
In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f), 34 CFR 668.46)
Introduction

Midland College is concerned about the safety and welfare of all campus members and guests and commits itself to promoting a safe and secure environment. Because no campus can totally isolate itself from crime, Midland College has developed a series of policies and procedures designed to ensure that every possible precaution is taken to protect the campus community.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

Pursuant to 20 United States Code section 1092(f), the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act,” and the Code of Federal Regulations (CFR) requires that each institution of higher education in the United States which participates in federal student aid programs must produce and distribute an annual report containing crime statistics and statements of security policy. Failure to provide required information or the inclusion of inaccurate information may result in fines up to $27,500 per violation imposed by the U.S. Department of Education (DOE).

The Campus Security Act – Legal Requirements

Publish an annual report every year by October 1st that contains three (3) years’ worth of crime statistics and certain security policy statements, including sexual assault policies.

Make a good faith effort to disclose crime statistics for the campus, unobstructed public areas immediately adjacent to or running through the campus, and certain non-campus facilities including: remote classrooms. The statistics must be gathered from campus police or security, local law enforcement, and other College officials who have “significant responsibility for students and campus activities”.

Provide “timely warning” notices of those crimes that have occurred and pose an “ongoing threat to students and employees”.

Disclose in a public crime log any crime that occurred on campus or within the patrol jurisdiction of the campus police or the campus security department and is reported to the campus police or security department.”

This publication, in keeping with the requirements of the Clery Act, is designed to aid in the cooperative effort of providing the public with specific information on campus security, crime statistics for the most recent three-year period, alcohol and drug use, crime prevention, police operations and authority, policies relating to reporting crime and campus disciplinary procedures.

Each year, a bulk e-mail notification is made to all employees and enrolled students regarding the availability of the Annual Security Report. A printed copy of this report may be obtained by writing the Midland College Police Department, 3600 N. Garfield, Scharbauer Student Center #136, Midland, Texas 79705 or by coming in person to the Midland College Police Department located in the Scharbauer Student Center #136, during normal business hours Monday - Friday. This report is also published on the Midland College Police Department web page.
CAMPUS SECURITY

Facilities Security
Most campus buildings and facilities are accessible to members of the campus community and their guests and visitors during normal business hours, Monday through Friday, and for limited hours on the weekend (this excludes most holidays). Students have access to the buildings during all scheduled class sessions including laboratory, library study and research periods.

After normal business hours, including weekends and holidays, all campus buildings are considered closed and secured. Persons needing entry must contact the Midland College Police Department.

Lights can be left on in hallways on any floor when it is known that students will be required to use the area after hours.

Exterior building doors on campus are equipped with electronic locks. A member of the Midland College Police Department responds to check doors daily.

Visitors to student housing must be accompanied by the resident being visited, contact the front desk, sign in, and present identification. Visitors to campus are welcome, but are expected to adhere to all campus regulations and policies. The College reserves the right to restrict the access of any person who does not adhere to College policies and procedures. ANY person may be required, upon request by the Police Department, to present identification while on campus.

Employees and students are required to have their Midland College ID card in their possession at all times and to present it upon request by any College Official.

Security cameras are positioned at several locations around campus including the entrances and exits of parking areas and some buildings, some public plazas, some parking lots, certain areas of student housing, and the library. These cameras are monitored at all times. They are equipped to digitally record activity within the field of view. Presence of security cameras should not preclude individuals from practicing good, common sense crime prevention practices and exercising caution.

Maintenance
College facilities, lighting, and landscaping are maintained so as to reduce hazardous conditions. Officers also routinely report the need for replacement lights and any other physical hazard they note. Malfunctioning lights and other unsafe conditions are reported to Maintenance for repair or correction on a daily basis. Any student, faculty, staff, or visitor who sees a possibly unsafe condition is encouraged to notify Midland College Police Department or Maintenance for further attention to the problem.

Crime Prevention and Education Programs
The Midland College Police Department conducts crime prevention and information sessions at each scheduled student orientation meeting. Prospective students and parents are encouraged to ask questions of a safety and security nature. They are presented with the information on how to obtain a copy of the Annual Security Report. Upon invitation, the department provides crime prevention programming to any student organizations and faculty/staff gatherings. Officers are encouraged to make unscheduled “crime prevention contacts” with students and employees of Midland College as they patrol the campus.

Crime prevention is a tool utilized to encourage students, faculty and staff to be aware of ways to reduce their chances of becoming victims of crime. Crime prevention brochures and other printed materials are presented during each registration period, and kept at the Information Window all year long. While it is impossible to prevent all crime, awareness is the key to preventing the opportunity for crimes to be committed. The Midland College Police Department offers the following crime prevention programs and services free of charge:
**Facilities surveys:**

An ongoing program known as “directed patrol” and “park and walks” are made at irregular intervals during each shift. A “directed patrol” is a walk through all buildings where officers or guards look for, or are alerted to suspicious activities. A “park and walk” involves guards and officers parking their patrol vehicle and conducting foot patrols of selected areas of the campus. All these types of patrols are documented in the Copsync program.

**Security Escort Program:**

There are times when people feel the need for a little extra security. This could be due to a personal issue or other security concern. The Midland College Police Department will provide security escorts to all locations on campus 24 hours a day. Police Officers and Guards provide this service.

**Authority and Jurisdiction of Midland College Police Law Enforcement Authority**

Midland College police officers are State Police Officers licensed by the TCOLE. These officers are sworn law enforcement officers commissioned under the provisions of the Texas Education Code § 51.203 or the Texas Code of Criminal Procedures, Article 2.12, and are vested with all of the powers, privileges, and immunities of peace officers while on the property under the control and jurisdiction of Midland College or otherwise in the performance of their assigned duties.

