WELCOME!

Kids' College 2025 at Midland College

KIDS' COLLEGE is a summer enrichment program for students ages 6 – 12 years old. The curriculum has been developed to offer courses that are fun and educational, in a college-like setting. We invite you to look over our schedule and make Kids' College a part of your summer plan!

To be eligible for Kids' College, students must be 6 -12 years old by June 2, 2025.

SCHEDULE

MONDAYS – THURSDAYS

from 1:00 pm to 5:00 pm

WEEK 1 June 2 – 5

WEEK 2 June 9 – 12

WEEK 3 June 16 – 19

WEEK 4 June 23 - 26

12:45 - 1:00 pm	Drop-Off
1:00 - 2:45 pm	First Class
2:45 - 3:00 pm	Break and Switch Classes
3:00 - 4:45 pm	Second Class
5:00 pm	Pick-Up

Extra time is built into the classes to allow for breaks and a snack time.

FEES

Classes will range from **\$50 to \$160** per class.

Two classes will be offered each week and most classes will meet for one class time slot, 1:00 p.m., and then the child will switch classes and go to their second time slot, 3:00 p.m. We will have a few classes (Computer classes, Summer STEM Discovery, Makers' Space, etc.) which meet during both class time slots, 1:00 and 3:00 p.m. Please note: all sports classes will be held indoors this year. We will not have any outdoor classes due to the extreme heat in June.

Students *MUST* be signed up for the full time from 1:00 PM to 5:00 PM (either two classes or one of the longer classes that meet during both time slots).

REGISTRATION

Registration Process

Online registration will open to the public in **early April**.

1. Online registration will be available on the Kids' College website, www.midland.edu/kidscollege
 - a. Complete the steps to create an account
 - b. Register each student attending
 - c. Register student in a class for BOTH class time slots (either two separate classes or one of the longer classes that meets during both time slots).
 - d. Student **MUST** be registered for the full afternoon, from 1:00 p.m. to 5:00 p.m.; there are no late drop offs or early pick-ups.
2. Once the registration form is submitted, a confirmation email with a link for payment will be sent. **Payment is due in full at the time of registration.** Lack of payment will result in child being dropped from Kids' College.

Student Schedules and Name Tags

Student schedules and name tags will be available for pick up from the Kids' College Temporary Office at Midland College beginning Monday, May 26th. Office location is F. Marie Hall Academic Building (MHAB), Room 131.

Schedules and Name Tags may also be picked up on Saturday, May 31st from 9am to 12noon at the tent outside of the Allison Fine Arts building. More information on this event will be sent out in May.

If you are unable to pick up your student's name tag and schedule early, we will have a check-in table at the student drop off on the first day of each session. **We encourage you to come early the day of to pick up your name tag in order to ensure enough time for your child to get to their class.**

Scholarships

Limited scholarships will be available and based on the needs of the student. A scholarship application **MUST** be completed and submitted to the Kids' College office **by May 1, 2025**. A link to the scholarship application is on the website, www.midland.edu/kidscollege.

Scholarships will be awarded on a first come, first serve basis and will not be awarded for more than 50% of the total registration cost. If a scholarship is awarded, the contact person will be notified via email within 7 – 10 business days after application is received with further instructions. Applications do not guarantee scholarship award.

Refunds

Class fees will be refunded **ONLY** if a student withdraws by noon on the Tuesday before the first day of the session, **NO EXCEPTIONS**. A processing fee will be assessed for the refund. All refund requests must be submitted in writing to the following email: cecommunityprograms@midland.edu. Refunds take up to 30 days to process.

KIDS' COLLEGE POLICIES

Attendance

Students are expected to attend each class for which they are enrolled. They are to remain in their class except during supervised breaks. A child should not attend a class that they are not enrolled in. ***Please communicate with your child about which classes they are enrolled in.***

Name Tags

Students are expected to wear their nametags for the duration of their time at Kids' College. If your child loses their name tag, please contact the Kids' College office via email for a replacement (cecommunityprograms@midland.edu).

Conduct

The purpose of Kids' College is to provide an enrichment program in a fun, learning environment, therefore proper standards of conduct are necessary to protect the health, safety and well-being of all students. Kids' College students are expected to adhere to our Code of Conduct:

- Behavior that might interfere with the educational process is unacceptable.
- Students will be respectful of other students and staff.
- Students will be careful with college equipment, property and the property of other students.
- Safety of students is our first responsibility. Students **MAY NOT GO ANYWHERE** on campus without being accompanied by a Kids' College staff member.
- Parents will be contacted if their child is involved in any unacceptable situations during the day. If you have been contacted due to unacceptable behavior, you will be asked to pick up your child.
- Staff members have the right, at any time, to exclude any child from activities due to failure or inability to follow the code of conduct and any rules and/or policies for participants.

