave or request unpaid leave in accordance with College Policies and Administrative Regulations.

An employee is notified to return to on-campus work but they object stating they have a valid health condition or serious illness/injury that puts them at greater risk of serious illness if they contract COVID-19.

- Employees who belong to categories considered to be at a higher risk of getting sick from COVID-19 (adults 60+ OR people who have serious chronic medical conditions such as heart disease, diabetes,
or lung disease) should consult with the Director of Human Resources/Payroll regarding a possible accommodation.

What are an employer’s ADA obligations to provide reasonable accommodation if an employee says that they live in the same household as someone who due to a disability is at greater risk of severe illness if they contract COVID-19?
• The employee only has a right to reasonable accommodation for his or her own disability.

Can a supervisor discipline an employee who refuses to come to work because of a concern about contracting COVID-19?
• Yes, a supervisor may discipline an employee who refuses to come to work in some circumstances. However, ADA could possibly require an accommodation related to a physical OR mental impairment.
• Please contact the Human Resources/Payroll department for guidance if you have an employee that refuses to come to work due to a concern about contracting COVID-19.

Under the Families First Coronavirus Response Act (FFCRA), an employee qualifies for paid sick time if the employee is unable to work (or unable to work remotely) due to a need for leave because the employee:
1) Is subject to a Federal, State, or local quarantine or isolation order related to COVID-19;
2) Has been advised by a health care provider to self-quarantine related to COVID-19;
3) Is experiencing COVID-19 symptoms and is seeking a medical diagnosis;
   a. In order for an employee to take leave under the FFCRA for this purpose, an employee must identify his or her symptoms and a date for a test or doctor’s appointment.
4) Is caring for an individual subject to an order described in (1) or self-quarantine as described in (2);
   a. In this context, the term “individual” means an employee’s immediate family member, a person who regularly resides in the employee’s home, or a similar person with whom the employee has a relationship that creates an expectation that the employee would care for the person if he or she were self-quarantined or self-isolated.
5) Is caring for a child whose school or place of care is closed (or child care provider is unavailable) for reasons related to COVID-19; or
6) Is experiencing any other substantially-similar condition specified by the Secretary of Health and Human Services, in consultation with the Secretaries of Labor and Treasury. HHS has not yet identified any “substantially similar conditions” that would satisfy qualifying reason (6) under FFCRA leave as of the date of publication of this document.

Emergency Paid Sick Leave ( EPSL) – Effective 4/1/2020-12/31/2020
• Applies to both full-time and part-time employees. There is no eligibility requirement.
• An employee is not required to exhaust paid leave before using EPSL.
• EPSL applies only if an employee is unable to work or work remotely.
• Documentation in support of the need to take EPSL may be required and may include, but is not limited to, a copy of the quarantine or isolation order related to COVID-19 or written documentation by a health care provider advising a self-quarantine.
• In order for an employee to take leave under the FFCRA, the employee will be required to identify his or her symptoms, and a date for a test or doctor’s appointment.
• A full-time employee is eligible for 80 hours of leave, and a part-time employee is eligible for the number of hours of leave that the employee works on average over a two-week period.
   o Therefore, hours calculated for part-time employees are based on the number of hours the employee is normally scheduled to work.
   o If the part-time employee’s schedule varies or is unknown, a six-month average will be used to calculate the average daily hours for a two-week period.
   o For part-time employees that have not been employed for at least six months, the number of hours that were agreed upon by the employee and employer upon hiring will be used.
• EPSL must be taken in full-day increments.
• Intermittent use of EPSL is not permitted.
• For leave reasons (1), (2), or (3): employees taking leave are entitled to pay at their regular rate of pay.
• For leave reason (4), or (5): employees taking leave are entitled to pay at 2/3 their regular rate, up to $200 per day and $2,000 in the aggregate (over a 2-week period). An employee may choose to substitute eligible, accrued paid leave.