In addition to police officers, Midland College Police Department employs uniformed security guards who provide parking enforcement, facility security and support for special event operations. Security guards do not have arrest authority, except as provided for citizens as outlined in the Texas Penal Code.

The Midland College Police Department has the responsibility and duty to enforce all local, state, and federal laws. Midland College Police Officers carry firearms, may arrest violators and refer them to the judicial system for prosecution. Criminal violations are processed through the Midland County District Attorney’s Office or federal criminal justice system. Officers may also issue citations for the City of Midland Municipal Court and the Midland County Justice of the Peace, Precinct 4. The Police authority extends beyond the local area to any Texas county in which the Midland College owns property or operates / holds classes, such as remote classrooms.

**Municipal Law Enforcement Jurisdiction**

Midland College lays within the city limits of Midland, Texas, a community of approximately 110,000 people occupying 35.04 square miles. The City of Midland has developed around the Midland College campus since the campus was initially built. The City of Midland Police Department (MPD) employs 200 licensed and sworn police officers and has concurrent jurisdiction on the campus. Midland police officers regularly patrol the campus. Through interagency agreements, the City of Midland Police Department, Midland County Sheriff’s Department, and the Texas Department of Public Safety will also provide assistance if requested by MC Police Department. The Midland College Police Department also has the same working relationship with UTPB authorities and public safety personnel at its Odessa Campus (See the UTPB – Midland Campus Security Report).
Reporting Crime

Procedures for Reporting Crimes and Other Emergencies

All Midland College community members and guests of the College are encouraged to report suspected criminal activity to the police as soon as possible. Fires, health emergencies, crimes and violations of College policies and procedures should be reported to the Midland College Police Department either in person at Scharbauer Student Center, Room 136, or by telephone by dialing 685-4734. There is an also emergency phone installed in the elevators.

Community members are encouraged to report all crimes, to include off campus incidents. Midland College Police Department will assist community members in reporting all off campus incidents to the appropriate law enforcement agencies. Local law enforcement agency phone numbers are listed in the Helpful Phone Numbers section.

Title IX Compliance

Certain Clery specific crimes are also considered to be Title IX violations and will be handled by the college as mandated under both statutory requirements. Title IX of the Educational Amendments Act of 1972 (amending the Higher Education Act of 1965) forbids sexual discrimination, specifically stating that “no person...shall, on the basis of sex, be excluded from participation in, be denied benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance”.

1. The following are examples of types of sex-based discrimination prohibited by Title IX:
2. Sexual harassment, including sexual assault, occurring in a way that impacts the students participation in their educational environment, regardless of the location;
3. Discriminatory decision-making by a supervisor of an employee based on the employee’s sex;
4. Failure to provide equitable opportunity for participation in intercollegiate sports; or
5. Disproportionate awards of athletic scholarships.

Pursuant to Title IX and its regulations (34 C.F.R. Part 106), Midland College's Title IX Coordinator is the designated college official with primary responsibility for coordinating the college's compliance with Title IX and other federal and state laws and regulations relating to sex-based discrimination.

Emergency Notification

Midland College recognizes that certain emergency situations may occur which require “immediate emergency notifications” be made to members of our community. These situations may involve criminal acts such as an active shooter or other incidents such as a hazardous material release, major fire, severe weather posing an imminent threat to our community, infectious disease outbreaks, etc.

as Midland College has developed a multi-hazard Emergency Management Plan that addresses mitigation, preparedness, response, and recovery. The plan is predicated on the template provided to us by the Texas Department of Public Safety, Division of Emergency Management.

A principle tenant of the plan is the use of the National Incident Management System (NIMS), which has been formally adopted by the Midland College Board of Trustees as the foundation for incident command, coordination and support activities for Midland College. It is the policy of Midland College to coordinate training on the National Incident Management System and its core components to personnel responsible for managing and/or supporting major emergency and disaster operations.

Midland College personnel evaluate any imminent threats we become aware of with emergency response expertise including one or more of the following:

1. Midland College Chief of Police
2. Midland College Police Lieutenant
3. Midland County Emergency Management Coordinator
4. City of Midland Fire Department Incident Commander

Any individual in any one of these positions is authorized and has the duty to without delay issue the appropriate emergency notification(s).
In the event that a threat, notwithstanding an imminent threat, is such that time allows for consultation with others, the responsible authorities should notify and consult with one or more of the following:

1. Midland College Chief of Police
2. Midland College Police Lieutenant
3. Midland College President
4. Reporting Crimes to Other Campus Security Authorities

Who Are Campus Security Authorities?

The Clery Act also mandates that institutions must disclose statistics both for crimes reported to local police agencies and crimes reported to campus security authorities. Campus security authorities include the following:

- A member of a campus police department or a campus security department of an institution.
- Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, the following areas:
  - Vice President for Student Services
  - Director of Residence Life and Student Housing
  - All Head Coaches and Assistant Coaches for all areas in the Athletic Department.
  - All Associate Athletic Directors
  - An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

The intent of including non-law enforcement personnel as campus security authorities is to acknowledge that many people, students in particular, are hesitant about reporting crimes to the police, but may be more inclined to report incidents to other campus-affiliated individuals.

Examples of individuals who DO NOT meet the criteria for being campus security authorities include a faculty member who does not have any responsibility for student and campus activity beyond the classroom, clerical staff, custodians and maintenance personnel and cafeteria staff. A pastoral or professional counselor on campus does not have significant responsibility for student and campus activity and are exempt from reporting crimes to the campus police. A physician in a campus health center or a counselor in a counseling center whose only responsibility is to provide care to students is unlikely to have significant responsibility for student and campus activity.