Students may be removed from Kids' College if any of the following occur:

- Bullying in any form
- Stealing another person's property
- Threats of bodily harm
- Engaging in any form of physical contact with others

Health Concerns

Kids' College is a nut-free environment.

If you have any concerns regarding your child's health, please email Kids' College Staff at cecommunityprograms@midland.edu.

For students with an inhaler, insulin, or an Epi pen, parents must email Kids' College Staff at cecommunityprograms@midland.edu.

Breaks/Food/Water

There will be a break between the first and second class time slots to allow for classroom changes and a refreshment break.

Students should bring a refillable water bottle with them each day. Water to refill water bottles will be available during Kids' College. Bottled water will not be provided. A snack will be provided each day; please do not send food with your child.

Drop-off/Pick-up

Drop-off/Pick-up will be in the parking lot of the Allison Fine Arts Building near the F. Marie Hall Academic Building. Tents and signs will mark the drop-off/pick-up area.

We will divide students into two groups: **Carpool Lane** group and **Walk-up** group. For Carpool Lane drop-off and pick-up, parents or guardians will remain in their vehicles and Kids' College Staff will transport your child to and from your vehicle. For Walk-up drop-off and pick-up, parents or guardians will park and walk their child to a Kids' College staff member. More information regarding drop-off and pick-up procedures will be sent in May.

Please note the following:

- Drop-off will begin at 12:45 p.m., promptly. Staff will not be available before this time
- Please enter the Alison Fine Arts (AFA) parking lot and follow the directional signs. Cars will queue up through the AFA parking lot to avoid a backup in the main traffic lanes.
- Students who already have their name tag and schedule may be dropped off and will be directed to line up with their first class
- Students **NEEDING** their name tag and schedule **MUST** come to the check-in table when arriving.
- Pick-up will begin at 5:00 p.m. Students will be brought to the curbside of their vehicle, so please remain in your car while in the pick-up line. Display the name sign provided to expedite the pick-up process.
- Please refrain from honking or calling to your child during pick-up. All students must be released to their parent or guardian by a Kids' College Staff member in order to ensure safety.

Carpool ends at 5:20 p.m. Any student left after 5:20 p.m. will be taken to F. Marie Hall Academic Building, Room 131, (432) 685-4518.

Your child's safety is the first priority during Kids' College; therefore, campus police officers will assist Kids' College staff with traffic. Your patience and cooperation is appreciated.

Traffic assistants are strictly guided by the Midland College Police Department – please follow all instructions and do not deviate.

MIDLAND COLLEGE INFORMATION

Kids' College is offered by the Department of Continuing Education with a mission to provide to the diverse populations of Midland College's community, quality, life-long educational opportunities for professional development and personal enrichment.

Arts & Crafts

American Girl Doll History Club (\$50)

Judy Bartlett

Do you love American Girl Dolls? Do you want to learn more about them? Then this class is just for you!! In this fun and exciting class, you will make crafts, use your imagination, and play games all related to the different American Girl History dolls. On the last day, you will attend a “mini sleepover” (during regular class time) as we celebrate all we have learned. If you have an American Girl Doll, please bring her along! If you don’t have one, please still join us!! You may bring any type doll if you wish. Students may check out American Girl doll books from the instructor’s collection.

This class is good for: students who like arts and crafts, using their imagination, and dolls.

Age Group	Week 1	Week 2	Week 3	Week 4
6 - 8	3:00 pm	3:00 pm	1:00 pm	1:00 pm
8 - 10	1:00 pm	1:00 pm	3:00 pm	3:00 pm

Cartooning (\$50)

Stan Jacobs

Discover your artistic talents by learning to draw cartoons and comic strips. You'll also get to decorate your own white t-shirt with cartoon characters.

This class is good for: students who are not afraid to use their imagination to create human and animal figures and tell stories about them.

Age Group	Week 1	Week 2
6 - 8	1:00 pm	--
8 - 10	3:00 pm	3:00 pm
10 - 12	--	1:00 pm

Clay for Beginners (\$50) **NEW!**

Aly Albidrez

Get your hands dirty while embracing the relaxation that flows from creating a one-of-a-kind object! Take clay through various forms while learning basic clay sculpting concepts. Through this process clay may feel cold, gritty, muddy, or wet. It is a highly hands-on experience. Sound amazing? Come join us for a fun time!

This class is good for: students looking for a new artistic experience, are ok touching different textures, and are willing to use their imagination for creating a unique object.

Age Group	Week 1	Week 2	Week 3	Week 4
8 - 10	1:00 pm	1:00 pm	1:00 pm	1:00 pm
8 - 10	3:00 pm	3:00 pm	3:00 pm	3:00 pm

Disney Fun (\$50)

Katelyn Villanueva

If you're a Disney fan, you'll love the happiest class on earth! Express your creativity by making Disney related crafts while singing along to the movie soundtrack, or watching movie clips roll with the Disney movie inspired theme of the day.