Expanded FMLA (EFMLA) – Effective 4/1/2020-12/31/2020
• Eligibility – Applies to both full-time and part-time employees who have been employed for at least 30 days prior to their leave request.
• EFMLA applies if an employee is unable to work or work remotely because the employee is caring for his or her child whose school or place of care is closed (or child care provider is unavailable) due to COVID-19 related reasons.
• EFMLA provides for up to 12 weeks off work.
• The first two weeks of EFMLA is unpaid, but an employee has the option to request EPSL to run concurrently.
• Eligible, accrued paid leave will be used concurrently with EFMLA after EPSL is exhausted. When eligible, accrued leave is exhausted, the employee will be paid at 2/3 of the employee’s regular rate of pay for a maximum of $200/day, and a total maximum payment of $10,000 for any remaining EFMLA.
• Intermittent use of EFMLA will be permitted.

How much information may an employer request from an employee who calls in sick, in order to protect the rest of its workforce during the COVID-19 pandemic?
• During a pandemic, ADA-covered employers may ask employees if they are experiencing symptoms of the pandemic virus. Employers must maintain all information about an employee illness in a confidential record in compliance with the ADA.

When may an ADA-covered employer take the body temperature of employees during the COVID-19 pandemic?
• Generally, measuring an employee's body temperature is a medical examination. Because the CDC and state/local health authorities have acknowledged community spread of COVID-19 and issued attendant precautions, employers may measure employees' body temperature. However, employers should be aware that some people with COVID-19 do not have a fever.
• At this time, only the body temperature of Pre-K Academy and Daycare employees are being monitored. Other departments or supervisors should not monitor the body temperature of employees.

If an employee is coughing or displaying other symptoms consistent with COVID-19, can a supervisor require them to go home?
• Yes, if an employee is ill, coughing or displaying other symptoms, the employee should be sent home to minimize exposure to others.
• Please refer to the section titled, “What should I do if I feel ill?” below for additional information.

Who should be notified and when if an employee shows signs or symptoms?
Employees showing signs or symptoms of COVID-19 should immediately inform their supervisor who should notify the appropriate Administrative Council member and the Human Resources/Payroll department. The supervisor will, to the extent possible, gather the following information:
• Date and location of suspected employee exposure;
• Names of other individuals who had close contact;
• Locations visited/worked on campus, particularly in the 48 hours prior to the individual becoming symptomatic.
In addition, the supervisor should ask if the person has sought medical care or if they need assistance doing so. We cannot require that persons visit a physician. Physicians may or may not advise to test for COVID-19. Any testing will be forwarded to the county health department in which the person lives.

- Individuals having close contact with the affected individual should be notified by the appropriate Administrative Council member or designee WITHOUT IDENTIFYING THE NAME OF THIS INDIVIDUAL. The name of the individual must remain confidential.

What should I do if I feel ill?

- Employees with symptoms of COVID-19 should notify their supervisors and stay home.
- If you are feeling ill, make an appointment with your healthcare provider.
- Full-time employees and their dependents covered under the College health insurance have access to medical virtual visits 24 hours a day, 7 days a week, including weekends and holidays at no cost.
- Practice social distancing. Stay indoors and avoid contact with others. Those with contagious diseases should stay home from work or school until they are well. People with fever, cough and respiratory issues should seek immediate medical attention.
- Supervisors should consider allowing an employee to work remotely if the employee is well enough to do so and if it is essential for the employee to do so. Please see Appendix T of the Employee Handbook for additional details.

Employee not seeking a medical diagnosis and is not working remotely

- In the event that the employee is not seeking a medical diagnosis and is not working remotely, the employee should utilize eligible accrued, paid leave in accordance with College Policies and Administrative Regulations.
  - An employee shall submit medical certification of the need for leave if the employee is absent more than three consecutive workdays when utilizing eligible accrued, paid leave because of personal illness.
  - A COVID-19 medical test will not be required.

Employee is seeking a medical diagnosis and is not working remotely

- Employee is required to identify his or her symptoms, and a date for a test or doctor’s appointment.
- Employee should request EPSL leave on the form designated for this purpose. The completed form should be submitted to the employee’s supervisor and forwarded to the Human Resources/Payroll department for approval.
- If approved, the employee may use EPSL in accordance with Administrative Regulations.
- An employee that exhausts EPSL leave and is unable to return to work at a College facility should consult with the Human Resources/Payroll department to discuss available options, including use of FMLA.

When can an employee return to work after experiencing symptoms of COVID-19?

- An employee experiencing symptoms consistent with COVID-19 may return to work after 24 hours with no fever and if respiratory symptoms have improved (e.g. cough, shortness of breath) and if it has been 10 days since symptoms first appeared; or after receiving a negative COVID-19 test result; or after receiving a doctor’s release to return to work.