All campus officials, counselors, faculty and staff are encouraged to report all crimes even if not required to do so. The Police Department understands the confidential nature of certain campus officials and will respect the confidentiality of all information obtained for statistical reporting purposes. Only general information, such as general location, type of crime and date of crime, are needed to report crime statistics. Complete reporting by all university members will assist in providing a secure campus environment.

Responsibilities of Campus Security Authorities

Because of the law’s complex reporting requirements, the most reasonable and effective way to manage the reporting is as follows: If Campus Security Authorities observe any crime listed below, or if any person reveals to a Campus Security Authority, in good faith, that he/she learned of or were the victim of, perpetrator of, or witness to any crime listed below, the Campus Security Authority must immediately notify the Midland College Police Department.
Crimes that should be reported are:

- Murder and non-negligent manslaughter
- Negligent manslaughter
- Forcible sex offenses
- Non-forcible sex offenses
- Robbery
- Aggravated assault
- Burglary
- Motor vehicle theft
- Arson
- All hate crimes involving bodily injury
- All liquor, drug or weapons law violations resulting in an arrest

Definitions of these crimes may be found beginning on page 12 of this report.

Clery Act crimes reported to local municipal police will be included as long as the municipal police agency notifies the Midland College Police and the reported crime occurred in an area for which the institution is responsible. The College contacts the City of Midland and makes a good faith effort to obtain information on reported Clery Act crimes.

Reporting Crimes Outside of the Patrol Jurisdiction of Midland College Police Department

The Midland College Police Department makes a good faith effort to stay informed of all criminal activity involving students at off-campus locations. Surrounding municipal agencies, state law enforcement agencies and federal agencies do not routinely inform campus police about incidents where their officers contact Midland College students.

When a Midland College student is involved in an off-campus incident, Midland College Police officers may assist with the investigation in cooperation with local, state or federal law enforcement. Midland Police Department routinely works and communicates with campus police officers on any serious incidents occurring in the immediate neighborhood and business areas surrounding the campus. Many students live in the neighborhoods surrounding Midland College. The Midland Police Department has primary jurisdiction in all areas off campus, and will respond to all incidents in this area. Midland College Police Officers may assist with major crimes near campus when requested. Midland College Police Officers have radio communications with the Midland Police Department, Midland Fire Department and EMS Services to facilitate rapid response in any emergency situation.
**Timely Warnings**

**CRIME ALERT**

In order to keep the Midland College community informed about serious crimes and security issues, timely warnings may be issued in the form of a Crime Alert. Crime Alerts are issued on a case-by-case basis in a manner that will provide notification to the campus community about certain reportable criminal incidents that occur on or very near the campus. The institution must also believe the criminal incident poses a continuing threat to the community and the alert will aid in the prevention of similar crimes in the future. The Midland College Chief of Police, or his designee, along with the Vice President of Student Services, will meet with the President of the College and assess the level of the threat to the College community. The crimes that typically result in a timely warning are referred to herein as "Clery Act Crimes". These crimes, as defined by 34 CFR 668.46(b) (c), are listed below:

**Criminal Homicide**

(1) Murder and Non-Negligent Manslaughter

(2) Negligent Manslaughter

**Forcible Sex Offenses**

(1) Forcible Sexual Assault

(2) Forcible Sodomy

(3) Sexual Assault with an Object

(4) Forcible Fondling

**Non-Forcible Sex Offenses**

(1) Incest

(2) Statutory Rape

**Robbery**

**Aggravated Assault**

**Burglary (this does not include burglary of a motor vehicle)**

**Motor Vehicle Theft**

**Arson**

These crimes must have occurred within those areas of the campus that are specifically defined in 34 CFR 668.46(a). These areas are broken down into four categories:

- On Campus Property
- Residential Facilities (Definitions for these categories can be viewed at www.securityoncampus.org)
- Non-Campus Property
- Public Property

* Midland College will not necessarily issue timely warnings for every Clery Act criminal incident that is reported since that specific incident may not pose a continuing threat to the community. Certain Clery Act crimes like motor vehicle theft, for example, occur infrequently on the campus at random locations. Suspect information is often never provided or determined. This is also true of the Midland area. Individuals should exercise due care and caution to avoid being victimized. Check out the crime prevention tips posted by the Midland College Police to deter these crimes.
**CRIME ALERT (Off Campus)**

Midland College may post a Crime Alert (Off Campus) for certain Clery Act crimes occurring outside the patrol jurisdiction of the Midland College Police Department, when timely notification is received by the Midland College Police Department and the offense is considered to represent a serious or continuing threat to the students and employees of Midland College due to the nature of the crime, and/or proximity to the campus.

Even though this action is not required by law, Midland College strongly believes in supporting the spirit of the Clery Act by informing the community about certain crimes that are reported in the areas immediately surrounding our campus; yet still outside the normal Midland College Police patrol area.

**When are timely warnings issued?**

In accordance with the published guidelines used to interpret 34 CFR 668(e), the decision to issue a timely warning is made on a case-by-case basis in light of all facts surrounding the crime, including factors such as the nature of the crime, the continuing danger to the community, and the possible risk of compromising law enforcement efforts. Neither the Clery Act nor the Department of Education defines "timely". The Department of Education has stated the warning should be issued as soon as the pertinent information is available.

Midland College will issue timely warnings without delay once reported information has been verified and the determination is made that an immediate threat to the community is evident. Furthermore, timely warnings may be issued for other offenses not covered by this regulation if a determination is made that the warning will aid in preventing similar offenses from occurring.