This class is good for: students who like arts and crafts, and are Disney character fans.

Age Group	Week 1	Week 2	Week 3	Week 4
6 - 8	3:00 pm	1:00 pm	3:00 pm	1:00 pm
8 - 10	1:00 pm	3:00 pm	1:00 pm	3:00 pm

Intro to Ballroom Dancing (\$100) **NEW!**

Sam Paliashchuck

Learn the elegance, discipline, and joy of ballroom dancing in this introductory course where your creativity, coordination, and confidence will grow through this fun and structured dancing environment. Join in as Sam, a highly accomplished professional with **over 25 years of ballroom dancing experience, Belarusian National Champion and finalist in numerous prestigious competitions** across the U.S. and Europe, brings his world-class expertise and passion for teaching the next generation of dancers to Kids' College 2025!

Please note: Students may be paired with a dance partner. **No need to bring your own partner.**

This class is good for: students who are open to new experiences, willing to learn teamwork and respect through partner dancing, want to develop coordination, social skills, and rhythm, and enjoy interactive activities.

Age Group	Week 1
8 - 10	1:00 pm

Music, Maker, Movement (\$50) NEW!

Anna Torres

Do you like to “move it, move it”? Then you’ll love this highly energetic course of movement, creating, and enjoying lively music! **Prior dancing experience is not required.** Jump in! A talented dance instructor and daily theme will guide each day. Time will be split between practicing moving your body to music, making theme related crafts, and exploring basic musical concepts in exciting ways.

This class is good for: students who are active, enjoy interactive group activities, and music.

Age Group	Week 3	Week 4
6 - 8	1:00 pm	3:00 pm
8 - 10	3:00 pm	1:00 pm

Rotation Stations (\$50) NEW!

Kym Lusk

Do you like having fun, playing games, doing crafts, and having a great time? Then Rotation Station is the class for you! We will do puzzles, crafts, sing alongs, painting, slime, games, and more..... Come have some fun, laughs and all-around great time!

This class is good for: students who enjoy a variety of arts and crafts.

Age Group	Week 1	Week 2	Week 3	Week 4
6 - 8	1:00 pm	3:00 pm	3:00 pm	--
8 - 10	--	1:00 pm	1:00 pm	1:00 pm
10 - 12	3:00 pm	--		3:00 pm

A group of diverse students are sitting at a long table in a computer lab, focused on their work. In the foreground, a young boy with short dark hair, wearing a red t-shirt, is looking intently at a computer monitor. Behind him, two girls are also working on computers. The room is bright with natural light coming from a window in the background.

Digital Arts

Beats and Jams: Digital Music Creators (\$160)* **NEW!**

Black Rocket

Begin your rise to the top of the charts with digital music production! Just like today's top artists, you can design your own beats or remix a mashup of your favorite songs to become a digital composer and sound engineer. In this course, students will learn to produce digital music, record sound, make sound effects, and mix their own tracks. **No prior music experience is necessary. Students will work in pairs or teams for most of the program.** Student-created soundtracks will be available on a password-protected website to share with friends and family.

This class is good for: students who have experience with computers and want to learn digital music.

**This class meets during BOTH time slots.*

Age Group	Week 4
8 - 12	1:00 & 3:00 pm

[Click Here
to Learn More!](#)

Click Away with Mrs. Christina (\$50) **NEW!**

Christina Reyes

This lively and hands on workshop goes beyond photography basics. Be inspired and encouraged to see the beauty behind the lens! Through engaging activities and hands on instruction, you will unleash your creativity, develop your artistic eye, and explore the surroundings, all while behind your lens. Fundamentals like camera operating will allow us to build to learning comprehensive tools such as shutter, aperture, lighting techniques, and more. By the end of the workshop, you will have the skills and confidence to express yourself through photography. **Students must bring their own camera.**

This class is good for: students who want to expand their camera skills.

Age Group	Week 1	Week 2	Week 3	Week 4
10 - 12	3:00 pm	3:00 pm	3:00 pm	3:00 pm

YouTube® Content Creators (\$160)* **NEW!**

Black Rocket

Find your voice and leave your mark on the world! No matter your age, it's time to start a career as the next YouTube star. Explore the variety of content and personalities that exist on YouTube and how to find your own niche. Learn the Dos and Don'ts of the platform and how to practice good digital citizenship. Develop your on-camera presence, your own channel branding, and professional editing skills. Take home a plan for launching your own channel with the content created in class! Student projects will be available on a password-protected Black Rocket website to share with friends and family. **Students will not access or create their own YouTube accounts in this course.** Students will work in pairs or teams for most of the program.

This class is good for: students who have experience with computers and want to learn how to create digital content.

**This class meets during BOTH time slots.*

Age Group	Week 3
8 - 12	1:00 & 3:00 pm