Does Family and Medical Leave Act (FMLA) leave apply to absences due to confirmed cases of coronavirus?

- Yes, COVID-19 qualifies as a "serious health condition" under FMLA, allowing an eligible employee to take FMLA leave if either the employee or an immediate family member (employee’s spouse, son, daughter or parent) contracts the disease.
- Employees should contact the Human Resources/Payroll department for additional information.
Employee is Diagnosed with COVID-19

• An employee who has a confirmed diagnosis of COVID-19 should notify the appropriate Administrative Council member and the Human Resources/Payroll department.
• Supervisors should consider allowing an employee to work remotely if the employee is well enough to do so and if it is essential for the employee to do so. Please see Appendix T of the Employee Handbook for additional details.
• Employees who have a confirmed diagnosis of COVID-19 and are not able to work remotely, should request EPSL leave on the form designated for this purpose. The completed form should be submitted to the employee’s supervisor and forwarded to the Human Resources/Payroll department for approval.
• If approved, the employee may use EPSL in accordance with Administrative Regulations.
• An employee that exhausts EPSL leave and is unable to return to work at a College facility should consult with the Human Resources/Payroll department to discuss available options, including use of FMLA.

• An employee who has been confirmed as diagnosed with COVID-19 may return to work after receiving a negative COVID-19 test result; or after receiving a doctor’s release.

What if I am required to self-isolate (infected with the virus) but I need to retrieve things from my office or work space?

• Employees who need to retrieve items from their work space should contact their supervisors to make arrangements to retrieve items without returning to a College facility.

Can supervisors ask for a doctor’s note from an employee returning from self-isolation (infected with the virus) or quarantine (exposed to the virus)?

• A doctor’s note will not be required if the employee was not sick. A supervisor may accept a doctor’s note if it is voluntarily provided by an employee, but they may not require or ask for any specific documentation.
• Please refer to the section titled, “What should I do if I feel ill?” for additional information if an employee was experiencing symptoms of COVID-19 during self-isolation or quarantine.

What’s the guidance for implementing safety practices for critical infrastructure workers who may have had close contact to a person with suspected or confirmed COVID-19?

What is a critical infrastructure worker?

• Midland College considers all employees essential.
• For purposes of the pandemic, the CDC defines critical infrastructure workers as the following:
  • Medical field
  • Federal, state and local law enforcement
  • 911 call center employees
  • Fusion Center employees
  • Hazardous material responders from government and the private sector
  • Janitorial staff and other custodial staff
  • Workers, including contracted vendors, in food and agriculture, critical manufacturing, informational technology, transportation, energy and government facilities.

If I’ve had a close contact to COVID-19, but have no symptoms, should I still go to work?

• If you have had close contact to COVID-19, most likely you have been advised by a medical provider to self-quarantine.
• The CDC advises that critical infrastructure workers be permitted to continue work following close contact, provided they remain asymptomatic and additional precautions are implemented to protect them and the community.

• Supervisors should consider allowing an employee to work remotely. Please see Appendix T of the Employee Handbook for additional details.

• To ensure continuity of operations, and if deemed necessary by the employee’s supervisor, essential personnel may be permitted to continue working on campus following close contact to COVID-19, provided they remain asymptomatic and additional precautions are implemented to protect them and other employees.
  • The employee should maintain 6 feet of physical distance from others as work duties permit in the workplace.
  • The employee should measure their temperature prior to entering a College facility. Employees with a fever (100.0 or higher) will not be allowed to enter the facility.
  • If the employee becomes sick during the day, they should be sent home immediately.
  • The employee should wear a face covering at all times while in the workplace for 14 days after last exposure. Employee provided cloth face coverings or face masks (surgical or N95) may be used.

• Employees who have been advised to self-quarantine (exposed to the virus), and are not working remotely or at a College site, should request EPSL leave on the form designated for this purpose. The completed form should be submitted to the employee’s supervisor and forwarded to the Human Resources/Payroll department for approval.

• If approved, the employee may use EPSL in accordance with Administrative Regulations.