**How are Timely Warnings Issued?**

Timely warnings will be printed on brightly colored posters and distributed around campus in all residence halls, dining halls, academic buildings, administrative buildings, and parking garages. The Midland College Public Information Officer may send out a campus wide email message containing the alert information if deemed necessary. Timely Warnings will also be published on the Midland College Police Department web page.

Monitoring and Recording Criminal Activity

The Midland College Police Department tracks and records index crimes (as defined on page 12 of this report) occurring on ALL Midland College campuses and in those areas immediately contiguous to the main campus where many students live and frequently access. These crimes are categorized as:

Non-campus buildings or property owned or controlled by student organizations that are recognized by the College.

Non-campus buildings or property owned or controlled by the College that are used in direct support of, or in relation to, the College’s educational purposes, are frequently used by students, and are not in the same reasonable contiguous geographic area of the College; and

Public property including thoroughfares, streets, sidewalks, and parking facilities that are within the campus or immediately adjacent to and accessible from the campus. The jurisdiction of the Midland College Police department does not extend to public property contiguous to the campus; therefore the department has a limited role in investigating criminal activity at these locations. The department’s role is limited to information sharing, cooperation, and coordination with the investigating local law enforcement agency.
Public Crime Log

A crime log for all campus crime activity is maintained in the Midland College Police Department. The crime log contains the following information: nature of the crime, date and time crime occurred, date and time crime was reported, general location crime occurred, and disposition.

A hard copy of the crime log is available during normal business hours for public inspection at the Midland College Police Communications/Information Office, Scharbauer Student Center Room 136. The log is updated within two days of any activity taking place. The crime log for the most recent 60 day period is available for viewing for the upon request during normal business hours. Any portion of the log that is older than 60 days will be made available within two business days of a request for public inspection.

Any portion of the log that is older than 60 days will have to be requested and will be made available within two business days of the request, and will be made available for public inspection at the Police Communications/Information Office.

Criminal Incidents within the Contiguous Area

The Midland College Police Department obtains crime statistics from the Midland Police Department regarding the criminal incidents occurring within the contiguous area surrounding the campus.

**Sex Offender Registry and Access to Related Information**

The federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, went into effect October 28, 2002. The law requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student.

This act amends the Family Educational Rights and Privacy Act of 1974 to clarify that nothing in that Act may be construed to prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders and requires the Secretary of Education to take appropriate steps to notify educational institutions that disclosure of this information is permitted.

State law requires persons convicted of or placed on deferred community supervision for certain offenses to register as sexual offenders. Offenders who committed "sexually violent" offenses (most contact offenses) must register for the remainder of their life, even after completing probation or parole. Others (some non-contact offenses) may quit registering ten years after completing their term of supervision.

Law enforcement authorities are required to inform the College when registered sex offenders indicate they are living, working or volunteering services on campus. To learn whether information of this nature has been provided to the College, contact the Midland College Police Department at 3600 N. Garfield in the Scharbauer Student Center, or call 685-4734.

You can access the sex offender registration files free of charge through the Texas Department of Public Safety web page at www.txdps.state.tx.us.

**Alcohol**

The College is dedicated to providing a healthy, comfortable, and productive environment for students, faculty, staff, and guests. All members of the College community are expected to maintain self-control. Conduct should be consistent with ideals of academic excellence, health, and responsible social behavior, including recognition of the rights of others.

It is also recognized that Midland College is a community of free and open inquiry in which adults are encouraged to make responsible decisions in their lives, including abstinence from or careful use of alcohol. The College recognizes the freedom of conscience that determines such issues, but cautions that such freedom does not imply license to violate the law or college policy.

The College may impose penalties for conduct related to the unlawful use, possession, sale, or distribution of alcohol, which include disciplinary probation, payment for damage to or misappropriation of property, suspension of rights and privileges, suspension for a specified period of time, expulsion, or such other penalty as may be deemed appropriate under the circumstances.

**Texas State Law**

All members of the College community should at all times be cognizant of and comply with state and local liquor laws. It is unlawful in the state of Texas for any person under the age of 21 to possess, purchase, or drink alcoholic beverages, except when with either a parent or adult spouse. Providing alcoholic beverages to minors other than where the law provides is prohibited. A violation of this policy subjects the offender(s) to internal disciplinary and/or law enforcement action, which may include a court appearance citation or arrest.
**Possession and Consumption**

The College prohibits the possession and consumption of alcoholic beverages on campus, with the exception of during certain special events such as official College receptions. For these exceptions, those individuals possessing and consuming the alcoholic beverages must be 21 years of age or older. Kegs and other similar containers - including, but not limited to, 1/2 kegs, party balls or pony kegs - are not permitted anywhere on campus.

**College Education Programs**

The College Counseling Center works closely with the Vice President of Student Services to assist those students who are at risk, or have violated the College Drug and Alcohol policies. Once students are referred to the Counseling Center, sessions are focused on each type of violation.

Counselors also present information at New Student Orientation, at the beginning of each semester, and present information about alcohol. This presentation is a two-part program. Part one addresses perceptions, social norming, use of alcohol to solve problems, and what services are available. The second part is based on the Choices Program which instructs the students in the physiology and psychological aspects of substance abuse.

The Counseling Center also offers programs throughout the semester to groups upon request. The Center also offers referrals to outside assistance agencies which can provide further assistance to students, faculty, and staff.

**Drugs**

Every College student shall be responsible for compliance with all local, state, and federal laws regarding controlled substances including, but not limited to, their use, sale, distribution, possession, or manufacture. Violations of any local, state, or federal law regarding controlled substances may subject the person to disciplinary proceedings by the Vice President of Student Services without regard to any proceedings in local, state, or federal courts.

