Welcome to Kids’ College at Midland College!

KIDS’ COLLEGE is a summer enrichment program for students who will be completing the first through sixth grade this spring. The curriculum has been developed to offer courses for introduction and enhancement rather than for in-depth study. The Kids’ College staff is looking forward to a very successful program of fun and enriching classes. We invite you to look over our schedule and make Kids’ College a part of your summer plan!

Kids’ College Sessions
Session I - June 6–16    Session II - June 20–30
Accepting pre-admission forms: Monday, March 21
Online registration: Monday, April 4

KIDS' COLLEGE POLICIES

Pre-admission Forms

Pre-admission forms must be completed before you register online. It is preferred that you submit this form electronically at www.midland.edu/kidscollege, or you can email to cecommunityprograms@midland.edu or complete in full and return to the Midland College Continuing Education office located at the Scharbauer Student Center in room 214.

Online Registration

The date for online registration is Monday, April 4. Online registration will increase a student's chances of getting into their favorite class(es). Payment is due at the time of registration, which will ensure your child will be in the class of their choice. Lack of payment will result in child being dropped from course(s).

Refund Policy

Fees will be refunded ONLY if a student withdraws by noon on the Thursday preceding the first day of the session (NO EXCEPTIONS). A $10 processing fee will be assessed. All "Request for Refund" forms may be completed in person at the Continuing Education office located in the Scharbauer Student Center, room 214, or by email to cecommunityprograms@midland.edu. Refunds take up to 30 days to process.

Students Grade Level

To be eligible for Kids' College, students must have completed grades 1-6 in school year 2021-2022. No exceptions.

Schedules and Name Tags

Since registration is online, Kids' College will not print and mail class schedules, therefore, please print a copy of your child's schedule at the time of registration. When you drop off on the first day of classes, please have your child line up behind the sign that identifies as their first class. The teacher in their first class will have nametags and class rosters. Students are encouraged to wear their nametags for the duration, as this assists the Kids' College staff. In case of inclement weather, please keep a copy of this schedule so you will know the class and building your child is located.

Attendance

Students are expected to attend each class for which they are enrolled. They are to be in those classes except during breaks. A child should not attend a class that they are not enrolled. Please communicate with your child which classes you enrolled them.

Health Concerns

If you have any concerns regarding your child's health, please visit with the Kids' College Associate Director at (432) 685-4724. Children with food allergies are advised not to enroll in a cooking class. During Kids' College, if you have an inhaler or Epi pen that you would like to leave in the Kids' College office, please contact the CE office before June 6 at (432) 685-4518, AFTER June 6 at (432) 686-4242.

Snack

There will be a break between the second and third classes to allow for class changes and an organized "group" refreshment break.
**Conduct**

Since the purpose of Kids' College is to provide an enrichment program, proper standards of conduct are necessary to protect the health, safety and well-being of all Kids' College students:

- Behavior that might interfere with the educational process is unacceptable.
- Students will be respectful of other students and staff.
- Students will be careful with college equipment, property and the property of other students.
- Safety of students is our first responsibility. Students MAY NOT GO ANYWHERE on campus without being accompanied by a staff member.
- Parents will be contacted if their child is involved in any unacceptable situations during the day. If you have been contacted due to unacceptable behavior, you will be asked to pick up your child.
- Staff members have the right, at any time, to exclude any child from activities due to failure or inability to follow, as directed, any rules and/or policies for participants.

**Students risk expulsion from the program if:**

- the student steals or is caught stealing another person's property
- threats of bodily injury
- physical contact of any kind

**T-shirts**

Shirts will be distributed to all students in the 12:40 p.m. class on Tuesday of the second week of each Kids' College session. If you are not enrolled in a 12:40 p.m. class, please pick up a t-shirt at the Kids' College office on the second Wednesday of classes. We encourage all students to wear their t-shirt on the last day of classes in each session. If you are enrolled in both Kids' College sessions, you will receive one t-shirt during the first session.