If I am an employee working with children in the daycare or Pre-K Academy, and I have had close contact to a person who is lab-confirmed to have COVID-19, but I have no symptoms, should I still go to work?
  • Per Texas Health and Human Services minimum health protocols, employees working with children in the daycare or Pre-K Academy who have had known close contact, should not return to work until the end of a 14-day self-quarantine period from the last day the employee was exposed.

    • If approved, the employee may use EPSL in accordance with Administrative Regulations.

What options are available to employees who are unable to work in order to care for an individual subject to a Federal, State or Local quarantine order (exposed to the virus) or has been advised by a health care provider to self-isolate (infected with the virus) related to COVID-19?
• In this context, the term “individual” means an employee’s immediate family member, a person who regularly resides in the employee’s home, or a similar person with whom the employee has a relationship that creates an expectation that the employee would care for the person if he or she were self-quarantined or self-isolated.
• Employees should request EPSL leave on the form designated for this purpose. The completed form should be submitted to the employee’s supervisor and forwarded to the Human Resources/Payroll department for approval.
• If approved, the employee may use EPSL in accordance with Administrative Regulations.
• Employees taking leave for this reason are entitled to pay at 2/3 their regular rate, up to $200 per day and $2,000 in the aggregate (over a 2-week period) or substitute eligible, accrued paid leave.
• An employee who exhausts EPSL leave and is still unable to return to work due to the need to care for an immediate family member should consult with the Human Resources/Payroll department to discuss available options, including use of FMLA.
• A doctor’s note will not be required if the employee was not sick.

What options are available to employees who are self-isolating (infected with the virus) due to a Federal, State, or Local quarantine order (exposed to the virus) or employee has been advised by a health care provider to self-isolate (infected with the virus) related to COVID-19.

• Supervisors should consider allowing an employee to work remotely. Please see Appendix T of the Employee Handbook for additional details.

• Employees who have been advised to self-isolate (infected with the virus) but are not able to work remotely, should request EPSL leave on the form designated for this purpose. The completed form should be submitted to the employee’s supervisor and forwarded to the Human Resources/Payroll department for approval.

• If approved, the employee may use EPSL in accordance with Administrative Regulations. The CDC advises that critical infrastructure workers be permitted to continue work following close contact, provided they remain asymptomatic and additional precautions are implemented to protect them and the community. See the section titled, “If I’ve had a close contact to COVID-19, but have no symptoms, should I still go to work?” additional information.

Who will clean and sterilize the office, department, or building?

• For employees who continue to work at a College site, safety is the highest priority and this includes cleaning protocols. Additional cleanings of facilities are in progress. It is not necessary to call to verify that cleaning is taking place. Anyone who has special concerns should email Fabian Hinojos at fhinojos@midland.edu and provide the following information:
  o Building and room numbers/specific locations
  o Description of the specific concern

An employee (full or part-time) is notified to return to work at a College facility but they report they are unable to do so because of child care issues (school and/or day care is closed) resulting from COVID-19 related reasons.

• The supervisor should attempt to adopt a flexible work schedule.

• If the employee cannot satisfy the on-campus flexible work schedule, supervisors should then consider allowing an employee to work remotely. Please see Appendix T of the Employee Handbook for additional details.

• If the employee is unable to satisfy their work requirement, either remotely or with a flexible work schedule, the employee should request EFMLA leave on the form designated for this purpose. The completed form should be submitted to the employee’s supervisor and forwarded to the Human Resources/Payroll department for approval.

Am I eligible for EFMLA if I elect not to send my children to daycare or summer camp?

No, in order to qualify for EFMLA leave, the employee’s child care provider must be unavailable due to COVID-19. An employee who chooses not to avail themselves of available child care will not be entitled to EFMLA.

Will the employee be asked to provide proof that a school or child care is closed when the employee is using EPSL or EFMLA?

The employee may be asked to provide proof that a school or childcare is closed, in the event the College is unable to reasonably confirm the closure.
If my employer closed my worksite before April 1, 2020 (the effective date of the FFCRA), can employees still get paid sick leave or expanded family and medical leave?
- No, if prior to the FFCRA’s effective date, your employer sent you home and stops paying you because it does not have work for you to do, you will not get paid expanded sick leave or family and medical leave but you may be eligible for unemployment benefits.