When the standards of conduct regarding illicit drugs are violated, sanctions may be imposed by the Vice President of Student Services. Possible sanctions include, but are not limited to, a fine, assignment to community service, notification of parents, suspension, time-frame suspension, or expulsion. The College will impose a minimum disciplinary penalty of suspension for a specified period of time or suspension of rights and privileges, or both, for conduct related to the use, possession, or distribution of drugs that are prohibited by state, federal, or local law.

Sanctions upon conviction in the criminal court system for possession, distribution, or manufacture of controlled substances range from fines and probation to imprisonment. Amounts of fines, terms of probation, or years of imprisonment generally are contingent upon the circumstances and amounts of drugs in possession, sale, distribution, or manufacture.

**Texas State Law**

Midland College enforces all state and federal laws that prohibit the possession or sale of illegal drugs or drug paraphernalia. In addition, Midland College policy provides for suspension of students found guilty of possession of drugs on campus.

**College Education Programs**

The College Counseling Center works closely with the Vice President of Student Services to assist those students who are at risk, or have violated the College’s Drug and Alcohol policies. Once students are referred to the Counseling Center, sessions are focused on each type of violation.

Counselors also present information at Freshman Seminar, at the beginning of each semester, and present information about drugs and drug use. This presentation is a two-part program. Part one addresses perceptions, social norming, use of drugs to solve problems, and what services are available. The second part is based on the Choices Program which instructs the students in the physiology and psychological aspects of substance abuse.

The Counseling Center also offers programs throughout the semester to groups upon request. The Center also offers referrals to outside assistance agencies which can provide further assistance to students, faculty, and staff.
Violence Against Women Reauthorization Act of 2013 / Campus SaVE Act

It is the policy of Midland College to maintain an environment that is free from intimidation and one in which students may be educated to their fullest potential. Midland College will not tolerate physical abuse, threats of violence, physical assault, or any form of sexual assault, including but not limited to acquaintance or date rape, domestic & dating violence, and/or stalking. In addition, all such acts of sexual violence are considered forms of Sexual Harassment covered under Title IX of the Education Amendments of 1972 (Title IX).

**Domestic Violence defined:**

“Family Violence” (domestic violence) to mean an act, other than a defensive measure to protect oneself, by a member of a family against another member of the family that is intended to result in physical harm, bodily injury, or sexual assault or that is a threat that reasonably places the family member in fear of imminent physical harm, bodily injury, or sexual assault.

"Dating Violence" is defined in Texas as an act, other than a defensive measure to protect oneself, that is committed against a victim with whom the actor has or has had a dating relationship; or because of the victim's dating relationship with an individual with whom the actor is or has been in a dating relationship. The act is intended to result in physical harm, bodily injury, or sexual assault or that is a threat that reasonably places the victim in fear of imminent physical harm, bodily injury, or sexual assault. A "Dating Relationship" means a relationship between individuals who have or have had a continuing relationship of a romantic or intimate nature which is determined based on consideration of the length, nature, frequency and type of interaction between the persons involved in the relationship. (Texas Family Code 71.0021)

“Sexual Assault” as an offense if committed by a person that intentionally or knowingly causes the penetration of the anus or sexual organ of another person by any means, without that person's consent; or causes the penetration of the mouth of another person by the sexual organ of the actor, without that person's consent; or causes the sexual organ of another person, without that person's consent, to contactor penetrate the mouth, anus, or sexual organ of another person, including the actor. (Texas Penal Code Sec. 22.011)

“Without Consent” in regards to sexual assault is defined in Texas Penal Code as:

- the actor compels the other person to submit by the use of violence;
- the actor compels the other person to submit by threatening to use violence against the victim or against any other person;
- the other person has not consented and the actor knows the other person is unconscious or physically unable to resist;
- the actor knows that as a result of mental disease the other person is at the time of the sexual assault incapable of appraising the nature of the act;
- the other person has not consented and the actor knows the other person is unaware that the sexual assault is occurring;
- the actor has intentionally impaired the other person's any substance without the victim's knowledge. (Texas Penal Code Sec. 22.011)

“Stalking” when a person commits an offense on more than one occasion and pursuant to the same course of conduct directed specifically at another person, knowingly engages in conduct that:

the actor knows or reasonably believes the victim will regard as threatening bodily injury or death for the other person; bodily injury or death for a member of the other person's family or for an individual with whom the other person has a dating relationship; or that an offense will be committed against the other person's property;

causes the other person, a member of the other person's family, or an individual with whom the other person has a dating relationship to be placed in fear of bodily injury or death or fear that an offense will be committed against the other person's property.
Anyone who is a victim of any form of sexual assault, domestic & dating violence, and stalking should immediately call the Midland College Police Department by calling 432-685-4734. Reporting these crimes does not mean that the victim must press charges, take the case to criminal trial and/or a university disciplinary hearing. Even if a victim is undecided about filing criminal charges, calling the police, preserving evidence, and going to the hospital will provide for their emotional and medical needs and preserve the option to file criminal charges at a later time.

**Notification of Law Enforcement**

Victims of sexual assault, domestic & dating violence and stalking or persons who have information regarding these crimes are strongly encouraged to report the incident to the Midland College Police Department immediately. It is the Midland College Police Department’s policy to conduct investigations of all sexual assault, domestic & dating violence, and stalking complaints with sensitivity, compassion, patience and respect for the victim. Investigations are conducted in accordance with guidelines established by the Texas Penal Code, Code of Criminal Procedure.