**Drop-off/Pick-up**

Drop-off/Pick-up will be located in the Allison Fine Arts parking lot. Carpool will begin at 12:15 p.m., and staff will not be available before this time. A map is available online at www.midland.edu/kidscollege or at the Continuing Education office. When you drop off on the first day of classes, please have your child line up behind the sign that identifies as their first class. Please plan to pick up your children no later than 5:15 p.m. **Any children left after carpool is over will be taken to the Kids' College Office, (432) 686-4242.**

If you must park and pick up your child, please assist Kids' College staff and wait for the flow of traffic to stop before stepping into the line of traffic. Security is essential to the safety of your children during Kids' College, which is why campus police officers will assist Kids' College staff with traffic. Your patience and cooperation is appreciated. **Traffic assistants are strictly guided by the Midland College Police Department – please follow all instructions and do not deviate.**

**Off campus locations**

**COM Aquatics, Inc., 3003 N. “A” Street**
For Aquatic camp, students need to be dropped off and picked up at COM Aquatics, Inc. A **2022 Aquatics Camp Supplemental Form** (pages 18-20) must be completed and returned to COM Aquatics after registration with Midland College is complete.

**Midland Community Theatre (MCT), 2000 W. Wadley**
If your child attends Midland Community Theatre in the morning and plans to attend Kids' College in the afternoon, a **Parent Permission form** must be on file with the Continuing Education office prior to the first day of class and submitted in order to ride the bus. Kids can bring a lunch or buy a lunch in the dining hall. **See page 23 for lunch information.**

**Only the first 24 students accepted by MCT will be able to ride the bus to Midland College.**
Parents with a student that did not make the bus list, must arrange for the student to get from MCT to Kids' College for their first class.

**Midland College Dept. of Continuing Education - Mission**

The Department of Continuing Education’s mission is to provide to the diverse populations of Midland College’s community, quality, life-long educational opportunities for professional development and personal enrichment.

Lego Mania

No builder can say “Lego my Lego!” when engaged in the creative activities of LEGO MANIA! This innovative program for Lego buffs provides opportunities for imagination and hands-on learning under the guidance of a certified Texas educator. Over 15 new games, STEM kits, projects and activities not found in stores will be planned and manipulated. Enrichment in the areas of personal creativity, following instructions, eye-hand coordination, problem solving, critical thinking and learning will be experienced as the child has the opportunity to construct dinosaurs, rockets, castles, airplanes, forts, cars, and more!

KIDS5204.CP01213Q 12:40 – 2:00 p.m.  grades 1 - 2

Learning STEM with Hot Wheels!

Endless tracks and obstacle courses await every Hot Wheel’s car lover as they discover the world of math and physical science. What goes up must come down…or does it? Momentum, push, pull, force, and friction are just some of the STEM concepts they will understand. Measuring length and weight in centimeters, inches, feet, and ounces will help in the identification of the fastest, most efficient car on the block. Mega Loop Mayhem, Shark Cliff Hanger, Wolf Mountain, and hundreds of cars are just some of the play equipment that will have you yearning to come each day! Your child will not only have a solid background in science and math concepts, but will have also rolled away in good times with Hot Wheels!

KIDS5205.CP02213Q 2:10 – 3:30 p.m.  grades 1- 3

Lego Science & Technology Life Skills

Bring young technicians into a creative, engineering environment. Not found in stores, the special Lego Logo kits provide extraordinary opportunities for the hands-on construction. Under the guidance of a Texas certified educator, along with detailed technical plans to follow, the participant will build robots, traffic lights, race cars, four-by-four trucks, cranes, pulleys, levers, and more during this energized week of discovery with Lego! Motivated by fun, creativity, and success, young builders will expand their knowledge of math, science, and STEM technology in an exploratory hands-on cooperative environment.

General Camp Info:

Camp will take place at COM Aquatics campus, at 3003 North A Street.

Camp starts at 1 pm, and ends at 5 pm.

Campers can be dropped off at 12:40, and must be picked up no later than 5:00 pm.