If my employer closes my worksite on or after April 1, 2020 (the effective date of the FFCRA), but before I go on leave (and my employer is not paying me), can I still get paid sick leave and/or expanded family and medical leave?
- No, if your employer closes after the FFCRA’s effective date (even if you requested leave prior to the closure), you will not get paid sick leave or expanded family and medical leave but you may be eligible for unemployment benefits.

If my employer closes my worksite while I am on paid sick leave or expanded family and medical leave, what happens?
- If your employer closes while you are on paid sick leave or expanded family and medical leave, your employer must pay for any paid sick leave or expanded family and medical leave you used before the employer closed.

College-Sponsored Travel
- The President reserves the right to amend College-sponsored travel guidelines at any time.
- In-state auto travel deemed mission critical will be permitted with approval from the respective Administrative Council member.
- Out of state and air travel is discouraged and will only be permitted with approval of both the respective Administrative Council member and the President.

If a faculty or staff employee is returning from travel, should they return to work?
- Employees who have traveled are required only to self-monitor at this time.
- The CDC now recommends that travelers defer all cruise travel worldwide.
- The College encourages employees to avoid travel at this time. Staying home is the best way to protect you and others from getting sick.
- Employees who have traveled outside the United States and are unable to return due to travel restrictions, must use eligible, accrued leave.

If a local health authority has requested information about an employee in response to an investigation into the spread of an infectious disease, is the College required to comply?
- Yes. The College President or designee should provide requested information to local or state health authorities if the request is to protect the health and safety of others.

Does the ADA permit employers to notify public health officials if they learn an employee has COVID-19?
- Yes. The ADA permits, but does require this notification to public health authorities. The ADA does not preempt state, county, or local laws designed to protect public health.

What information can the College communicate to employees if an outbreak occurs?
- Federal law requires a college to include in its emergency response and evacuation procedures methods for notifying college employees about a confirmed significant emergency or dangerous situation involving an immediate threat to the health and safety of employees and students on campus.
- If an emergency occurs, the emergency alert system will be used to notify employees.

Job Postings, New Employees and Onboarding
- Hiring supervisors should obtain approval from the respective Administrative Council member and President prior to requesting a job posting for a full-time position.
Supervisors should delay hiring or postpone an employee’s start date, if possible, for the duration of the College physical office closure.

Departments should carefully consider what it takes to onboard a new employee and if the necessary staff, including IT & Human Resources/Payroll, will be available to enable the employee to perform work.

Leaves and Absences – Workload and Work Schedules

- Full-time, non-exempt employees should document actual hours worked on the time sheet whether working on campus or remotely. Full-time employees will not have to use leave for days/times that the supervisor is unable to assign a full 8 (or 9 during summer hours) hour work-load each day unless the employee is unavailable to the supervisor for a full or partial day as described below.
- Full-time employees will be required to use eligible, accrued paid leave for days/times that they are unavailable to their supervisor. An employee who is unavailable to their supervisor for an entire workday shall use eligible, accrued paid leave totaling 8 hours (or 10 hours during summer hours) per day.
  - A non-exempt employee who is unavailable to their supervisor for a portion of the day shall use eligible, accrued paid leave. The amount of paid leave used plus hours worked should total 8 hours (or 10 hours during summers hours) per day.
  - An exempt employee who misses a portion of the day but works a portion of the day shall not have to use paid leave (except FMLA).
  - Employees should submit leave requests for leave used (including FMLA) in accordance with the usual process required for this purpose.
- Hours worked in excess of the required workweek require the advance approval of a supervisor.
- Part-time non-exempt employees will only be paid for actual hours worked whether they are working on campus or remotely. Time sheets should be documented accordingly.

Where should I direct employment-related questions concerning COVID-19?
Employees and/or supervisors may send an email to mchr@midland.edu.
Temporary Remote Work Guidelines – COVID-19
Midland College is committed to safely and effectively meeting the public health challenge presented by COVID-19. This Administrative Regulation establishes guidelines for temporary remote work effective through the end of the fall 2020 semester.