**Changes in Academic and Living Situation**

The College can assist a victim of Sexual Assault, Domestic & Dating Violence, and Stalking with issues including, but not limited to, class schedule changes, withdrawal procedure, campus housing relocation and working situations, if so requested by the victim and if such accommodations are reasonably available, regardless of whether the victim chooses to report the crime to campus police or local law enforcement. If the reporting student provides credible evidence that the accused student presents a continuing danger to a person or property or poses an ongoing threat of disrupting the academic process. The Vice President of Student Services and/or the Title IX Coordinator may take interim action against the accused student, as appropriate.

**Title IX Requirements**

Title IX prohibits discrimination on the basis of sex in education programs of activities operated by recipients of Federal financial assistance. Sexual Harassment of students, faculty, and staff, which includes acts of sexual violence, is a form of sex discrimination prohibited by Title IX. Title IX requires Midland College to take immediate action to eliminate harassment, prevent its recurrence, and address its effects. The Title IX Coordinator is responsible for administrative investigation of claims of sexual harassments and sexual violence, and ensuring there are appropriate grievance procedures for a prompt resolution of student, faculty, and staff sex discrimination complaints. The college’s Title IX investigation is different from a law enforcement investigation, and a law enforcement investigation does not relieve the college of its independent Title IX obligation to investigate conduct.

Procedures for Campus Disciplinary Action

A student may choose to report the assault to the Vice President of Student Services Office for disciplinary action regardless of whether or not the student has decided to press criminal charges. A student may also file a report of sexual assault, domestic and dating violence, and stalking against another student, or a faculty or staff member, by directly contacting the Vice President of Student Service’s office (432-685-4503).

Standard of Evidence in Disciplinary Hearings and Processes:

The term “evidence” refers to the means by which alleged facts are either proved or disproved. It includes the testimony of witnesses and documentary or objective exhibits offered by the parties involved. The Hearing Officer shall be the sole judge of the admissibility of evidence, the credibility of the witnesses, and the weight to be given to the evidence or any inference drawn therefrom. The Hearing Officer may ask questions of witnesses, the parties, or their counsel as may be deemed appropriate to ascertain the facts, or to aid the Hearing Officer in deciding upon the admissibility of evidence, the credibility of a witness, or the weight given to evidence admitted. Legal rules of evidence do not apply to Student Code of Conduct hearings. Either party may object to the admission of evidence upon any ground that they deem appropriate. The Hearing Officer shall rule upon such objections and either admit or exclude the objectionable evidence. Evidence which is irrelevant, immaterial, or unduly repetitious will be excluded by the Hearing Officer upon objection of either party. Documents, letters, writings, pictures, drawings, or objects that a party plans to offer in evidence shall first be given to the Hearing Officer to be marked and identified as the exhibit of that party and listed by the Hearing Officer. After being marked and identified, each exhibit shall be shown to the opposing party. Unless the opposing party disputes the authenticity of the exhibit or has no knowledge with respect thereto, the exhibit may be offered without authentication; however, the exhibit may be objected to on grounds other than authenticity.

Sanctions That May Be Imposed as a result of an Administrative Hearing:

The disciplinary actions assessed in a particular case will be dependent upon the nature of the conduct involved, the circumstances and conditions which existed at the time the student engaged in the conduct, and the results which followed as a consequence of the conduct.

I. Disciplinary warning

II. Disciplinary probation

III. Withholding of grades, official transcripts or degree

IV. Prohibited from readmission or dropped from current enrollment

V. Suspension of rights and privileges

VI. Suspension

VII. Expulsion

VIII. Educational programs

IX. Other penalty as deemed appropriate under the circumstances.

Sexual Assault Policy

Midland College is a community of trust whose very existence depends on adherence to standards of conduct. Student conduct that violates these standards is handled through the Vice President of Student Services. Cases of alleged student misconduct involving serious physical or psychological harm are referred to the Vice President of Student Services. This includes cases involving sexual misconduct and/or sexual assault or attempted sexual assault.

10. the actor is a clergyman;

EDUCATIONAL PROGRAMS THAT PROMOTE AWARENESS

The College Counseling Center will conduct educational programs on sexual assault for students through the semester for specific groups as requested. In addition, confidential, ongoing counseling for student survivors of sexual assault is available with the College Counseling Center. Confidential, ongoing counseling for faculty and staff survivors of sexual assault is available through the Counseling Center and may require a small fee.

The College Counseling Center and Midland Rape Crisis Center are available to provide support services for anyone affected by any form of sexual offense. Students who may have been assaulted by someone who is not affiliated with the university may also contact any of the available university support services. The College Counseling Center can be contacted at 432-685-4729.
WHAT TO DO IF YOU HAVE BEEN SEXUALLY ASSAULTED

Students, faculty, and staff are strongly encouraged to report sexual assaults to Midland College Police Department, whether the assault occurs on or off campus, no matter who the alleged assailant is. Students may report sexual assaults to Midland College Police Department, Vice President of Student Services, Title IX Coordinator or any other campus security authority. Reporting a sexual assault to College officials or filing a police report does not automatically initiate criminal charges.

If the assault occurs off campus, the Midland College Police Department will assist a victim with notifying the appropriate law enforcement agency having jurisdiction where the crime occurred.

It is important for persons who have been sexually assaulted to seek medical attention. A representative from the RapeCrisis Center is available to accompany students who have been sexually assaulted to the hospital and for counseling, if desired. A medical examination called a "Rape Kit Exam," conducted by an area hospital, will help preserve important evidence of the sexual assault if the person who has been sexually assaulted decides later to prosecute. It is important for persons who have been sexually assaulted to contact the police who will arrange for immediate medical attention and will initiate an investigation.