COM is practicing safety precautions around COVID 19. We encourage everyone to maintain 6 ft. of distance whenever possible, and when not possible face masks will be worn. COM will do our best to balance safety and fun with all our campers. In the event of a positive COVID 19 case, please notify COM immediately and do not bring your child to camp. In the event of a COVID exposure, COM is following CDC guidelines and quarantine will be required. In the event of a positive case and/or exposure, COM will do our best to reschedule campers, based on availability, but cannot be guaranteed. No refunds will be issued for campers who are unable to attend because of COVID exposure or a positive case.

Swim skills are assessed at the first session by our Camp Staff. Any camper who cannot pass the safety swim will wear a lifejacket at all times in the pool. This way all campers can enjoy participating in all the games and water sports. Campers must be comfortable in the water in order to enjoy camp, and most of camp will be in the pool. If you child does not like the water, this camp is probably not a good idea.

Drop off and pick up is at the circle drive, entrance M11 on the attached map.

Drop off – on the first day of camp, please walk inside to check your child(ren) in, so we can confirm all necessary information is on file. Do not drop campers off prior to 12:40, as there is no supervision for them earlier than 12:40.

Pick up – please write your child’s first name and last initial as large as possible on a letter sized piece of paper, and place on your dash at pick up time so that counselors can get your child out to you quickly. Pick up starts at 4:45 pm. If your child isn’t picked up by 5:10 pm, there will be a $20 late charge. If more than 2 late pick-ups occur, your child will not be able to return to camp.

What to Bring – please send campers in a swimsuit, and with a bag or backpack with a towel, a reusable water bottle and goggles. Snacks will be provided, but if your camper is a picky eater, you are welcome to send snacks. No refrigeration will be provided. Please do not send phones, electronics, valuables, or non-water proof devices. Backpacks/bags will not be supervised 100% of the time, and COM is not responsible for any losses of personal items during camp. Campers will not be allowed to shower at COM, but they can put on dry clothing over swimsuits.

Summer Camp Rules
1. You must always listen to your camp counselor. Don’t talk when they are talking.
2. Campers will treat all other campers and all counselors with respect. Hitting, punching, foul or obscene language or gestures will not be tolerated.
3. Campers may not leave Camp at any time unless they are with a camp counselor. Otherwise, campers must remain within the Camp boundaries at all times.
4. Trash is to be deposited in trash cans throughout Camp and NEVER thrown on the ground or in the pool. All campers must help clean up trash before heading for dismissal.
5. Campers may not bring gum or any electronics to Camp. Campers may not bring valuables from home. If you bring things from home, and they are lost, it is your fault. Leave your things at home please.

6. Campers must respect the environment of Camp. Campers may not damage trees in camp areas and they must treat all living things and the Camp facility with the utmost care and respect. Don’t be destructive.

7. Camp materials and facilities are to be used only as you are instructed to use the. Be creative – not destructive.

Water Rules

1. Stay in assigned section of the pool.
2. No rough-housing in the water.
3. Do not dunk other swimmers.
4. Do not hold anyone under water.
5. Do not accept dares.
6. Always walk. No running in the pool areas.
7. Locker rooms are not play areas. Show courtesy to others in locker rooms.
8. No diving or jumping from the sides of the pool unless instructed to do so by an authorized diving coach.

Aquatics Camp Rules and Discipline Policy

It is our goal to provide the best possible safe and fun environment. This can only be achieved with the cooperation of the campers and parents. A camper who misbehaves will be subject to a timeout. Repeated disruptive behavior will result in the camper being removed from the camp activity and placed with the camp director, and parents will be notified. Depending on the offence, the camper may return to activities, or may be asked to go home for the day. If behavior continues, the child will be sent home for the remainder of the day.

If camper’s behavior is severe and/or could potentially cause harm to self, another child or staff, the camper will be immediately removed from the activity and sent home.

Ongoing disruptive behavior can result in the child being dismissed from the entire remainder of the camp. No refunds given for campers who are asked to not return to camp for behavior issues.