Remote work may be allowed as an infection-control or prevention strategy based on the feasibility of the employee being able to work from home based on the factors listed within this regulation. Remote work will be considered in the following situations:

1. Employee is subject to a Federal, State, or local quarantine or isolation order related to COVID-19;
2. Has been advised by a health care provider to self-quarantine related to COVID-19;
3. Employee is experiencing COVID-19 symptoms or has been confirmed as diagnosed with COVID-19 and is well enough to work remotely and it is essential for the employee to do so;
4. Employees who have had close contact or potential exposure to COVID-19;
   - CDC defines close contact as being within 6 feet of a lab-confirmed COVID-19 case for a period greater than 15 minutes, starting from 48 hours before illness onset.
5. Employees who have been notified to return to on campus work but they are unable to do so because of child care issues (school and/or day care is closed) resulting from COVID-19 related reasons and the employee is unable to work a flexible work schedule.

For reasons 1-4, remote work is a temporary measure, limited to 14 days. In certain situations, an extension may be granted, up to a maximum of 30 days if the employee provides medical documentation of the need for the extension.

Faculty Members
Faculty and division Deans jointly determine the modality of courses and associated responsibilities with division Deans retaining final approval. Division Deans are responsible for determining the location of all face-to-face instruction. The modality of courses and location of face-to-face instruction may vary within semesters and from semester to semester. The administration determines the location and modality service activities such as office hours, committee meetings, and events.

The ability to work remotely is a privilege and not a right or entitlement, and is discretionary and subject to the College’s operational needs. Accordingly, the College may alter the remote work guidelines or remote work arrangement at any time and at its discretion.

This Administrative Regulation does not apply to requests for, or management of, workplace accommodation(s) under the ADA or under any other applicable federal, state, or local law or regulation. Employees seeking such workplace accommodation(s) should contact the Director of HR/Payroll.
What is remote work?
- Remote work is a work arrangement in which some, or all, of the work is performed from home or another off-site location. In general, regular office hours are worked and deviations from that schedule require supervisor approval.

Approval Process
Temporary remote work must be approved by the respective Administrative Council Member. Each request must be documented in writing and approval should be submitted to the Human Resources/Office. An email will be considered acceptable documentation. Documentation should contain the following statement:
- To the extent possible, [employee name] agrees to perform all essential duties in their job description. Other duties may be assigned in an attempt to remain flexible. This may involve work that is outside of the employee’s primary responsibilities.

Which factors should Administrative Council members consider when determining if remote work is possible?
- Employer’s ability to supervise the employee adequately
- Whether any duties require use of certain equipment or tools that cannot be replicated at home
- Whether there is a need for face-to-face interaction and coordination of work with other employees
- Whether in-person interaction with outside colleagues, clients, or customers is necessary
- Whether the position requires the employee to have immediate access to documents or other information located only in the workplace
- Security of work data
- Technological capabilities and equipment necessary to perform job duties
  - Will the employee have the technology, equipment and secure system access to perform all responsibilities and maintain effectiveness of communications?
- Productivity
- Accuracy of records reflecting time worked by non-exempt employees

Which jobs are suited for remote work?
- Remote work is easiest to implement for jobs or tasks that require reading, writing, research, working with data and talking on the phone. In general, and at the respective Administrative Council Member’s discretion, a job is suited for remote work if the job or some components of it can be done off-site without disruption to the flow of work and communication.

Which jobs are not well suited for remote work?
- It is not uncommon to require employees in positions needing in-person contact/customer service or that rely on specific equipment or supplies to work at a College facility.
- Management and/or supervisory roles may be excluded from consideration for remote work arrangements unless, at the Administrative Council member’s discretion, a practical arrangement for meeting job responsibilities can be met.

Work Schedules and Expectations for Remote Work
- Employees should not assume any specified period of time for remote work arrangements, and the College may require employees to return to regular, in-office work at any time.
- Supervisors should give clear expectations about work schedules and job assignments to include expectations for performance and frequency of communication with the supervisor.
- Employees should remain immediately available during their assigned work schedule to include checking and responding to email and reporting to campus if needed.
- When working remotely, employees are expected to work in dedicated blocks of time. Flexible schedules do not permit employees to work a random schedule.
• Ideally, supervisors should find work for all employees to complete while working remotely such as special projects, even if it is for another area or department.
• Consistent with the College’s expectations of information security for employees working at the office, employees working remotely will be expected to ensure the protection of confidential information accessible from their home office.
• Supervisors are responsible for coordinating with the IT department to ensure that employees have equipment and/or software related to their remote work.
• The College cannot be responsible for costs associated with modification and use of alternate work locations.