The Midland College Police Department will investigate all sexual assault complaints with sensitivity, compassion, patience and respect for the victim. Investigations are conducted in accordance with guidelines established by state laws and the Midland County District Attorney's Office.

In accordance with the Texas Code of Criminal Procedure Art. 57, victims may use a pseudonym to protect their identity. A pseudonym is a set of initials or a fictitious name chosen by the victim to be used in all public files and records concerning the sexual assault. Victims of sexual assault are not required to file criminal charges; however, preferring charges is encouraged.

Students may report sexual assaults to Midland College Police Department, Vice President of Student Services, or any other campus security authority. Reporting a sexual assault to anyone other than police will delay criminal investigation and possibly hinder criminal prosecution.

Remember-if you have been sexually assaulted:

1. Call 911 or 432-685-4734
2. DO NOT shower, bathe, or douche.
3. Have a trusted friend take you to Midland Memorial Hospital. It is the only hospital in Midland County that performs rape kit examinations. Take the clothes in which you were assaulted with you to the hospital. If reported to the Midland College Police Department, clothing and other items will be provided to you at the hospital.
4. Obtain counseling services through the Midland College Counseling Center at 432-685-4729.
5. Remember it is not your fault. You will recover.

HOW TO FILE A SEXUAL ASSAULT COMPLAINT

If the complainant elects not to file criminal charges, but still wishes to proceed with formal administrative charges, an investigation is conducted, and the case is referred to the College disciplinary system. Students may contact the Vice President of Student Services to file the complaint at 685-4503, or the Title IX coordinator at 685-4781. Procedures for discipline and dismissal of staff and faculty are outlined in the Midland College Manuals or Policies.

Those students who have been a victim of a sexual assault also have the option of being moved from their on-campus living arrangements, or their class schedule altered in order to protect their emotional health or physical safety.

As listed in the College Handbook, if the complainant elects not to file criminal charges, but wishes a hearing to be held by the College disciplinary system, the complainant, notwithstanding the rights of the accused student, under this policy is entitled to the following rights:

- The right to be present during the entire hearing, notwithstanding the fact that the complainant is to be called as a witness. (The accused student has the same right.)
- The right to have a support person present during the entire hearing. This person is not entitled to represent the complainant or to assist him/her with his /her testimony. If the support person is to act as a witness, the hearing officer may require him/her to testify prior to the complainant.
• The right not to have evidence of his/her past sexual history with third parties admitted as evidence.
• The right to have the hearing closed to spectators unless both the accused and the complainant consent in writing to having the hearing open to the public.
• The right to know the outcome of the hearing as defined by the Federal Family Educational Rights and Privacy Act. During the hearing, the accused student, faculty, or staff member also has the right to have others present during the hearing to act as a support person. The accused party is also entitled to be notified of the outcome of the hearing to the extent permitted by federal Family Educational Rights and Privacy Act. In addition, the accused has the right to appeal the decision of the Midland College disciplinary system. Students found responsible for sexual misconduct or sexual assault face sanctions imposed by the Vice President of Student Services, from reprimand to expulsion.

Filing formal charges through the College disciplinary system does not preclude filing criminal and/or civil charges. Students who wish to file criminal and/or civil charges may receive information and assistance from the Vice President of Student Services and Midland College Police Department.

NON-REPORTED SEXUAL ASSAULT EVIDENCE PROGRAM

The Non-Reported Sexual Assault Evidence Program was created in House Bill 2626 by the 81st Texas Legislature and went into effect June 21, 2009. The program allows survivors of a sexual assault to obtain a forensic medical exam and have evidence collected, without cost to the victim, even if they do not wish to involve law enforcement personnel at the time of its collection. This will secure the evidence while giving the victim time to consider if they want to report the assault to law enforcement officials. Victims may contact the Midland College Police Department or the Midland College Counseling Center.

Missing Students Who Reside in On-Campus Housing

If a member of the college community has reason to believe that a student that resides in on-campus housing is missing, he or she should immediately notify the Midland College Police Department at (432) 685-4734. Midland College Police Department will generate a missing person report and initiate an investigation. After investigating the missing person report, should Midland College Police Department determine that the student is missing and has been missing for more than 24 hours, Midland College Police Department will notify the student’s emergency contact no later than 24 hours after the student is determined to be missing. If the missing student is under the age of 18 and is not an emancipated individual, Midland College will notify the student’s parent or legal guardian immediately after Midland College Police Department has determined that the student has been missing for more than 24 hours.

In addition to registering an emergency contact, students residing in on-campus housing have the option to select a confidential contact person to be contacted by Midland College in the event the student is determined to be missing for more than 24 hours. If a student has selected a confidential contact person, Midland College will notify the person no later than 24 hours after the student is determined to be missing. Students who wish to identify and select a confidential contact can do so through their respective on-campus housing management.

Hazing

Hazing in state educational institutions is prohibited by both state law (Sections 51.936 & 37.151 et seq., Texas Education Code) and by the Regents’ Rules and Regulations (Series 50101, Section 2). Individuals or organizations engaging in hazing could be subject to fines and charged with criminal offenses. Additionally, the law does not affect or in any way restrict the right of the College to enforce its own rules against hazing.
Individuals

A person commits an offense if the person:

1. engages in hazing;
2. solicits, encourages, directs, aids or attempts to aid another engaging in hazing;
3. recklessly permits hazing to occur; or
4. has firsthand knowledge of the planning of a specific hazing incident involving a student in an educational institution, or has firsthand knowledge that a specific hazing incident has occurred,
5. and knowingly fails to report that knowledge in writing to the dean of students or other appropriate official of the institution.

Organizations

An organization commits an offense if the organization condones or encourages hazing or if an officer or any combination of members, pledges, or alumni of the organization commits or assists in the commission of hazing.

Definition

The term “hazing” is broadly defined by statute to mean any intentional, knowing, or reckless act, occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against a student, that endangers the mental or physical health or safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in an organization. Hazing includes, but is not limited to:

- any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity;
- any type of physical activity, such as sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, or other activity that subject the student to unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
- any activity involving the consumption of a food, liquid, alcoholic beverage, liquor, drug or other substance that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
- any activity that intimidates or threatens the student with ostracism, that subjects the student to extreme mental stress, shame or humiliation, that adversely affects the mental health or dignity of the student or discourages the student from entering or remaining registered in an educational institution, or that may reasonably be expected to cause a student to leave the organization or the institution rather than submit to acts described in this subdivision; and
- any activity that induces, causes, or requires the student to perform a duty or task that involves a violation of the Penal Code. The fact that a person consented to or acquiesced in a hazing activity is not a defense to prosecution.

Activities which under certain conditions constitute acts that are dangerous, harmful, or degrading, in violation of Rules include but are not limited to:

- calisthenics, such as sit-ups, push-ups, or any other form of physical exercise;
- total or partial nudity at any time;
- the eating or ingestion of any unwanted substance;
- the wearing or carrying of any obscene or physically burdensome article;
- paddle swats, including the trading of swats;
- pushing, shoving, tackling, or any other physical contact;
- throwing oil, syrup, flour, or any harmful substance on a person;
- rat court, kangaroo court, or other individual interrogation;
- forced consumption of alcoholic beverages either by threats or peer pressure;
- lineups intended to demean or intimidate;
- transportation and abandonment (road trips, kidnaps, walks, rides, drops);
- confining individuals in an area that is uncomfortable or dangerous (hot box effect, high temperature, too small);
- any type of personal servitude that is demeaning or of personal benefit to the individual members;
- wearing of embarrassing or uncomfortable clothing;
- assigning pranks such as stealing; painting objects; harassing other organizations;
- intentionally messing up the house or room for clean up;
- demeaning names;
- yelling and screaming; and
- requiring boxing matches or fights for entertainment.

**Immunity**

In an effort to encourage reporting of hazing incidents, the law grants immunity from civil or criminal liability to any person who reports a specific hazing event in good faith and without malice to the Vice President of Student Services or other appropriate official of the institution and immunizes that person for participation in any judicial proceeding resulting from that report. Additionally, a doctor or other medical practitioner who treats a student who may have been subjected to hazing may make a good faith report of the suspected hazing activities to police or other law enforcement officials and is immune from civil or other liability that might otherwise be imposed or incurred as a result of the report. The penalty for failure to report is a fine of up to $1,000, up to 180 days in jail, or both. Penalties for other hazing offenses vary according to the severity of the injury which results and include fines from $500 to $10,000 and/or confinement for up to two years.

**Emergency Notification and Evacuation Procedures**

In cases where there is an imminent and immediate threat to the Midland College community, Midland College has designed a redundant notification system that employs campus-wide text messages, social media, voice messages, emails, web pages and city sirens that are public address capable. In addition, low-tech solutions include bullhorns, walkie-talkies, and runners delivering messages word of mouth, all with the goal of notifying the campus community, regardless of disaster-related communication failures.

When the need to evacuate the campus arises, fire alarms will be utilized. When the alarm is activated, then silenced, then reactivated, it signals a need for evacuation of the building. Cars will not be allowed to leave the campus for traffic could delay emergency vehicles or other persons could be injured in the parking lots. Faculty and staff will assist injured persons to EMS points for medical treatment and possible transport off campus.

Resident assistants will assist in the evacuation of student housing. In the event of a weather related emergency, such as a tornado or other severe thunderstorm, students, faculty, and staff are encouraged to heed the following precautions:

If a tornado warning is issued, seek shelter immediately inside an interior room within the building in which you are located or nearest to your location at the time of the warning. Stay away from windows, doors, and outside walls.

Do not drive to shelter, unless you are already in a vehicle when the warning is issued, then drive to the nearest building or seek shelter in a ditch or ravine.

Never try to outrun a tornado in your vehicle.

If you are in a building, go to the designated shelter area. Interior halls on the lowest floors are usually best. Go to an interior room on the lowest level (e.g., bathroom, closet, hall, etc.). Get under a piece of sturdy furniture if possible. Stay away from all windows.
General Crime Prevention Tips

- Avoid walking alone, particularly after dark. Contact UTPB Police for a security escort whenever possible. If walking alone is unavoidable, be aware of your surroundings and let someone know when to expect you.
- Walk purposefully and make eye contact with strangers.
- Avoid shortcuts. The shortest route is not always the safest route. Walk along the mid-point between curbs and buildings and away from alleys and bushes.
- Dress for mobility, particularly after dark.
- Avoid deserted areas, poorly lit streets, alleys, and pathways.
- Never jog alone after dark.
- When walking or jogging, go against the flow of traffic; that makes it harder for motorists to bother you. (If harassed from a car, walk or run in the opposite direction. Scream if you are truly frightened.)
- Do not jog while wearing stereo headphones. It’s important to be alert to what’s happening around you.
- Carry your personal belongings in a backpack or similar container that will enable your arms and hands to be free at all times.
- Avoid approaching your car with bundles that restrict use of your arms. If you’ve been shopping, ask the store for assistance.
- Always have your keys ready to unlock the door to your car or residence and enter without delay. Lock the doors after you get inside.
- Before entering your car, look in the back seat and on the floorboard.
- Always lock car doors and windows when you leave or enter your car.
- Never leave belongings in plain view in your car. Lock them in the trunk.
